There are concerns that the Nithi Water and Sanitation Company (NIWASCO) is asking clients to furnish them with a title deed whenever they apply for a new water connection or meter. It is noted that there are families that are yet to subdivide their ancestral land and thus several households use only one title deed.

In the Statement the Chairperson Committee on Water, Environment and Natural Resources is to respond to the following:

- ii. What will happen to those who have a shared title deed?
