REF: TNC/DOF/PLAN/2019/8/5

29th August 2019

**TO THE CLERK
COUNTY ASSEMBLY
THARAKA Nithi County**

Dear sir

RE: SUBMISSION OF COUNTY ANNUAL DEVELOPEMNT PLAN 2020-2021

Pursuant to section 126(3) of the Public Finance management ACT, the county budget calendar and other relevant legislation, I hereby submit the Tharaka Nithi County Annual Development Plan for the Financial year 2020-2021.

Yours Sincerely,

**DOROTHY I.K NAIVASHA
CECM, FINANCE AND ECONOMIC Planning**

Cc.

1. Governor, Tharaka Nithi County
2. County Secretary, Tharaka Nithi County
3. County Coordinator, Controller of Budget

Vision

A prosperous, industrialized and cohesive County

Mission

Enhance sustainable socio-economic growth and optimal utilization of resources

Core Values

As Tharaka Nithi County, we are committed to championing these core values as the guiding codes for our operations:

² (ICT)

Integrity

Straightforwardness, ingenuousness, honesty and sincerity are an integral part of our undertakings which we shall firmly adhere to in every duty to our society.

Inclusiveness

We believe in equity and equality. As a County we do not regard status or personal preferences but approach our work as guided by principles of fairness and non-bias. People from diverse backgrounds or communities are involved in the County development and we incorporate the needs, assets, and perspectives of communities into the design and implementation of county programs.

Citizen-focused

We consistently endeavor to create enduring relationships with our citizens; in so doing our approach goes beyond standard citizen participation principles and makes their input an integrated, formalized part of setting county projects/program goals, performance measures, and standards.

Creativity & Innovativeness

We thrive on creativity and ingenuity. We seek the innovations and ideas that can bring a positive change to the County. We value creativity that is focused, data-driven, and continuously-improving based on results.

Transparency and Accountability

We will remain accountable to our stakeholders and will acknowledge responsibility for our actions and decisions. Thus we shall always endeavour to be transparent, answerable and liable at all times.

Team work

Every person is important and has a part in county development. We endeavor to build a workplace environment that cultivates person's uniqueness, encourages staff participation, collaboration and integration of diverse skills and capabilities.

GLOSSARY OF COMMONLY USED TERMS

Capital Projects - a group of related activities that are implemented to achieve a specific output and to address certain public needs.

County Executive Committee - means a county executive committee in charge of a department/ sector established in accordance with Article 176 of the Constitution.

Flagship/Transformative Projects - these are projects with high impact in terms of employment creation, increasing county competitiveness and revenue generation among others. They may be derived from Kenya Vision 2030, 'The Big Four' or County Transformative Agenda in the CIDP.

Performance - this is the extent to which the County achieves a set of pre-defined financial and non-financial targets that are unique to its overall objectives.

Performance indicator - a measurement that evaluate the success of an organization or of a particular activity (such as projects, programs, products and other initiatives) in which it engages.

Programme - a grouping of similar projects and/or services performed by a Department to achieve a specific objective.

Project – a set of coordinated activities implemented to meet specific objectives within defined time, cost and performance parameters. Projects aimed at achieving a common objective from a programme.

Strategy - it is the overall direction and scope in the long run; which enhances competitiveness in a changing environment through its alignment of both intangible and tangible resources with the aim of gratifying stakeholders' aspirations.

Outcome Indicators – these measure the quantity and quality of the results (change) achieved through the provision of services. An outcome indicator answers the question: “How will we know success when we see it?”

Outputs - these are the final products, goods or services produced for delivery. Outputs may be defined as “what we produce or deliver”.

FOREWORD

The County Government Act, 2012 section 104 stipulates that a county government shall plan for the county and no public funds shall be appropriated outside a planning framework developed by the county executive committee and approved by the county assembly. As informed by the Public Finance Management Act, 2012 section 126 provides that every County shall prepare a development plan in accordance with Article 220(2) of the constitution that includes the strategic priorities that reflect the county government priorities and plans. More so, County Government Act, 2012 section 113 provides that the CIDP shall inform the county's budget which shall be based on the annual development priorities and objectives. In addition, the annual development plan shall constitute the programmes to be delivered with details the strategic priorities to which the programme will contribute and the budget allocated to each programme. The County Annual Development Plan, CADP will have a detailed description of proposals with respect to the development of physical, intellectual, human and other resources of the county, including measurable indicators where those are feasible. In cognizance of this, the County has prepared this 3rd ADP as informed by the CIDP 2018-2022 aspirations for the people of Tharaka Nithi.

This CADP has been carefully prepared by ensuring linkages between county plans and the national planning framework. Specifically, this plan is informed by MTP III and Government 'Big Four' Agenda focussing on food security, universal health care, housing and manufacturing. The plan engaged meaningful engagement of citizens, the collection, collation, storage and updating of data and information suitable for the planning processes. It provides the basis for implementing the CIDP II and guiding resource allocation to priority projects and programmes.

A number of consultations with the departments in each of the nine (9) docket were done where they submitted their programmes and planned projects with a focus on on-going projects. Views from the public from the 34 public participation forums held between 20th -22nd August 2019 were also incorporated into the Annual Development Plan FY 2020/21.

MS DOROTHY I.K NAIVASHA

CECM, FINANCE AN ECONOMIC PLANNING

ACKNOWLEDGEMENT

The Department of Finance and Economic Planning wishes to recognize the following institutions and individuals for their contributions during the preparation of the CADP 2020-2021. Our appreciation goes to the Citizens of Tharaka Nithi who turned up during the public participation forums held 20th -22nd August 2019 in order to give their views and inputs. We applaud these citizens for diligently performing their civic duty and in turn helping us to understand their felt needs and by extension identifying the community priorities to be considered during the next budgeting cycle.

More specifically, I most sincerely thank the Governor, Hon Muthomi Njuki, for the strategic leadership he continues to provide in the planning and budgeting process. In addition, I give thanks to the CEC Finance and Economic Planning, Ms Dorothy Naivasha for leading the team that was preparing the CADP. Her strong leadership and support to the team was a big motivation to deliver within the strict timelines.

I also wish to express my gratitude to the different Sector Working Groups in availing the data that was needed in compiling the CADP. Their unwavering support not just in the ADP process has been the catalyst that drives our development agenda for the people of Tharaka Nithi. More specifically we appreciate the role played by the CECs, COs, Sub County Administrators, Ward Administrators and other County officers who made sure that the public consultation exercise was a big success. We thank the CECs and Cos for gracing and officially opening the various sessions during the public participation. The Sub County and Ward administrators played a critical role in mobilising the members of the public for the forums. This was the first time the County was implementing public participation in more than 30 centres (at least two centres per ward) at the same time. This approach gave more citizens an opportunity to give their views and hence enhance their participation. We also thank the USIAD-AHADI and ACT for sensitising the public of the budget process in Tharaka Nithi County.

Lastly I thank the Budget and Economic planning team for tirelessly working around the clock to collect, and compile all the required information that has been used to develop the document.

To all those who were involved, receive my heartfelt appreciation without forgetting that the bigger task lies in making sure that the objectives of the plan are realised through actual implementation.

MR ZEPHANIAH RWANDA MBAKA

CHIEF OFFICER FINANCE AND ECONOMIC PLANNING

EXECUTIVE SUMMARY

The County Government Act, 2012 section 104 and 105 provides that County Governments are responsible for: preparing Integrated Development Plans; ensuring integrated planning within the county; ensuring linkages between county plans and the national planning framework; ensuring meaningful engagement of citizens in planning process; ensuring the collection, collation, storage and updating of data and information suitable for the planning processes; and ensure that no public funds shall be appropriated outside a planning framework. The counties are required to prepare their Integrated Development Plans which should be implemented in five successive years. As per the Ministry of Devolution and Planning Guidelines for Preparation of County Annual Development Plans (September, 2017), the county planning should be integrated across sectors, green economy, blue economy and considerations of various actors. More so, the CADP should promote the Kenya Vision 2030 aspiration of making Kenya a globally competitive and prosperous Nation, with a high quality of life for all citizens by 2030. Besides the Vision 2030, the plan should be aligned to the SDGs and the Africa Agenda 2063. Cognizance of this, Tharaka Nithi County Government has developed CADP FY 2020/21.

Chapter one of CADP provides a short description of the county in terms of the location; size; demographic profiles; administrative and political units. It also highlights a summary of the socio-economic and infrastructural information that has a bearing on the development of the county. The overview looked into how accurate, current and adequate is the county-wide background data. This chapter also gives the county's broad priorities and strategies as per the CIDP that will be implemented during the FY 2020/21 plan period. It also gives a summary of how the CADP was developed. Chapter two gives a summary of what was planned and what was achieved by the sector/sub sector in the previous plan 2018-2019, the challenges encountered during the implementation and the lessons learnt and the proposed recommendations. It also indicates the overall budget in the CADP versus the actual allocation and expenditures as per sector/ sub-sector.

Chapter three is county development priorities and strategies which discusses the specific development needs, priorities and strategies that informs the programmes. The programmes are anchored on sectors/ sub-sectors which have a vision, mission and goal. The programmes and projects identified envisage a green economy by mainstreaming cross-cutting issues such as climate change; environmental degradation; Disaster Risk Management (DRM) HIV/AIDs; Gender, Youth and Persons with Disability (PWD), Ending Drought Emergencies (EDE) among others. The Sector/sub-sector key stakeholders (parastatals, donors, private sector, non-state actors,

National Government (CMDAs) with substantive roles and responsibilities in project/program formulation and implementation are also discussed under this chapter. Cross sectoral considerations which provide measures to harness cross sector synergies and mitigate adverse cross-sectoral impacts of projects where necessary are also discussed. This chapter also provides information on proposed payment of Grants, Benefits and Subsidies to be done by the county government during the plan period FY 2020/21.

A summary of the proposed budget by programme and sector/ sub sector is presented in chapter four. It provides a detailed description of how the county government is responding to changes in the financial and economic environment. It also Indicates the criteria used in the allocation of resources per sector/sub sector and per programme. Each sector financial resources requirement is expressed as a percentage (%) of the overall county total budget and the revenue projections for the FY 2020/21. The plan also captures the resource gap and measures on how to address the resource gap.

Lastly, Chapter five is on the county monitoring and evaluation framework as outlined in the County Integrated Monitoring and Evaluation System (CIMES). This chapter gives a brief description of the M&E structure in the county. It looks into the data collection, analysis, reporting mechanisms, dissemination and citizen engagement. More so, the framework looks into the outcome indicators and targets by sector. Eventually, this will allow implementers, decision-makers and various actors in the county to assess progress towards the diverse county development priorities.

Legal Basis for The ADP and The Link with CIDP and The Budget

This section presents the legal justification for the preparation of the Annual Development Plan as per section 126 of the Public Finance Management Act, 2012 and in accordance with Article 220 (2) of the Constitution of Kenya, 2010. A diagrammatic presentation of the link between the ADP, CIDP and the Budget is as shown in figure 1

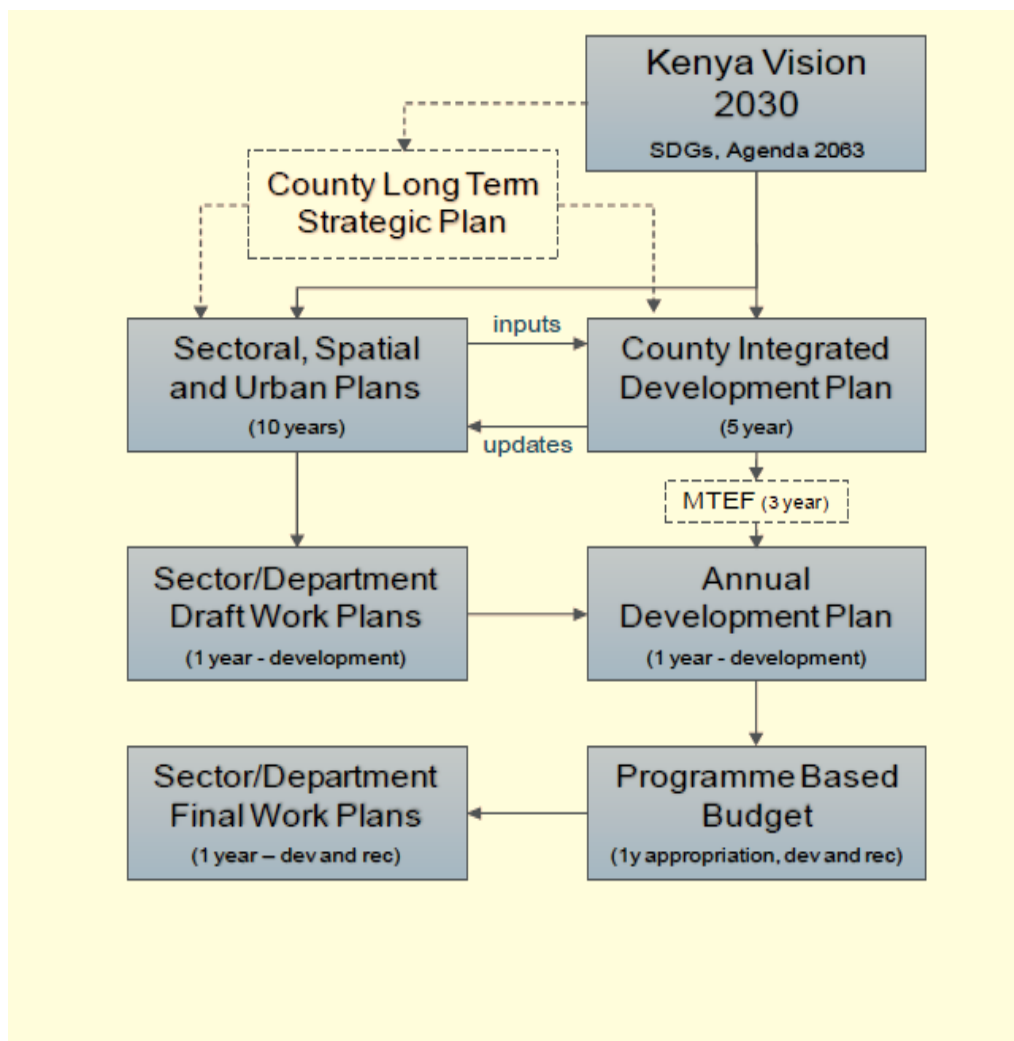

Figure 1: ADP Linkage with Other Plans

CHAPTER ONE: INTRODUCTION AND COUNTY BACKGROUND INFORMATION

1.1 Overview of the County

This chapter provides background information on the overall physical, social and economic situation in Tharaka Nithi County. It also describes the physiographic and natural conditions as well as the demographic details.

1.1.1 Position, Size and Location

The County borders the counties of Embu to the South and South West, Meru to the North and North East, Kitui to the East and South East while sharing Mount Kenya with Kirinyiga and Nyeri to the West. The county lies between latitude 00^o 07' and 00^o 26' South and between longitudes 37^o 19' and 37^o 46' East. The total area of the County is 2,662.1 Km²; including 360Km² of Mt Kenya forest in the county.

1.1.2 Administrative and Political Units

The County is divided into five (5) administrative sub-counties namely Tharaka North, Tharaka South, Chuka, Igambango'mbe and Maara. Tharaka North Sub-county is the largest covering an area of 803.4 Km², followed by Tharaka South with 746.1 Km²; Maara is the third in size with an area of 465.3Km²and Chuka fourth is with 316Km² and Igambango'mbe is the smallest covering an area of 308Km². The total area for Chuka and Maara sub-counties includes 179Km² and 184Km²of Mt. Kenya forest respectively. There are 15 wards, fifty-three (53) locations and one hundred and thirty-four (134) sub-locations. Table 1 show the total area by sub-counties, wards, locations and sub-locations.

Table 1: Area by Sub-county and Ward

Sub County	Area (km ²)	No. of Wards	No. of Locations	No. of Sub-Locations
Tharaka North	803.4	2	7	13
Tharaka South	746.1	3	14	33
Chuka	316	3	11	27
Igambang'ombe	308	2	7	18
Maara	465.3	5	14	43
	2,638.80	15	53	134

There are three constituencies in the County namely; Tharaka, Chuka/Igambang'ombe and Maara. There are 15 wards in the County.

1.1.3 Population Size and Composition

The demographic features of a population are used as statistics to determine the pattern of resource allocation and utilization. The county had a total population of 365,330 as per the 2009 population and housing census. This is projected to be 444,540 in 2020 (217,142 Males and 227,398 Females), and 460,688 by 2022 (225,030 Males and 235,658 Females). The county's annual population growth rate is 1.8%. Table 2 shows the population projection by selected age and sex with 2009 as the base year and projections for 2020.

Table 2: Population Projections by Age Cohort

Age Cohort	2009 (Census)			2020(Projections)		Total
	Male	Female	Total	Male	Female	
0-4	25279	24732	50011	30760	30094	60854

TOTAL	178451	186879	365330	217142	227398	444540

Furthermore, the population by constituency indicate that Maara constituency has the highest number and Tharaka with the least. In terms of urban population, Chuka town has the highest number while Marimanti has the lowest. Tables 4 and 5 below show the population distribution by constituency and urban centres.

Table 3: Population Projections by Constituency/Sub County

Constituency	2009 Census			2020 Projections		
	Male	Female	Total	Male	Female	Total
Tharaka	62887	67211	130098	76522	81784	158306

1.1.4 Road Network

The county has a total road network of 1670Km of which 630Km is classified network, and 1040 is unclassified network. More so, the county has only 61Km of bitumen road, these include the 32Km of road B6 along Thuchi-Nkubu road from Kathageri-Chuka-Chogoria to Keria, 18 Km along Ishiara-Kathwana-Chiakariga (Mate road), Five (5) Km on E789 (Chiakariga-Marimanti), 4.8Km on D474 (Chogoria-Maara), and 1.2 on D471 (Kibugua). National Government is in process of upgrading Chuka-Kareni Road and Chiakariga-Marimanti-Ura Gate road to bitumen standards. Gravel surface covers 36.4Km while the rest is earth surface. The other roads consist of a maintainable road network covering 808Km in Tharaka and 402Km in Maara and Chuka/Igambang'ombe Sub Counties.

1.1.5 Information, Communication Technology

Generally, the County has good mobile phone coverage with Safaricom, Equitel, Airtel and Telkom networks available. Some areas especially in Tharaka constituency have poor mobile network coverage because of the hilly terrain. It is estimated that over 70% of the population own mobile phones. Internet connectivity is mainly available in urban centers. However, a higher population is estimated to have access to internet through mobile phones. County Headquarter is installed with WAN and LAN, and sub county offices are installed with WAN. There is also an operational county

website, (www.tharakanithi.go.ke). Fiber connection is extended from Chuka town to Kathwana (County HQ) through a wireless connection. There is an ICT learning institution in the county, that is, Chuka University which boosts ICT skills and knowledge. There is one Huduma centre situated in Chuka town where residents get national and county services.

Furthermore, the county has over ten licensed private courier services, among them Wells Fargo, G4S and a number of public service vehicle couriers such as Unique Shuttle, Mark One Shuttle, KenSilver Bus Service, Meru Nissan Shuttle and Neno Shuttle. On mass communication, majority of community members rely on radio as the major source of information, where there are over three vernacular radio stations which are most listened to, while television and newspapers are used mainly in the urban areas.

1.1.6 Energy Access

From the KNBS Report, on energy and lighting; just 1% of residents in Tharaka Nithi County use liquefied petroleum gas (LPG), and 2% use paraffin; 89% use firewood and 8% use charcoal. Firewood is the most common cooking fuel. Only 8% of residents in Tharaka Nithi County use electricity as their main source of lighting but based on the current situation, the statistics have gone up and consequently, use of lanterns, tin lamps and wood fuel has decreased. In Tharaka Nithi County there are about 1,408 public facilities out of which 1,018 (72%) public facilities are electrified; leaving a balance of 390 (28%) public facilities yet to get electricity.

1.1.7 Percentage of Land with Title Deeds

The total number of registered parcels from both the adjudication process and subdivisions and title deeds issued in the entire county are 127,533 (Source, County Land Registrar, 2017). Seventy percent (70%) of land in the lower part of the county, Tharaka constituency and Igambang'ombe Ward of Chuka/Igambang'ombe constituency, is adjudicated. The remaining 30 % of the land is still being adjudicated by the National Government. A third of residents in these areas are yet to receive title deeds with only 62.1% of the land owners having title deeds. The upper part of the county which lies in Chuka/Igambang'ombe and Maara constituencies have 75% of land successfully adjudicated.

1.1.8 Unemployment and Labour Force

According to 2009 census, the county's unemployment rate is 63%. On the under employment, that is, a situation in which a worker is employed, but not in the desired capacity, whether in terms of compensation, hours, or level of skill and experience; the level is 7.8% (Kenya Economic Report 2013 by KIPPRA). A majority of this group are youth who have completed their education but unable to access employment. Most of these young people abuse alcohol and other drugs. As a result, there is high insecurity in the county. The young people should be sensitized on available resources in the county offered by the government. These government initiatives include the Youth-Women Revolving Loan Funds and other small and micro enterprises funds. Such funds would give them capital to start income generating activities.

According to the 2009 census, Tharaka Nithi County has 202,887 (55.5%) people in the labour force category. A majority of these people are concentrated in the urban areas. Most people work in government offices, businesses and farming.

1.1.9 Crop, Livestock, Fish Production and Value addition

The main occupation of the people in the county is agriculture, which include crop and livestock production. The main food crops include; maize, beans, cowpeas, sorghum, green grams, millet, pigeon peas, and bananas. The cash crops include tea and coffee grown mainly in Maara and Chuka/Igambang'ombe constituencies. However, farmers from Tharaka grow green grams and sorghum as a food and cash crop. An estimated 80% of the county population is engaged in agricultural activities. Approximately 43,799 hectares is under food crops while cash crops cover 14,839 hectares. Crop farming is mainly rainfall dependent and is therefore characterized by frequent crop failures especially in Tharaka areas. Improved infrastructural support service is required to increase agricultural output. Access to high yielding drought tolerant crops and the provision of subsidized agricultural inputs can enhance productivity in the agricultural sector.

The county experiences post-harvest losses up to 30% due to poor storage facilities and post-harvest handling, for cereals and legumes, the losses are higher for horticulture produce. This leads to loss of income occasioned by the post-harvest losses and also sales at low prices due to lack of adequate storage facilities. The main storage facilities are traditional granaries, farmhouses and market stalls. It is important to capacity build farmers on how to establish and maintain proper storage facilities.

The traditional granaries at the community level need to be improved as well as investing more in community grain stores. There is no available training Institution within Tharaka Nithi. The county depends on Kaguru Agricultural Training Centre based at Nkubu, Meru County. The county has constructed one ATC at Itugururu which awaits operationalization.

Livestock keeping is one of the main sources of livelihood for the residents of Tharaka Nithi County. The main livestock in the county include cattle, sheep, goats, pigs, poultry, rabbits and beekeeping. Cattle breeds kept include Friesian, Guernsey, Ayrshire, Jersey and their crosses while borans, sahiwal, zebu and crosses are kept in the lower areas. Milk marketing is a major income earner for the Tharaka Nithi residents especially Chuka/Igambang'ombe and Maara. The County is a major producer of dairy goats and dairy goat milk where Toggenburg dairy goats and their crosses are kept. Meat goats kept include the Galla goats and other indigenous breeds. Poultry kept include chicken-both exotic and indigenous, ducks, turkeys, geese, quails and doves. Keeping of improved indigenous chicken breeds such as kuroiler, rainbow rooster and Kenbro has been on the increase. Value addition on livestock products and improved access to improved breeding stocks is crucial for farmers to reap maximum benefit from livestock enterprises.

1.1.10 Industry and Trade

There are 4 Urban Centres, 10 Trading Centres and 92 Market centres.⁴⁷ markets have been constructed with overhead sheds, perimeter walls and sanitary blocks. There is high rural-urban migration with the total urban population of 91504 being found mainly in Chuka, Marimanti and Chogoria. Chuka and Chogoria are situated along the main Nairobi–Meru highway; the towns are endowed with developed infrastructure in terms of transport, and other social amenities like hospitals, schools, and banking facilities. The settlement patterns are highly influenced by two major livelihood zones; farming zone in the rural areas and business zone along the trading centers. The county has only 2 planned urban centers, all other urban, trading and market centers lack proper and approved physical development plans. This has led to poor urban development and probable rise of informal settlements. It also attributes to a low revenue base hence low service delivery and lack of proper enforcement.

The most common industries in the county are those processing agricultural products especially tea and coffee. The County has one tea factory “Weru Tea Factory” and one coffee mill “Tharaka Nithi Coffee Mill”, and an on-going banana processing and value addition factory at Mutindwa.

1.1.11 Environment and Climate Change

The forests have been encroached by human settlements with the intent to either farm or exploit some of the forest resources thus aggravating the degradation of the environment. Three gazetted forests and un-gazetted forests in the southern part of the county are under the trusteeship of the County Government. Some of the activities that pose risk to the environment include; farming on hill side, illegal /massive grazing on gazetted and non- gazetted hills, charcoal burning, sand harvesting and quarrying. Some of the major degraded areas in the county are;- Tharaka constituency and part of Chuka Igamba’ombe areas which needs attention for conservation and rehabilitation purposes (Kamuthetu Hills, Kairini Hills, Njuguni /Kiera Hills,Kierera Hills,Kiuguni Hills,Gikingo Hills, parts of Kathwana/Kajuki general farm areas,farms in Chiakariga ward , Marimantiward,Gatunga ward and Kamaindi locations. To divert the attention of communities from depleting the existing forests, commercial forest farming has been introduced. This is expected to replenish the forestry cover while at the same time improving household income.

The effects of environmental degradation in the county include water pollution and water scarcity. A large percentage of the population in Tharaka Nithi County has no access to clean drinking water. Solid and hazardous wastes cause spread of diseases due to uncollected garbage and blocked drainage systems. Wastes affect productivity through the pollution of groundwater resources. Soil degradation is evident in the county and it has increased the risks of productivity losses. Deforestation has contributed to death and disease because of flooding that results from deforestation.

1.1.12 Water Sources and Access

A majority of the county population access water from rivers, wells, springs, dams and boreholes. A number of households, mostly in the county’s urban areas, have piped water. Over 50% of the population take 15 minutes to 1 hour to access water from the source this includes Maara and upper part of Chuka Igambangombe sub-counties with over 23% of the county population spending over one hour to access water mostly in lower of Chuka Igambangombe, Tharaka north and south sub

counties. This clearly shows that the population is about 5 kilometres away from water sources. This calls for implementation of more water projects in order to address the needs of the marginalized areas.

1.1.13 Health Access & Nutrition

The County has 149 health facilities of which 96 are Government owned, 19 are mission, 2 NGO owned and 32 private clinics. The 149 also comprise 8 hospitals, 19 health centres, 91 dispensaries and 31 medical clinics. The distribution of the facilities as per sub county are Chuka (42), Igambangombe (16) Maara (31), Tharaka South (27) and Tharaka north (15).

The top five morbidity cases in the county are Upper respiratory tract infections (21.6%), other diseases of the respiratory systems (17.4%), diseases of the skin (10.3%), Arthritis, joint pains (8.4%) and intestinal worms (6%).

The HIV and AIDS prevalence rates and related services, the county HIV prevalence is 3.9% (Kenya HIV Estimates 2015). The HIV prevalence among women is higher (5.3%) than that of men (2.3%), indicating that women are more vulnerable to HIV infection than men in the county. A total of 9,093 people were living with HIV in the County by the end of 2015, with 20% being young people aged 15-24 years and 6% being children under the age of 15 years. Approximately 24 children and 223 adults died of AIDS-related conditions in 2015. There was a decrease of 51% of HIV-related deaths among the children aged below 15 years and a decrease of 14% among adults aged 15 years and above since 2013 in the county.

1.1.14 Education, Technical, Vocational Education and Training

The county has 577 ECD schools of which 432 are public and 145 private centres, 479 primary schools and 141 secondary schools. The County's early childhood development educational institutions enroll children from at an average of 3-6 years. The total ECDE enrolment is about 24,000 composed of 10,000 girls and 14,000 boys in public and private centres. Most of the private ECDE Centres are community managed but outside the mother primary schools while others are managed by churches. The ratio of boys to girls is 1:1. In the county, there are 864 ECD teachers whose 449 are employed by the County government while the rest through parents financing. The teacher student ratio is 1:43. The transition rate from ECDE to primary is quite high at a rate of 85%.

Access and participation at ECDE level is still low in the county. Parents and communities therefore had to pay levies to cater for the management of ECDE centres, payment of teachers and cooks' salary, purchasing of teaching/learning and play materials as well as putting up infrastructure. There is need for employment of more

ECDE teachers and caregivers as well as increased funding to increase access and ensure quality facilities as most of the ECDE centres in the county are in semi-permanent structures that have been poorly serviced and maintained. The county over the past two years has constructed ten ECDE classes per ward in the 15 wards. Most of the ECDE centres lack adequate play materials as well as play equipment's and rest facilities.

On equity in ECDE, the enrolment of boys is almost equal to that of girls. All public primary schools have established ECD centres, but in some areas there is established more centres as children walk for more than the recommended maximum of 2km to school. On management of the ECDE centres the pre-school teachers are directly answerable to head teachers who are employees of TSC. Satellite ECDE centres are managed by Head teachers of the primary school neighboring them thus they lack close supervision of the service delivery compromising the quality of curriculum offered. The county therefore requires recruiting more officers to carry out quality assurance roles in all ECDE centres. There is a pre-school parent representative at the school's Board of management (BOM) who is elected by ECDE children parents to represent their interest, there is need to empower the BOM's through capacity building on their role in ensuring access, quality and equity of ECDE services.

Private ECDE centres are also mushrooming in all corners of the county with a total of 145 centres already in operation. These centres are mostly in urban centres where there is great demand for baby care. It is however important to note that these centres are not registered and quite often the caregivers are not qualified. The learning environments are not conducive because they lack most basic standard requirements. The county government need to come up with a policy on standards guidelines to govern the operations in all ECDE centres.

Currently there are three technical training institutes in the county namely Muraga TTI, Chuka TTI at Mwanjati and Tharaka TTI at Marimanti. All these institutions are not fully operational and more needs to be done to ensure all the departments are operationalized. In the previous planning the national government recently released Ksh. 25 million to each of the three TTIs to ensure there are improved. In addition, there is a private technical training institute at Kiini funded by Germany development cooperation.

1.1.15 Sports Facilities

The Directorate of sports has 280 registered sport clubs, 50 volleyball clubs, 3 active darts clubs though there are inadequate athletic personnel. The directorate has prepared a draft Tharaka Nithi County Sports Policy 2015. It

hosts the governor’s cup (football for both men and women), County volleyball tournament, participates in inter-County championship as well as beyond zero and other marathons since 2013. It has registered 17 new football clubs and has started a tournament for dart clubs and constructed five semi standard stadiums. Construction of a full standard stadium is on-going at Kirubia in Chuka Sub-county. Others in progress include Marimanti and Kairuni stadia.

1.2 Annual Development Plan Linkage with CIDP

This section presents the county’s broad priorities and strategies as per the 2018-2022 CIDP that will be implemented during the FY 2019/20 plan period. The broad priorities and strategies that the county government plans to address in the year are detailed below:

Table 5: Annual Development Plan Linkage with CIDP

No.	Broad Priorities	Strategies
1.	Enhance equitable, responsive, accessible and accountable high-quality health care services	<ul style="list-style-type: none"> ▪ Promotion of Universal Health Care ▪ Construct, upgrade and renovate health facilities ▪ Procuring of essential medicines and medical supplies ▪ Prevention and management of communicable and NCD ▪ Promotion of reproductive, maternal, new born, child and adolescent health ▪ Creation of Community Health units ▪ Strengthen provision of Public Health and Sanitation Services
2.	Ensure access roads to essential services, trading centres and markets	<ul style="list-style-type: none"> ▪ Maintenance, grading and murraming of roads and use of revolutionary construction methods ▪ Upgrading major towns such as Kathwana to business hub ▪ Construction of county headquarters, Assembly offices and chambers as well as sub-county administration offices ▪ Develop partnership with national government and other development partners to construct and expand road network in the county
3.	Enhancing production and productivity, quality of farm inputs, mechanization, manage post-harvest losses and market access	Promote commercial and technology-led agriculture and strengthen farmers with robust extension services
4.	Promote investment, access to markets, tourism promotion and cooperative development	<ul style="list-style-type: none"> ▪ Promotion of markets ▪ Formation and rehabilitation of cooperatives ▪ Strengthen supervision and investigation to ensure consumer protection ▪ Agro processing industries and appropriate technologies ▪ Development and diversification of tourism products
5.	Access to quality ECDE, youth polytechnics, development of sports and culture, and social protection	<ul style="list-style-type: none"> ▪ Construction/renovation of ECDE classrooms, staffing, provision of feeding programme, and provision of teaching and learning materials ▪ Refurbishment/rehabilitation of youth polytechnics and staff development ▪ Construction/ rehabilitation of Stadiums ▪ Hold culture and arts exhibition, and construction of cultural centres ▪ Empowerment of PWDs and youth ▪ Development of policies on child protection, welfare and development

6.	Increase tree cover percentage and ensure access to clean and adequate water for domestic use and irrigation	<ul style="list-style-type: none"> ▪ Tree planting campaigns in farm lands, hills, river riparian and institution ▪ Harnessing groundwater and rainwater harvesting ▪ Development of small irrigation water supply systems
7.	Enhance citizen e-services, access to electricity and ICT infrastructure	<ul style="list-style-type: none"> ▪ Secondment of staff to Huduma centres ▪ Development of ICT infrastructure and equipping HQ offices and sub counties offices ▪ Install electricity transformers to mapped areas ▪ Promotion of alternative and renewable energy
8.	Ensure efficient, equitable and sustainable use of land resource, spatial planning and development of urban areas	<ul style="list-style-type: none"> ▪ Development of urban infrastructure e.g. street lighting, construction of market sheds/shopping malls, bus parks, public toilets, stadiums and recreational parks ▪ Land registration (adjudication) and titling ▪ Formulation of spatial plan ▪ Construction of storm water systems
9.	Planning, coordination and management of both financial and non-financial resources	<ul style="list-style-type: none"> ▪ Formulation of policies, legislations, plans and budgets ▪ Prudent resource management including expenditure management ▪ Resource mobilization ▪ Monitoring and evaluation of county funded projects
10.	Enhance public participation, strengthen good governance, accountability and inclusivity	<ul style="list-style-type: none"> ▪ Conduct meaningful public participation in planning, budgeting and implementation of county programs; and ensure efficiency in service delivery

1.3 Preparation process of the Annual Development Plan

In the preparation of the County’s Annual Development Plan FY 2020/21, both primary and secondary data were used. A number of consultations with the departments in each of the nine (9) dockets were done where they submitted their planned projects and especially on-going projects. Furthermore, there was engagement with members of the public and Sector Working Groups (SWGs) that helped in prioritization of the programmes/projects.

The department also used relevant existing national government policies, plans and strategies, mainly ‘Big Four’ and MTP III. County policy and planning documents heavily informed this plan including the CIDP, SWG reports and annual progress reports. A secretariat was formed to compile the CADP in conformity to the Draft Guidelines for Preparation of County Annual Development Plans, September 2017 issued by Ministry of Devolution and Planning. The County Executive Committee Member responsible for planning submitted the CADP 2020/21 to County Assembly for its approval.

CHAPTER TWO: REVIEW OF THE IMPLEMENTATION OF THE ADP 2018/19

This chapter provides a review of sector/ sub-sector achievements, challenges and lesson learnt.

2.0 Introduction

This section should provide a summary of what was planned and what was achieved by the sector/sub sector. The section should also indicate the overall budget in the CADP versus the actual allocation and expenditures as per sector/ sub-sector.

2.1 Analysis of planned versus allocated budget

Overall budget in the ADP versus the actual allocation and expenditures as per sector/ sub-sector as detailed below:

Table 6: Analysis of Planned Versus Allocated Budget 2018/19 FY

Department	Annual development plan Estimate 2018/19 Ksh (millions)			Budget Estimate 2018/19 Ksh (millions)			Actual Expenditure 2018/19 Ksh (millions)		
	Recurrent	Development	Total	Recurrent	Development	Total	Recurrent	Development	Total
Administration And Public Service	240.00	3.00	243.00	261.00	-	261.00	266.70	-	266.70
Agriculture And Cooperatives	295.00	334.00	629.00	107.00	227.00	334.00	199.00	95.70	294.70
County Public Service Board	27.00	-	27.00	12.50	-	12.50	2.60	-	2.60
County Assembly	480.00	100.00	580.00	230.00	17.00	247.00	358.00	-	358.00
Education And Vocational Training	235.00	64.00	299.00	38.40	107.60	146.00	204.00	26.00	230.00
Energy And ICT	62.00	69.00	131.00	38.40	24.00	62.40	55.70	10.10	65.80
Environment And Natural Resources	68.00	108.00	176.00	9.00	35.00	44.00	35.70	34.90	70.60
Finance And Economic Planning	420.00	-	420.00	291.00	276.00	567.00	401.50	163.00	564.50
Lands, Physical Planning	58.00	455.00	513.00	120.00	225.00	345.00	220.00	157.00	377.00

And Urban Development									
Livestock, Veterinary And Fisheries Development	65.00	195.00	260.00	71.90	55.00	126.90	103.00	44.70	147.70
Medical Services	2,450.00	198.00	2,648.00	1,476.00	313.00	,789.00	1,734.00	200.00	1,934.00
Office Of The Governor	280.00	-	280.00	154.40	-	154.40	150.00	-	150.00
Public Health And Sanitation	75.00	-	75.00	61.00	-	61.00	24.60	-	24.60
Trade, Industry And Cooperatives	95.00	80.00	175.00	94.00	-	94.00	92.00	-	92.00
Roads, Infrastructure And Public Works	85.00	680.00	765.00	49.60	809.00	858.60	57.00	528.00	644.00
Water Services And Irrigation	45.00	220.00	265.00	51.00	162.00	213.00	140.20	112.30	252.50
Youth, Sports, Culture And Tourism	35.00	182.00	217.00	48.00	38.00	86.00	51.70	11.40	63.10
Total	5,015.00	2,688.00	7,703.00	3,113.20	2,288.60	5,401.80	4,095.70	1,383.10	5,478.80

From the analysis, the overall actual expenditure is not aligned to the total ADP estimate 2018/19 FY although there were major adjustments in sector expenditure to indicate reallocation, for instance, in Lands, physical planning, urban development and Environment there is a discrepancy whereby the allocation and actual expenditure were not in tandem, Youth, Sports, culture and Tourism was decreased from Ksh. 217 million to 86 million. The total proposed allocations in the ADP were way above the available resources by more than Ksh 2.3 Billion. This clearly affects project planning and management as priorities are adjusted in the course of the year.

2.2. Sector/ Sub-sector Achievements in the Previous Financial Year

2.2.1 Agriculture, livestock, veterinary & fisheries.

Table 7: Summary of Sector/ Sub-sector Programmes Crop Production

Crop Production

Programme Name: Crop production						
Objective: Increase productivity						
Outcome: Increased family income						
Sub-Programme	Key Outcomes/ Outputs	Key performance indicators	Baseline	Planned Targets	Achieved Targets	Remarks
Provision of Extension services	Increased yields	Number of farmers reached	50,000	35,000	57,569	Targets surpassed due involvement of stakeholders
Cotton development	Increased productivity and incomes	Ha under cotton	400 Ha	400 Ha	30 Ha	Targets not realised due to poor rainfall. Farmers accessed seeds through AFA but few planted due inadequate rainfall
		Increased Income/Ha	Kshs 5,000	Kshs 8,000	-	
Adoption of traditional high value crops	Increased food security	Amount of seed supplied No of farmers trained	100 MT	120 MT	29 MT	The sector revised the programme by introducing Crop Subsidy to avail tree crops.
Crop subsidy strategy	Crop diversification and increased farm incomes	Numbers of seedling accessed to farmers:	8,000	8,000	16,000	No targets set for the crop subsidy in terms of seedlings to be procured for farmers.
		Macadamia	15,000	11,000	11,000	
		Avocado	11,000	20,000	20,000	
		Banana	20,000	4,000	4,000	
		Cashewnut	4,000			
Provision of subsidized fertilizer	Increase productivity by 5%	Amount of fertilizer	5,000MT	4,000MT	280 MT	The programme is managed by the county and National government.
Promotion of banana production	Increase productivity by 10% and raise GM from 10,000 to 20,000 per Ha	Number of tissue banana use increased	4	8	4	County intervened by procuring 11,000 TC seedlings
Promotion of sunflower	Increase productivity	Increase productivity from 2 tons to 4 tons	2 ton	4 tons	4 tons	The project was not funded

Promotion of coffee production	Increased productivity per tree	Yield from 2 kg to 5 kg	2 kg	3 kg	5 kg	The county intervened by supporting milling of coffee by installing roaster. The county procured 34,000 coffee seedlings but due to poor rains none was distributed
Programme Name: Fish farming production and productivity						
Objective: Increase surface area on fish farming						
Outcome: Increased income and wealth						
Sub Programme	Key Outcomes/ outputs	Key performance indicators	Baseline	Planned Targets	Achieved Targets	Remarks
4.1 Fish farming production and productivity	164.2 Tons	%Increase in production from fish farming	160Tons	20%	6.7%	Rolled to 19/20 ADP
4.2 County Trout farm and Hatchery.	0	% increase in trout fingerlings	0	20%	0	Not supported
	0	%increase in production of table size trout	0	20%	0	Not supported
	0	% Increase in volume of ornamental fish and fish products.	2.08 Tons	4%	0	Not supported
4.3 Fish quality assurance and biosafety management	25% post- harvest losses	% reduction in post-harvest losses	30 % post-harvest losses	25%	25%	Rolled out to 19/20
4.4 Fish value addition and marketing	Ksh.1,275,600	% increase in sales of fish and fish products	Ksh.1,400,000/year	50%	91%	More ponds harvested
4.5 Fisheries resources utilization and management	0	% increase of fisheries resources mapped	36%	20%	0%	Rolled to 19/20 ADP
4.6 Financial services	400 farmers accessing	%Increase of fish farmers accessing financial services	960 farmers accessing financial services	20%	41.6%	Rolled to 19/20 ADP
4.7 Extension services	886 fish farmers	%Increase numbers of fish farmers	1500 fish farmers	20%	59%	More active ponds

Table 8: Summary of Sector/ Sub-sector Programmes Veterinary Services

Programme Name: Veterinary Services							
Objective: Increase livestock productivity and outputs; improve market access and trade; and ensure national food security							
Outcome: Reduction and eradication of livestock diseases							
Sub-Programme	Key Outcome	Key performance indicators	Baseline	Planned Target	Achieved Targets	Remarks	
				Yr 2018-2019			
3.1 Diseases and Pest Control and Surveillance	1%	% disease incidences	5%	4.5%	4.8%		
	0.1%	% tick-borne disease incidences	0.4%	0.35%	3.7%		
	0.01%	% Vector-borne disease incidences	0.1%	0.08%	0.09%		
	0.01%	% transboundary disease incidences	0.2%	0.15%	0.19%		
3.2 Veterinary Public Health	0.01%	% Reduction in zoonotic diseases incidences	0.5%	0.39%	0.42%		
3.3 Livestock upgrading/ Breeding	16 litres/day/cow 160 kgs carcass weights	% Increase in productivity	10 litres/day/cow 100 kgs carcass weights	12%	5%		
3.4 Leather Development	4%	% reduction of hides and skins rejects	15%	12%	0.14%		
3.5 Veterinary Extension services	Ksh. 10million	% reduction in economic production losses due to diseases	Ksh. 15million	14%	12%		
3.6 Clinical services	2103 disease cases	% reduction in livestock deaths	15180 disease cases	2.5%	0.7%		
3.7 Financial services and investment	Annual collection of Ksh. 4.732m	% increase in annual Revenue collection	Annual collection of Ksh. 2.6m	24%	25%		

Table 9: Summary of Sector/ Sub-sector Programmes Livestock Production

Programme Name: Livestock production						
Objective: Increase productivity						
Outcome: Increased family income						
Sub Programme	Key Outcomes/ outputs	Key performance indicators	Baseline	Planned Targets	Achieved Targets	Remarks*
2.1 Livestock output and productivity	Increased output and productivity	No of litres/ doe/day in milk production	1.5	1.6	1.7	
		Meat goat carcass weight (kg)	9	9	9	
		No of eggs/ bird/ year	60	65	66	
		Carcass weight kg/ bird	1	1	1.2	
		Kgs of honey/ hive/ quarterly	7	7	7	
		Kgs of goat milk/ year	156,000	170,000	160,000	
		No rabbits produced	30854 Rabbits	32,500 Rabbits	31500	
2.2 Animal feed and nutrition	Improved productivity	Area under fodder	1200 acres	1300 acres	1250	
		Quantity of fodder conserved	50 tons	56tons	46	Inadequate rainfall
		% increase in employment in livestock development	5%	6%	6	Increase in milk marketing centres
2.3 Market development	Increased income	Volume of marketed milk	80,000 litres daily	90,000 litres daily	85000	Affected by drought
		Milk sales due to product diversification	160M	180M	170M	
		Kg of honey processed/year	200,000kg/ yr	210,000kg/ yr	190,000	Low rainfall
2.4 Extension services	Improved capacity for farmers	Number of livestock farmers	57,600	58000	57,700	Reduced staff numbers

		No of staff housed in the office	35	35	33	
		Time taken to respond to farmers' requests	1-5days	1-5days	1-5 days	
2.5 Financial services and investments	Reduced risk	% increase in number of insured enterprises	0.1%	0.15%	0.12%	
		% increase in enterprise financing capacity/ yr	1%	1.5%	1.25%	

2.2.2 Environment and Natural resources

Table 10: Summary of Sector/ Sub-sector Programmes Environment, Natural resources

Programme: Name Forestry						
Objective: Increase tree cover %						
Outcome Improve forest cover						
Programme	Key Outcomes/ outputs	Key performance indicators	Baseline	Planned Targets	Achieved Targets	Remarks *
Greening	Increased tree cover	Number of trees planted	1804	1,000,000	5604	0.57% Achieved
Solid waste Management and control	Clean environment	Number of trucks/tractors purchased	2	12	5	41% Achieved
	Clean environment	Number of site	0	4	1	25% Achieved
	Clean environment	Number of litter bins	100	1350	141	10% Achieved
	Clean environment	Number of skips	15	200	35	18% Achieved
Policy /bill formulation	Improved coordination	Number of policy/bill	0	5	2	40% Achieved
Natural resource exploration/exploitation	Identify natural resource potential	Amount of natural resources	0	0	0	0%

2.2.3 Water and Irrigation

Programme Name: Domestic Water Supply						
Objective: Reduce distance to the nearest water point						
Outcome: Improve access to water						
Programme	Key Outcomes/ outputs	Key performance indicators	Baseline	Planned Targets	Achieved Targets	Remarks *
Chogoria water supply	Pipeline	Total Km (Length of pipeline done)	-	7km	-	The project under implementation with funding from ADB
Ura Kathangacini W/P	Storage reservoir at Kathangacini	Storage capacity increased	-	225m ³	Tank not complete	Tank testing and installation of control valves
Mukothima Kirigicha-Giichini	Pipeline extension to Thangatha	Length of pipeline extended	0km	4km	9km, 225m ³ masonry tank and 8 water kiosks	
Mutonga Gituma Water project	Pipeline extension to Makomango	Length of pipeline extended	9km	3km	0	Project not funded in 2018/19 FY
Kibung'a Kakimiki	Pipeline extension to Marimanti	Length of pipeline extended	4.1km	6km	25km to Maragwa	Project funded by WSTF 70% and CGTN-30%
Ndagani KK w/p	Pipeline extension	Length of pipeline extended		2KM	2KM	The county Gov't supplied pipes and community provided labour
Magumaoni Water Association	Storage tank construction	Total storage achieved		225m ³	0	Project not funded in 2018/19 FY
River Water Solar extraction	Extract water using solar power	No of water points established	0	10	0	Ksh. 20millions County Contribution transferred to Kenya Red Cross. the Project expected to start FY 2019/20
NIWASCO	New connections and extension	Number of connections established	-	1000	1000	For Karingani, Mugwe and Mariani Wards
County Drilling Rig	Procurement	Number procured	0	1	1	Procured and commissioned by H.E Governor
Test Pumping Unit	Procurement	Number procured	0	1	1	Procured and commissioned by H.E Governor
7 Tonnes Supporting Lorry	Procurement	Number procured	0	1	1	Procured and commissioned by H.E Governor
Mutindwa East West	Booster pipeline	Total Distance covered	-	3km	0	-The project was not budgeted 2018/19
Gitombani Gitare W/P	Pipeline Extension	Total Distance covered	-	4.5km	4.5km	County Gov't Supported Community with pipes

Gantaraki W/P	Pipeline Extension	Total Distance covered	-	3.5km	3.5km	County Gov't Supported Community with pipes
Murugi Mugumango W/P	Pipeline extension and repairs	Total Distance covered	-	1.5km	1.5km	County Gov't Supported Community with pipes
Kirumi Kiamujari W/P	Pipeline extension	Total Distance covered	-	3km	Ongoing	Funded by SIVAP
Mwithanga Water Project	Pipeline extension	Total Distance covered	1km	1km	1km	County Gov't Supported Community with pipes
Muthambi 4K	Pipeline extension	Total Distance covered	-	4km	0	The project was not budgeted
Kamwene W/P	Pipeline extension	Total Distance covered	-	10km	5km	Pipes provided for Ndumbini pipeline
Mikuu Nkumari	Pipeline extension	Total Distance covered	-	10km	0	The project was not budgeted
Umoja W/P	Pipeline extension	Total Distance covered	-	5km	5km	County Gov't Supported Community with pipes
Mugiaki Water Project	Pipeline extension	Total Distance covered	-	4km	0	The project was not budgeted
Karangare Rock catchment	Storage reservoir tanks	150m ³ Storage	0	150m ³ Storage	150m ³ Storage	Complete
AEKUMI rock catchment	Storage reservoir tanks	450m ³ Storage	0	450m ³ Storage	450m ³ Storage	Complete. There is potential for more storage
Kathita Gatunga w/p						
Repair of faulty Hand pumps	repairs	No. of hand pumps repaired	0	40	0	The programme was not budgeted
Maanyaga W/P	Pipeline construction	Km covered	8	3km	3km	Pipes supplied by the county Gov't
Mugirirwa	Pipeline construction	Km covered	6	3km	3km	Pipes supplied by the county Gov't
Kajuki	Pipeline construction	Km covered	2	2km	2	Pipes supplied
Mwienderi	Intake extension and pipeline	Construction and km covered	-	3km	Intake complete 4km pipeline	complete
Roof water harvesting in schools	Guttering and storage tanks	No. Of schools	0	15	0	The program was removed from the supplementary budget
Chiakamakama W/P	Pipeline construction	Km covered	0	5	10	The project is ongoing

Programme Name: Irrigation & drainage services						
Objective: Increase area under irrigation						
Outcome: Improve productivity						
Programme	Key Outcomes/ outputs	Key performance indicators	Baseline	Planned Targets	Achieved Targets	Remarks *
Mukui Uri Mbugi Irrigation project	Construction of Intake and pipeline	Total Km (Length of pipeline done)	-	Intake & 5km pipeline	0	Not funded FY 2018/19
Nithi Kari Nkorongo Nkobore Irrigation Project	Pipeline extension from the intake	Total Km (Length of pipeline done)	-	10km	1km laid	Requires extra funding for pipeline extension to reach farmers
Kawema Irrigation project	Extension of pipeline	Total Km (Length of pipeline done)	-	5km	1km	Pipes supplied by the County Gov't and community provided labour.
Jasho Irrigation Project	Extension of distribution pipeline	Total Km (Length of pipeline done)	Operational project	5km	5km	Pipes supplied by the County Gov't and community provided labour.
Kaare Mukami phase 2	Extension of distribution pipeline	Total Km (Length of pipeline done)	Operational project	8km	5km	Pipes supplied by the County Gov't and community provided labour.
Kinyingiri Irrigation project	Construction of SB And pipeline section	Total Km (Length of pipeline done)	0 (Intake complete)	5km	0km SB Complete	Requires extra funding for pipeline extension to reach farmers
Rukurini Irrigation Project	Construction of SB And pipeline section	Total Km (Length of pipeline done)	0 (Intake complete)	10km	0km SB ongoing	Requires extra funding for pipeline extension to reach farmers
Sisi Kwa Sisi irrigation project	Pipeline extension and laterals	Total Km (Length of pipeline done)	-	7km	4km laid	Requires extra funding for pipeline extension to reach farmers
Rubate Irrigation project	Construction of Intake and pipeline	Total Km (Length of pipeline done)	-	1km	Intake and SB Complete	Requires extra funding for pipeline
Kamonka Irr project	Pipeline extension from the intake	Total Km (Length of pipeline done)	-	1km	1km laid	Requires extra funding for pipeline extension to reach farmers
Ciakamakama Irrigation project	Survey & Design	Design document	Identification stage	Complete design document	Not done	Funds not allocated in the budget
Maragwa Irrigation project	Survey & Design	Design document	Identification stage	Complete design document	Not done	Funds not allocated in the budget

2.2.3 Health sector

Table 11: Summary of Sector/ Sub-sector Health Sector

Programme Name: Curative and Rehabilitative Services						
Objective: To improve access to quality and affordable Health care						
Outcome: Reduced morbidity and mortality from curable and manageable diseases						
Sub-Programme-Health Infrastructure	Key Outcomes/ Outputs	Key Performance Indicators	Baseline	Planned Targets	Achieved Targets	Remarks
Construction of KMTCC	Improved access to health care	Completion rate (%)	10%	20%	40%	A National Project and negotiations are going on
Construction of Ultra-modern outpatient block, Phase 2	Improved access to health care	Completion rate	10%	30%	60%	-On going (Walling to octrum Columns Casted in progress) - At 5 th floor
Erection and Completion of an oxygen plant	Improved access to health care	Completion rate	0%	100%	90%	Hammered cable to be connected to the loop box to test the plant when upgrading power to the Hospital is complete
Completion and Equipping of a kitchen at Muthambi Health Centre	Improved access to health care	Completion rate	0%	100%	85%	The boiler has been anchored to the floor screed, almost to completion
Construction of a laundry block Muthambi	Improved access to health care	Completion rate	0%	100%	85%	Ongoing, almost to completion
Construction of incinerator Muthambi	Improved access to health care	Completion rate	0%	100%	0%	Not funded
Completion and equipping of wards Muthambi	Improved access to health care	Completion rate (%)	0%	90%	0%	Not funded
Civil works (Renovations of Magutuni Hospital)	Improved access to health care	Completion rate (%)	0%	100%	0%	The scope of work changed from renovation to improvement works. The site was handed over to the contractor but no commencement of work
Civil works (Rehabilitation and maintenance) works at Kibung'a	Improved access to health care	Completion rate (%)		100%	100%	Awaits Handing over of the project to the client
Civil works (Rehabilitation and maintenance)- Marimanti Hospital	Improved access to health care	Completion rate (%)		100%	0%	The scope of work changed from renovation to construction of modern Out Patient Block which is ongoing
Construction of laundry block at Gatunga MHC	Improved access to health care	Completion rate (%)	0%	100%	0%	Not funded

Civil works (Renovation of Gatunga MHC)	Improved access to health care	Completion rate (%)	0%	100%	0%	Not funded
Construction of one Number Bed Sitter House, and 3 Number units ablution blocks at Kajuki Health Centre	Improved access to health care	Completion rate (%)	0%	100%	100%	Awaits Handing over of the project to the client
Construction of an Incinerator Kajuki Health Centre	Improved access to health care	Completion rate (%)	0%	100%	0%	Not funded
Construction of paediatrics ward (Kajuki Health Centre)	Improved access to health care	Completion rate (%)	0%	100%	0%	Not funded
Civil works (Renovation of the health Centre) Kathangacini Health Centre	Improved access to health care	Completion rate (%)	0%	100%	0%	The scope of work changed from renovation to construction of laboratory block which is at 95%
Construction of Kathwana Hospital	Improved access to health care	Completion rate (%)	0%	100%	0%	Site identified and Architectural drawings ready
Renovation of 15 existing dispensaries	Improved access to health care	Number of dispensaries Renovated	0	15	7	Rinthiga, Karuruku, Makanyang`a, Kiamuchii, Gituja, Miomponi In Progress; - Gaciongo, Kirangi, Makengi, Ikumbo, Manyanga, Iriani, Munga and Ngangani, Uturini, Mpukoni A (gate, sentry house, Closing of the Existing Gate, completion work at laundry), Mpukoni B in progress
Program name: General Administration, Planning and support services						
Procurement of 2 Ambulances	Strengthened referral services	Number of Ambulances procured	0	2	2	One for Chuka county referral Hospital and one for Tharaka Level 4
Purchase of Medical equipment	Equipped Health facilities (15)	Number of facilities equipped	0	15	15	All planned equipment's have been procured and are awaiting distribution

2.2.4 Education, Youth, Sports, Tourism, Culture and Social Services Sector

Outcome: Increase basic Education and technical training access, retention, completion and transition rate

Objective: Improve quality of basic Education and technical training in Tharaka Nithi County

Table 12: Summary of Sector/ Sub-sector Basic Education and Technical Training

Sub Programme	Key outcomes/Outputs	Key Performance Indicators	Baseline	Planned Targets	Achieved Targets	Remarks
Vocational Training	Improved Access to Vocation Education	Number enrolled enrolment in YPs	1340	900	1200	An increase in enrolment
	Improved Access to Vocation Education	Increase no. trainees graduating from YPs	300	400	600	An increase in number of trainees graduating
	Improved Access to Vocation Education	No. of youth equipped with requisite skills	400	500	600	
Home craft centers	Improved Access to Vocation Education	No. of trainees acquiring apprenticeship skills from home craft centres	Nil	2	0	To roll out within the implementation plan
Promotion of Basic Education (ECDE)	Improved Access to Basic Education	Teacher: pupil ratio	1:48	1:45	1:30	A reduction in teacher to pupil ratio
	Improved Access to Basic Education	Class: pupil ratio	1:48	1:45	1:43	Improvement in pupil to classroom ratio
	Improved Access to Basic Education	Book: child ratio	1:10	1:1	1:5	Needs improvement
	Improved Access to Basic Education	Net enrolment rate in ECDE	60%	70%	75%	An overall increase in net enrolment
	Improved Access to Basic Education	Transition rate	75%	80%	85%	Need to put effort

Sports Development

Objective: Promoting sport talents in Tharaka Nithi County

Outcome: Enhancing sport talents in Tharaka Nithi County

Sub Programme	Key outcomes/outputs	Key Performance Indicators	Baseline	Planned Targets	Achieved Targets	Remarks
Promotion of Sports	No of stadiums improved	Increase in number of sports stadiums	4	4	4	Target met
	Number of youths accessing sports funds	% Increase in number of youth assessing sport funds	300	1000	500	average
	Number of youths	% Increase in number of youth sponsored for county sports events	300	400	500	Surpassed target
	Number of sports equipment	Provision of assorted sports equipment to the clubs in the county	200	400	500	target met

Programme 3: Culture, Arts and Social Services

Objective: Promoting Cultural Heritage in Tharaka Nithi County

Outcome: Harnessing and enhancing full potential of the people's cultural heritage of Tharaka Nithi county

Sub Programme	Key outcomes/outputs	Key performance indicators	Baseline	Planned Targets	Achieved Targets	Remarks
Promotion of Culture ,arts and social protection	Number of centres	%Increase in number of cultural centres in the county	1	4	1	below target
	Promotion of cultural activities	% Increase in number of people accessing cultural funds for community cultural festivals from the county	200	3000	2000	average
	Social protection and improved welfare of vulnerable groups	% Increase in number of rescue centres for children accessing care and protection services	2	1	NIL	The 2 existing rescue centres are privately owned, the County endeavours to have a County owned facility.
Jiinue programme	Improved welfare of PLWDs	No of assistive devices for PLWDs	100	500	100	average
	Increased school attendance among girls	No of girls benefiting from sanitary towels	3000	2000	3000	target met

Programme: Tourism development, diversification and Promotion						
Objective: Increase number of tourist arrivals						
Outcome: Increased County Revenue						
Sub Programme	Key Outcomes/ outputs	Key performance indicators	Baseline	Planned Targets	Achieved Targets	Remarks
Tourism development and diversification	Increase in number of tourists arrivals	Number of arrivals	700	1200	500	Need more marketing of tourist sites
Tourism promotion and marketing	Increase in number of tourists arrivals	Number of arrivals	700	1200	500	Need more marketing of tourist sites

2.2.5 General Economics and Commercial Affairs Sector

Programme: Promotion of Trade and Investment in the county						
Objective: Prosperous trade						
Outcome: Improve trade profits and increase revenue						
Programme	Key Outcomes/ outputs	Key performance indicators	Baseline	Planned Targets	Achieved Targets	Remarks *
JLB revolving fund	12500 loanees	Number of beneficiaries	118 loanees	12,500 loanees	0	Funds not released Lack of proper legal mechanism
Calibration equipment	Number of equipment's procured	%ge Increase in revenue	2 sets	All working standards	2	Funds not released
County investment cooperation	Corporation established	Legal framework established	1	1	1	Funds not released Lack of proper legal mechanism

2.2.6 Roads, Transport and Infrastructure Sector

Table 13 Summary of Sector/ Sub-sector Roads, Transport and Infrastructure

Programme 1: Road construction, Maintenance and Rehabilitation						
Objective: Boost trade and connectivity						
Outcome: Reduce time taken by traders to access trading centers from “hrs” to less than an hour						
Sub -Programme	Key Outcomes/ outputs	Key performance indicators	Baseline	Planned Targets	Achieved Targets	Remarks *
Maintenance and improvement of earth and gravel roads	Kilometers of roads maintained – grading and gravelling	Increase in the number of classified roads in kilometers	600km of road are classified	500km	500km	Ongoing
Construction of new tarmac roads	Kilometers of tarmac roads constructed and purchased equipment	Number kilometers tarmacked in the county	10km of roads targeted are now tarmacked	10km	10km	Ongoing
Purchase of heavy earth moving equipment	Purchase machinery to supplement maintenance of county roads by contractors	Purchase of heavy-duty equipment	0	1	6	Ongoing
Programme 2: Construction of bridges, footbridges, drifts and culverts						
Objective: To enhance and streamline information management and service delivery						
Outcome: Effective and efficient information management and service delivery						
Construction of bridges, footbridges, drifts and culverts	Percentage of construction completed	Number of bridges built	5	5	10	Completed
Construction of County Headquarters	Completed construction of county headquarters, ready for occupation	Number of buildings completed	100%	100%	80%	Ongoing

2.2.7 Land Physical Planning & Urban Development Sector

Programme Name: Physical planning						
Objective: To have controlled development						
Outcome: Well-planned markets						
Programme	Key Outcomes/ outputs	Key performance indicators	Baseline	Planned Targets	Achieved Targets	Remarks *
Physical Planning of Small markets	Number of small markets planned	Number	0	All small markets	0	Funds were not released
County spatial planning services						
Development Control and enforcement						
Market development						

2.2.8 Energy and ICT Sector

Table 14 : Summary of Sector/ Sub-sector programmes Energy and ICT

Programme 1: Integrated ICT infrastructure and Equipment						
Objective: Increase the utilization and harnessing of ICT in the county						
Outcome: Modern and reliable network infrastructure and equipment						
Sub -Programme	Key Outcomes/ outputs	Key performance indicators	Baseline	Planned Targets	Achieved Targets	Remarks *
ICT Network and Internet Infrastructure (Phase 1)	ICT modern network Infrastructure; LAN setup, Network cabling, internet, WAN etc.	-% of County offices and sub-counties provided with ICT modern network Infrastructure	-	100%	70%	LAN setup at the Governor's office building, provision of voice and data, LAN setup at the county headquarter offices. Setting up of a central server room at the county headquarters.
Modern ICT equipment	Modern ICT equipment; Power backup system (Inverters to connect ICT equipment), servers, firewalls, routers, switches etc.	Number of modern ICT equipment in place	-	100%	70%	Purchase of laptops for all CEC's, CO's and users in other departments. Purchase of high end networking equipment
Programme 2: Integrated County Management Systems						
Objective: To enhance and streamline information management and service delivery						
Outcome: Effective and efficient information management and service delivery						
Integrated Health Management Systems (IHMS) (PHASE II)	100%	% of health facilities using IHMS	-	100%	100%	Automation of hospital administrative functions at Magutuni and Marimanti Hospital. Integration of Chuka, Marimanti
Programme 3: General ICT administration planning and support services						
Objective: Provide planning and support services and county government capacity development						
Outcome: Better services, skilled labour and excellent working capacity						
Policy regulation	County ICT Standards and Policies developed and implemented	No. of County Energy & ICT Standards and Policies developed and Implemented	-	2 ICT Standards	60%	Development of a draft ICT policy document

Programme 4: Alternative and renewable sources of energy Objective: To enhance and promote use of low cost, clean, efficient and effective energy Outcome: Increase in use of Alternative and renewable by 50%						
Alternative and renewable sources of energy	50%	% increase in use of Alternative and renewable energy 10	-	Increase use of Alternative and renewable energy by 50%		Use of solar powered street lights
Program 5: Grid Electricity Objective: To enhance electricity connectivity and access in the county Objective: To enhance electricity connectivity and access in the county						
Grid electricity	80%	Number of to the households and Public facilities such as schools, health facilities and industries connected to grid	-	80% connection		Ongoing with hole digging, erection of poles, dressing, stringing, transformers installed and commissioning scheduled

2.3 Analysis of Capital and Non-capital projects of the 2018/19 FY

2.3.1 Agriculture, livestock, Veterinary and fisheries

Table 15: Performance of Capital and Non-capital Projects for Crop production for the 2018/19 FY

Project Name/ Location	Objective/ Purpose	Output	Performance Indicators	Status (based on the indicators)	Planned Cost (Ksh.)	Actual Cost (Ksh.)	Source of funds
Capital Projects							
Construction of Itugururu Agricultural Institute (ATI)	Enhanced provision of extension services	Increased farm productivity	Operational ATI	On going	100 M	58 M	County
Construction of Mukothima grain storage facility	Enhanced post-harvest management and increased farm incomes	Reduction of post-harvest loses	Operational store	Project complete	50 M	53 M	County
Procurement of farm inputs	Increased productivity	Food security	Assorted farm inputs	On going	25 M	24 M	County
Non-Capital projects							
Provision of extension services	Increased production	Food security	Number of farmers reached	57,569 farmers	7.3 M	7.M	TNCG

Table 16: Performance of Capital and Non-Capital Projects for Fisheries production for the 2018/19 FY

Project Name/ Location	Objective/ Purpose	Output	Performance Indicators	Status (based on the indicators)	Planned Cost (Ksh.)	Actual Cost (Ksh.)	Source of funds
Capital Projects							
Integrated warm water fish farm/Mutonga primary school	To develop a model warm water fish farm for demonstration, training and research	A model warm water fish farm	Operational demonstration, training and research facilities	Not funded	20 M	00	Partnership between KMFRI and TNCGG
Fish farming production and productivity/county wide	Increase fish and fish products production and productivity	100 fish ponds	Number of fish ponds constructed	Not funded	5.4M	00	TNCGG

Non-capital projects							
Purchase of pond liners county wide	To reduce loss of water in porous soils	100	Number of ponds lined	Not funded	4,500,000	000	CGTN
Construction of ponds county wide	To increase surface area fish farming under	100	Number of ponds constructed	Not funded	5,000,000	000	CGTN
Establish and equipping of hatcheries at Chuka, Maara and Tharaka	To enhance accessibility to affordable and quality fingerlings	3hatcherie	No of operational hatcheries	Not funded	2,500,000	000	CGTN
Fish pellet extruders and mixers for fish farm/chukka and Kinondoni	Facilitate fish feeds formulation and production	2 production plants	Quality fish pellets produced	Not funded	1,200,00	000	CGTN
Provision of assorted fish inspection gears and equipment	To enhance fisheries products quality and biosafety standards	Inspection gears for 5 sub counties	Inspection gears purchased	Not funded	200,000	000	TNCGG
Fish feed and fingerlings certification	To enhance fisheries products quality and biosafety standards	4 registered hatcheries inspected quarterly	Hatcheries inspected	Not funded	100,000	000	TNCGG
Fishing gears (siene nets, gill nets, happa nets and scoop nets)	To improve fish handling practices	40 assorted fishing nets	Fishing gears purchased	Not funded	2,300,000	000	TNCGG
Issuance of Compliance permits	To enforce compliance to fisheries rules and regulation	Issue all licenses and permits	License and permit holders	Not funded	100,000	000	TNCGG
Purchase of motorcycles	To strengthen extension work	Purchase 6 motor bikes	Motor bikes provided	Not funded	2,000,000	00	TNCGG
Capacity building aid materials, equipment for demo cookerries and Fields days	To enhance fisheries products quality and biosafety standards	6 training and 6field days	Trainings and field days conducted	Not funded	1,500,000	00	TNCGG

Development and rehabilitation of the County Trout Farm Office/ Maara	To operationalize the county Trout farm	Complete and operational trout farm	Trout fish Production and productivity	Not funded	1,000,000	000	TNCGG
Establishment of Aquakiosks /Chuka, Kibugua, Itugururu, Kinondoni, Marima, Ruungu, Gatunga and Marimanti	To enhance fish and fish products marketing and value chain development	8 aqua kiosks	Aquakiosks constructed	Not funded	3,200,000	000	TNCGG
Communication and Visibility / Countywide	To establish fisheries data base	1 fisheries information data base	Information shared	Not funded	320,000	000	TNCGG
Assembling and/or printing of visibility materials /Countywide	To Assemble and/or print visibility materials	1000 print materials per sub county	Number of print materials produced	Not funded	400,000	000	TNCGG
Lifeline programming and media communication /Countywide	To promote fisheries publicity and awareness	8 audio/visual media sessions	Number of people reached	Not funded	480,000	000	TNCGG

Table 17: Performance of Capital and Non-capital projects for livestock production for 2018/19 FY

Project Name/ Location	Objective/ Purpose	Output	Performance Indicators	Status (based on the indicators)	Planned Cost (Kshs.)	Actual Cost (Kshs.)	Source of funds
Support to Dairy industry	Increased dairy income	Procurement of Animal feed processing ingredients distribution	Ingredients procured	completed	10M	9,999,997	TNCGG
Supply of Milk ATM Vending Machine for Gankumbu dairy Self-help group	Increased productivity	Supply of Milk ATM Vending Machine for Gankumbu dairy Self-help group	Milk ATM Machine	Completed	1M	810,000	TNCGG
Works at Mugumango dairy Chiakanyinga Market	Increased productivity	Works at Mugumango dairy Chiakanyinga Market	Percentage completion of works	On-going	1M	999,954	TNCGG

Dairy Infrastructure Support at Chuka Livestock- Karingani Ward	Increased productivity	Dairy Infrastructure Support at Chuka Livestock- Karingani Ward	No of infrastructure	On-going	1M	944,800	TNCGG
Infrastructure materials for Gankumbu dairy - Karingani Ward	Increased productivity		Amount of infrastructure materials	completed	2M	1,999,880	TNCGG
Renovation works on building at Murimi /Rubate Dairy Cooling)-	Increased income	Renovation works	Renovation works	Completed		1,267,800	TNCGG

Table 18: Performance of Capital and Non-Capital Projects for veterinary services for 2018-2019 FY

Project Name/ Location	Objective/ Purpose	Output	Performance indicators	Status (based on the indicators)	Planned Cost (Ksh.)	Actual Cost (Ksh.)	Source of funds
Capital projects							
County Subsidized Artificial Insemination Service	Upgrade Livestock	County Artificial Insemination Station/Centre and sub-stations	Increased Livestock Productivity	All A.I. materials and Equipment already procured	20M	19,897,319	TNCGG
Veterinary laboratory	Improve Clinical Service Delivery	County veterinary laboratory	Reduced Livestock deaths	-Diagnosis is usually tentative in the County -Collected Samples sent to Vet laboratories in other counties	18M	9M	TNCGG
Non-Capital projects							
Mass Livestock Vaccination	Reduce Livestock disease	Vaccinated 4,292Dogs, 410 cats, 5 donkeys 29,080 cattle 16,320 goats and 4,047 sheep	Health livestock in the county	65% health livestock	4M	2.9M	TNCGG
Clinical Services	Reduce Livestock death	1,254 cases	Few livestock deaths	13,328 disease cases handled	-	1M	Farmers
Artificial Insemination Service	Upgrade livestock	Supervised 28 Private AI providers	Increased livestock productivity	8,564 A.I. Services	-	-	TNCGG

Veterinary Public Health	Improve meat hygiene and control Zoonotic diseases	Inspected a total of 5528 cattle, 24466 goats, 8155 sheep and 3302 Pigs carcasses in 46 Slaughterhouses/slabs	Reduced zoonotic diseases incidences	Inspected a total of 5528 cattle, 24466 goats, 8155 sheep and 3302 Pigs carcasses in 46 Slaughterhouses/slabs	-	-	TNCGG
Revenue Collection	Generate funds	Generate ksh.1.8M as revenue	Ksh. 1.8M Collected and banked	Ksh. 3.194M collected and banked	-	-	TNCGG

2.3.2 Environment, Natural Resources, Water & Irrigation

Table 19: Performance of Capital and Non-Capital projects for Environment for the 2018-2019 FY

Project Name/ Location	Objective/ Purpose	Output	Performance Indicators	Status (based on the indicators)	Planned Cost (Ksh.)	Actual Cost (Ksh.)	Source of funds
Purchase and distribution of collection skips Purchase and distribution of litter bins	To make work easier for collection and transportation of solid waste thus clean and healthy environment	Address solid waste hierarchy elements of source, reduction, reuse and recovery,	Number of collection skips Number of litter bins purchased	New New	7,000,000	6,972,000	EXCHEQUER (County Own revenue/Share of National Revenue)
Greening programme – Chuka town, Chogoria town, Marimanti town, Tunyai market and Kathangacini market	Rehabilitation of roadside/urban areas conservation and protection of roadside environment thus increase tree cover %	Urban /market centres beautification and landscaping	Number of Trees planted	New	8,900,000	8,680,000	EXCHEQUER (County Own revenue/Share of National Revenue)

Non-Capital Projects							
Roofing of the solid waste sorting site	To prevent waste from damages /water leakages and also prevent waste management problems	Well managed waste at the site	Roofed site	New	2,100,000	2,005,246	EXCHEQUER (County Own revenue/Share of National Revenue)
Earth works dumpsite	To control solid waste management	Addressed solid waste management and control	% in reduction of solid waste disposal	New	1,700,000	1,490,000	EXCHEQUER (County Own revenue/Share of National Revenue)

Table 20: Performance of Capital and Non-Capital projects for Irrigation for 2018-2019 FY

Project Name/ Location	Objective/ Purpose	Output	Performance Indicators	Status (based on the indicators)	Planned Cost (Ksh. in M)	Actual Cost (Ksh.in M)	Source of funds
Capital Projects							
Mukui Uri Mbugi	Intake construction & 5Km Pipeline	Structures constructed	Intake & Km of Pipeline	Nil	7,000,000	0	CG-TNCG
Nkarini Kaguma Irrigation Project	Pipeline construction	No of km laid	Pipes laid	On-going	4,000,000		CG-TNCG
Kavando Irrigation Project	Pipeline construction	Pipes laid	Pipes laid	On-going	5,000,000		CG-TNCG
Rubate Irrigation Project	Pipeline construction	Pipes laid	Pipes laid	On-going	5,000,000		CG-TNCG
Non-Capital projects							
Maanyaga Irrigation	Pipeline construction	Pipes laid	Pipes laid	On-going	2,000,000		CG-TNCG
Nkorongo Nkobole Irrigation project	Pipeline construction	Pipes laid	Pipes laid	On-going	2,500,000		CG-TNCG
Nithi Kari Irrigation project	Pipeline construction	Pipes laid	Pipes laid	On-going	2,500,000		CG-TNCG
Kinyigiri Irrigation project	Pipeline construction	Pipes laid	Pipes laid	On-going	2,000,000		CG-TNCG
Ngongoaka – Ntoroni Irrigation project	Pipeline construction	Pipes laid	Pipes laid	On-going	3,000,000		CG-TNCG
Kiaga Irrigation project	Intake construction	Structures constructed	Intake & Km of Pipeline	On-going	3,000,000		CG-TNCG

Table 21: Performance of capital and Non Capital projects for Water and Irrigation for 2018-2019 FY

S/No	Project Name/ Location	Objective/ Purpose	Output	Performance Indicators	Status (based on the indicators)	Planned Cost (Ksh.)	Actual Cost (Ksh.)	Source of funds
1.	TNC-Drilling Equipment	Procurement	-Drilling Rig -TPU -Support truck	No. procured	1 set	57,000,000	57,023,288	TNCG
2.	Nithi Kari – Nkorongo Nkobore	Pipeline extension	3km	Extension distance	Ongoing	5,000,000	4,936,500	TNCG
3.	Rubate water project	Intake construction	1	Complete Intake	Intake complete	5,000,000	4,975,047	TNCG
4.	Mukothima – Kirigicha Gichini	Ongoing (225 C.M Tank & 8 Water kiosks)	1 tank, 8 kiosks	Complete tank and kiosk	Complete	5,000,000	4,931,470	TNCG
5.	AEKUMI rock catchment	Guttering and storage tanks	450m ³	Storage capacity	Construction is Ongoing	3,000,000	7,400,000	TNCG/ KCSAP
6.	Solar Water Pumping	Solar water pumping from R. Tana	5	Areas covered	Survey and design ongoing	20,000,000	20,000,000	TNCG/ Red Cross
7.	Kibung'a Kakimiki Water project	Extension to Maragwa	25km	Extension distance	ongoing	35m	35m	TNCG/ WSTF
8.	Kathwana Water Project	Construction of treatment plant	1	Complete T- Works (3000M ³ /day)	Ongoing	42M	37M	TNCG/ WSTF

Table 22: Performance of Non-capital Projects for the previous ADP Water and Irrigation

S/No	Project Name/ Location	Objective/ Purpose	Output	Performance Indicators	Status (based on the indicators)	Planned Cost (Ksh.)	Actual Cost (Ksh.)	Source of funds
1.	Kajuki water project	Pipeline extension	2km	Extension distance	Delivered	3,000,000	2,986,750	TNCG
2.	Mugirirwa water project	Pipeline extension	3km	Extension distance	Delivered	2,000,000	1,999,604	TNCG
3.	Umoja water project	Pipeline extension	2km	Extension distance	Delivered	2,000,000	1,970,442	TNCG
4.	Mwithanga water project	Pipeline extension	2km	Extension distance	Delivered	2,000,000	1,936,260	TNCG
5.	Mukami water project	Pipeline extension	1km	Extension distance	Delivered	2,000,000	1,999,200	TNCG
6.	Gitombani water project	Pipeline extension	3km	Extension distance	Delivered	2,000,000	1,993,180	TNCG
7.	Kamonka water project	Pipeline extension	3km	Extension distance	Complete	3,000,000	2,983,330	TNCG
8.	Mwenderi water project	Intake and pipeline extension	1	Complete intake	Complete	3,000,000	2,998,279	TNCG
9.	Ndagani water project	Pipeline extension	3km	Extension distance	Delivered	2,000,000	1,997,996	TNCG
10.	Rukurini Kereria Irrigation	Construction of SB & Intake rehabilitation	1	Complete SB & Intake	Ongoing	3,000,000	2,900,037	TNCG
11.	Kinyigiri Irrigation	Construction of SB	1	Complete SB	Complete	2,000,000	1,983,350	TNCG
12.	Development of three springs	Spring protection	3	No. of springs protected	Complete	2,000,000	1,979,763	TNCG
13.	Rehabilitation of Jasho w/p pipeline	Rehabilitation of pipeline	rehabilitation	Extension distance	Delivered	3,000,000	2,346,400	Ongoing
14.	Manyaga water project	Pipeline extension	2km	Extension distance	Delivered	2,000,000	1,999,210	TNCG
15.	Sisi Kwa Sisi Irrigation Project	Pipeline extension	4km	Extension distance	Delivered	2,000,000	1,988,200	TNCG
16.	Karangare rock catchment	Guttering and storage tanks	150m ³	Storage capacity	Ongoing	3,000,000	2,999,645	TNCG

2.3.3 Health Sector

Table 23: Performance of Capital and Non-capital projects for Health sector for 2018-2019 FY

Project Name/ Location	Objective/ Purpose	Output	Performance Indicators	Status (based on the indicators)	Planned Cost (Ksh. In Millions)	Actual Cost (Ksh.)	Source of funds
Capital projects							
Construction of KMTC	Increased access to basic Health care services	Construction works	Completion rate (%)	40%	10	12,540,038	County Government
Construction of Ultra- modern outpatient block, Phase 2	Increased access to basic Health care services	Construction works	Completion rate	60%	119	101,831,789. 8	County Government
Erection and Completion of an oxygen plant	Increased access to specialized health care services	Construction works	Completion rate	90%	13	11,869,764	County Government
Renovation of 15 existing dispensaries	Increased access to basic Health care services	Renovation works	Number of dispensaries Renovated	7	42	37,036,033	County Government
Procurement of 2 Ambulances	Increased access to basic and some specialized health care services	Ambulances procured	Number of Ambulances procured	2	20	19,937,100	County Government
Purchase of Medical equipment	Increased access to essential Health Commodities	Medical equipment procured	Number of facilities equipped	15	12		County Government
Non-Capital Projects							
Civil works (Renovation of the health Centre) Kathangacini Health Centre	Increased access to basic Health care services	Renovated health centre	Completion rate (%)	0%	3.5	3,494,440	County Government
Construction of one Number Bed Sitter House, and 3 Number units ablution blocks at Kajuki Health Centre	Increased access to basic Health care services	Construction works	Completion rate (%)	100%	1.7	2,137,088.9	County Government

Civil works (Rehabilitation and maintenance) works at Kibung' a	Increased access to basic Health care services	Renovation works	Completion rate (%)	100%	5	4,954,000	County Government
Completion and Equipping of a kitchen at Muthambi Health Centre	Increased access to basic Health care services	Construction works	Completion rate	85%	4.5	4,473,581	County Government
Construction of a laundry block Muthambi	Increased access to basic Health care services	Construction works	Completion rate	85%			County Government

2.3.4 Education, Youth, Sports, Tourism, Culture & Social Services

Table 24: Performance of capital and Non-capital projects for Education, Youth, Sports & Social services

Project Name/ Location	Objective/ Purpose	Output	Performance Indicators	Status (based on the indicators)	Planned Cost(Kshs.)	Actual Cost Kshs.)	Source of funds
Youth Training and Capacity Building	Improved Access to Vocation Education	21 YPs Refurbished and rehabilitated	No of YPs rehabilitated	Nil	10 million	0	CG
Basic Education (ECDE)	Improve quality of basic Education	Construction of ECDE classrooms	No. of classes constructed	75 Classes	60 million	30Million	CG
Promotion of Culture ,arts and social protection	To promote artistic talents, Social cohesion and preservation of culture and heritage	social hall	No. of social hall	1	17M		CG
Promotion of Sports promotion of tourism	Improved facilities	upgrading and rehabilitation of stadiums erection of gantries	NO. of stadiums no of gantries	3	45 Million	37million	CG
Non-Capital Projects							
Youth Training and capacity building	Improved Access to	21 YPs equipped with training ,materials	No of equipment purchased	County polytechnics	3 Million	3.5 Million	CG

	Vocation Education			poorly equipped			
Tourism promotion	To promote tourism across the county	Diverse and unique product developed	2 tourism market established	Complete but not operational	5.5M	3.5M	CG
Basic education (ECDEE)	Improve quality of basics education	Provision of	No. of classes constructed materials	ECDE Lack teaching	3 million	0	CG
Promotion of Culture ,arts and social protection	Support to girl child	Provided sanitary towels materials	No. of girls supported	Inadequate sanitary materials	2M	2M	CG
Promotion of sports	Improved access to sports goods and equipment	Diverse materials	No. of equipment issued to clubs	Sporting clubs issued with sporting materials	1.5m	1.5m	CG

2.3.5 General Economics & Commercial Affairs

Project Name/ Location	Objective/ Purpose	Output	Performance Indicators	Status (based on the indicators)	Planned Cost (Ksh.)	Actual Cost (Ksh.)	Source of funds
JLB Revolving funds	Subsidized loans/ promote SMEs	0	Number of loanees/ amount disbursed	0	50M	-	TNCGG
County investment cooperation	Promote SMES	1	Formation of cooperation	1	30M	-	TNCGG
Market construction	%ge Increase in revenue		Number of markets constructed	-	10M	-	TNCGG

2.3.6 Roads, Transport & Infrastructure

Table 25: Performance of capital and Non-capital projects for Roads, Transport & Infrastructure

Project Name/ Location	Objective/ Purpose	Output	Performance Indicators	Status (based on the indicators)	Planned Cost (Ksh.) millions	Actual Cost (Ksh.) millions	Source of funds
Kaanwa Mitheru Rd (Tarmacking, Completion)	Boost trade and connectivity	Tarmac	Upgrading of earth and gravel roads to bitumen standards	Ongoing	97,000,000	97,000,000	CGTN

Chogoria Town (Tarmacking)	Boost trade and connectivity	Tarmac	Upgrading of earth and gravel roads to bitumen standards	Ongoing	75,000,000	75,000,000	CGTN
Kibugua (Tarmacking)	Boost trade and connectivity	Tarmac	Upgrading of earth and gravel roads to bitumen standards	Ongoing	40,300,000	40,300,000	CGTN
Kambandi-Chera-Ruguti Rd (Tarmacking)	Boost trade and connectivity	Tarmac	Upgrading of earth and gravel roads to bitumen standards	Ongoing	100,000,000	100,000,000	CGTN
Tunyai - Nthaara - Marimanti Rd (Tarmacking)	Boost trade and connectivity	Tarmac	Upgrading of earth and gravel roads to bitumen standards	Ongoing	100,000,000	100,000,000	CGTN
Road Equipment [Excavator, Grader, Tipper (2) and Roller]	Boost trade and connectivity	Purchased equipment	Number of purchased equipment	Ongoing	105,000,000	105,000,000	CGTN
Mukothima – Kirigicha Road 10km	Boost trade and connectivity	Graded and graveled road	Number of kilometers graded and graveled	Ongoing	7,000,000	7,000,000	RMFL
Chiakariga- Kaunguni-Kamanyaki 10km	Boost trade and connectivity	Graded and graveled road	Number of kilometers graded and graveled	Ongoing	7,500,000	7,500,000	RMFL
KwaNg'ombe Nkondi 15km	Boost trade and connectivity	Graded and graveled road	Number of kilometers graded and graveled	Ongoing	7,000,000	7,000,000	RMFL
Kiegumo- Nkumbato-Kamaindi- Irimba Roads 8km	Boost trade and connectivity	Graded and graveled road	Number of kilometers graded and graveled	Ongoing	7,000,000	7,000,000	RMFL
Kanyamweni-Gantamathina Maara-Chief Mbogori- Mugijo-Giakiri 8km	Boost trade and connectivity	Graded and graveled road	Number of kilometers graded and graveled	Ongoing	7,000,000	7,000,000	RMFL
Kiairugu-Kiurani- Maitini-Kanini 6km	Boost trade and connectivity	Graded and graveled road	Number of kilometers graded and graveled	Ongoing	6,000,000	6,000,000	RMFL
Mitheru- Giampampo-Gaketha-Kamachuku 10km	Boost trade and connectivity	Graded and graveled road	Number of kilometers graded and graveled	Ongoing	7,000,000	7,000,000	RMFL
Marima- Muthiru- Iriga 6km	Boost trade and connectivity	Graded and graveled road	Number of kilometers graded and graveled	Ongoing	7,000,000	7,000,000	RMFL
Mbiruni –Chiakanyinga-Kajianthatu 8km	Boost trade and connectivity	Graded and graveled road	Number of kilometers graded and graveled	Ongoing	7,000,000	7,000,000	RMFL
Ndiunu- Gacereni- Nthwa-Kiamurukima 15km	Boost trade and connectivity	Graded and graveled road	Number of kilometers graded and graveled	Ongoing	8,000,000	8,000,000	RMFL

KwaNdami- Kathathani-Nturia- Kianjogu 6km	Boost trade and connectivity	Graded and graveled road	Number of kilometers graded and graveled	Ongoing	7,000,000	7,000,000	RMFL
Kigogo- Kiracha-Gitogoto through Kiamuriuki 8km	Boost trade and connectivity	Graded and graveled road	Number of kilometers graded and graveled	Ongoing	7,000,000	7,000,000	RMFL
Kahawa – Gachiankure – Ndogo – Njaina Secondary 8km	Boost trade and connectivity	Graded and graveled road	Number of kilometers graded and graveled	Ongoing	7,000,000	7,000,000	RMFL
Kandigi-Kamatanka-Kariani-Makomora-Thaaria-Kiaritha Road	Boost trade and connectivity	Graded and graveled road	Number of kilometers graded and graveled	Ongoing	3,500,000	3,500,000	RMFL
Maintenance of Access Roads	Boost trade and connectivity	Graded and graveled road	Number of kilometers graded and graveled	Ongoing	93,300,000	93,300,000	CGTN
Maintenance of Access Roads - KRB	Boost trade and connectivity	Graded and graveled road	Number of kilometers graded and graveled	Ongoing	32,200,000	32,200,000	KRB
Other Civil Works - Governor's Office	Approved buildings and commercial construction sites in the county	Approved buildings and commercial construction sites in the county	Constructed buildings	Ongoing	32,500,000	32,500,000	CGTN

2.3.7 Energy & ICT

Project Name/ Location	Objective/ Purpose	Output	Performance Indicators	Status (based on the indicators)	Planned Cost (Ksh millions.)	Actual Cost (Ksh. Millions)	Source of funds
Fiber extension To county HQ	To enable efficient access to internet services	Fiber optic	% of connection achieved	Complete	-	-	TNCG/GoK
LAN installation County HQ	Efficient access to internet services	LAN Installed	Number(proportional) Offices connected	Complete	-	-	TNCG
LAN Installation Chuka, Chogoria, Marimanti, Gatunga, Igamba ngo'mbe	Efficient access to internet services	LAN Installed	Number(proportional) Offices connected	Complete	-	-	TNCG
Hospital Queueing System	Organized queues at the hospitals, Improved staff efficiency			Ongoing	2	2	TNCG

	Provision of Analytics						
County Website	Easy access to information by the public	website	Level (%) of website developed	Complete	-	-	TNCG
LAN installation office of the Governor	Efficient access to internet services	LAN installed	Level of installation process	Complete	-	-	TNCG
Data Server	Safe data storage and access	Data server	Server machine purchased	Complete	-	-	TNCG
Bus Park Automation System	Improved of orderliness and parking control, reduce handling of cash, provide bus park reports						TNCG
Hospital Management Information System	Better Revenue management, Proper inventory management, Accurate reporting	Improved patient management	% of health facilities using IHMS	Ongoing	15	15	TNCG

2.4 Payments of Grants, Benefits and Subsidies

This section provides information on total payments done by the county government.

Table 26: Payments of Grants, Benefits and Subsidies

Type of payment (e.g. Education bursary, Biashara fund etc.)	Amount (Kshs.)	Beneficiary	Purpose	Remarks
DANIDA fund	12,352,500	12,352,500	Level 2 and 3 facilities for operational costs	Fully Paid
THS-UHC	22,500,000	17,451,239.59	RMNCAH	All the Monies was not disbursed for the financial year 2018/2019
Subsidized Youth polytechnic grants	68M	Youth	Increase no. of trainees accessing vocational training	
Bursaries	30 million	Students	School students	Disbursement was done haphazardly

2.5 Challenges experienced during implementation of the previous ADP

There are various challenges encountered during the implementation of the ADP including:

- ◆ There were Projects implemented outside the ADP
- ◆ Delayed release of funds by the national government
- ◆ Incompleteness of data for evaluation from the departments
- ◆ Inadequate resource mobilization framework to boost development
- ◆ Inadequate skilled manpower and technical staff
- ◆ Inadequate mobility for technical staff
- ◆ Poor marketing linkages
- ◆ Inadequate field tools and equipment
- ◆ Inadequate office space and equipment
- ◆ Stakeholders' forums' respondents indicated a need for stronger partnership with citizens comprising of interest groups (youth and gender-based), PLWDs groups and civil society organizations & networks
- ◆ Inadequate continuous monitoring and evaluation of project
- ◆ No proper citizen feedback mechanisms
- ◆ Information systems remain weak
- ◆ The availability and use of information for decision making remains a challenge.
- ◆ Unreliable rainfall leading to crop failure

2.6 Lessons learnt and recommendations

There is need for the county to build technical and management capacity on the areas of governance, planning, public finance management, human resources and technical abilities especially on service quality. This initiative should be coordinated with PSB's technical and management capacity development approaches to ensure harmony.

In project initiation and implementation process, there should be a feasibility study to create baseline data and depict the viability of the projects. To develop data driven management in the county, capacity building should be carried out: the county should train and mentor county officers on data entry to strengthen data analysis and use capacity at ward, sub-county and county level facilities. County's internal project databases should be strengthened and automated to produce management and technical reports for data driven decision-making.

There is need for the County to continue paying attention to public involvement and citizen participation as key stakeholders in planning, implementation and evaluation of the development projects and programs. More so, the county should strengthen mechanisms to develop peer exchanges of information and lessons learned across the PPPs.

It is essential that projects be clearly stipulated in the ADP as aligned to the County Integrated Development Plan, County Sectorial Plans, County Spatial Plan; and City and Urban Areas Plan (City or Municipal Plans). These county plans (section 107 (2)) “shall be the basis for all the budgeting and planning in a county”. More so, to build consensus on the implementation, monitoring and evaluation of the development plans; it is recommended that the departmental directorates and other county entities be equipped on monitoring of PPIs. This entails on-going regular collection of data and information during the implementation of PPIs. The monitoring report will improve the accuracy of analysis of completion level and cost analysis. This report urges the county to mobilize funds besides National Government allocation to be able to improve on the projects’ completion level.

For the next planning period, there is need for internal strengthening of management of resources and M&E systems. Monitoring and evaluation of service delivery should be given keen attention in the county to be able to capture the progress as program activities are being carried out. This can be achieved by simplifying and streamlining program/project reporting requirements in the county; streamline and automate M&E processes. The county should increase its support economic planning directorate in order to streamline and consolidate the multiple data streams and move toward an overall County M&E Framework. In addition, the County should develop CIMES by merging its various M&E guiding documents into one M&E Framework for easy standardization and use.

The departments should reassess and adjust the projects/ output targets for indicators to be challenging yet achievable. This and further analysis would enable the county to better balance its resources to achieve service delivery, capacity development, public participation, integration, and other project objectives. Special attention should be paid to the projects proposed by citizens during public forums. The County should develop a structured approach and coordinate timelines for all the departments and county entities for planning, budgeting, data and performance management. By integrating and harmonizing various development plans, the county would be able to implement planned projects within the overall ADP.

Therefore, the CADP will remain relevant as the overall guiding frameworks for the integrated interventions to county political, economic and social needs. Within the context of the ADP, a readjustment and refocusing of programmatic priorities will need to be done to inform the development of ADP 2020/2021 and CIDP 2018-2022. This is informed by the various stakeholders, mainly the county officers and public participation in development planning, specifically on evaluation and identification of new projects/ programmes. The county should seek to improve on service delivery and mobilization of funds in order to enhance completion of the PPIs. There is also the need for informed planning, efficiency and optimal utilization of county resources. The county leadership, both the Executive and the Assembly, should continue on the leading and facilitating role in the county's response to societal needs.

The focus should be on interventions, collaborations and deeper engagement in policy making and citizens' participation in implementation of PPIs. Community participation and ownership in making decisions on the projects is paramount for their sustainability. Public private partnerships are urged to support the county in the efficient use and provision of resources to guarantee essential services, protect the gains and address the unfinished development agenda for the people of Tharaka Nithi.

CHAPTER THREE: COUNTY STRATEGIC PRIORITIES, PROGRAMMES AND PROJECTS

3.0 Introduction

This chapter provides a summary of what has been planned for the FY 2020/21 financial year. It presents sector/sub-sector key broad priorities, programmes, projects and performance indicators. It also indicates the overall resource requirement in this year's ADP.

3.1 Sector Composition, Vision, Mission, Goals, Priorities and Strategies

3.1.1 Agriculture Sector

The overall function of the sector as stipulated in the Fourth Schedule, Constitution of Kenya, 2010 relates to (a) crop and animal husbandry; (b) livestock sale yards; (c) county abattoirs; (d) plant and animal disease control; (e) veterinary services (excluding regulation of the profession); and (f) fisheries.

Agriculture Sector Composition

The County Sector of Agriculture comprises of Crop Production, Livestock Development; Veterinary Services & Fisheries Development.

Agriculture Sector Vision and Mission

- ◆ *Vision: to attain sustainable food security and incomes for the people of Tharaka Nithi County.*
- ◆ *Mission: provision of high quality, innovative and commercial agricultural services.*

Agriculture Sector Goals

- a) To increase crop production and productivity by providing high quality, innovative and competitive crop and crops related services for food and nutrition security and increase in household incomes.
- b) To support transformation of livestock production from subsistence into commercially oriented enterprises for sustainable food and nutrition security in the county.
- c) To safeguard animal health and welfare, increase animal production and productivity and promote trade in animals and animal products for sustainable food security, food safety and economic prosperity.
- d) Increased and sustainable fish production for subsistence and commercial utilization.

Table 27: Development Priorities and Strategies for 2020/21 ADP Crop Production

Development need	Priorities	Strategies
Quality of farm inputs	Food crops, cash crops, horticulture crops and industrial crop	Subsidized Crop Input strategies, inputs surveillance, capacity building and policy intervention
Management of post- harvest losses	Cereals, horticultural, legumes and cash/industrial crops	Investing in strategic county and community storage facilities, intervention in marketing by stabilizing crop prices and policy intervention.
Market access for farm produce	Cereals, horticultural crops, legumes and industrial crops	Contract farming, value adding, processing, price stabilization and introduction of warehousing receipt system.
Production and Productivity	All crop enterprises produced in the county	Quality inputs, capacity building, demonstrations, policy and legal interventions and collaboration with the relevant stakeholders
Technology access and innovations	Land preparation, soil and water conservation, climate smart agriculture, value addition, effective and efficient extension services and timely agro-weather information.	Mechanization, ICT in provision of extension services, improved dissemination of technical information, enhanced collaboration with stakeholders and development of regular support institutions
Sustainable natural resources management	Holistic extension services provision	Appropriate technology interventions, Promotion of conservation agriculture

3.1.2 Environment, Water and Natural Resources Sector

The devolved county sector functions include: control of air pollution, noise pollution, other public nuisances and outdoor advertising; refuse removal, refuse dumps and solid waste disposal; implementation of specific national government policies on natural resources and environmental conservation, including soil, water conservation and forestry; and water services.

Environment, Water and Natural Resources Sector Composition

The sector comprises of Water Services, Irrigation, Environment and Natural Resources.

Environment, Water and Natural Resources Sector Vision and Mission

- ◆ *Vision: Clean and secure Environment with sustainable exploitation of water and other natural resources.*

- ◆ *Mission: To promote, conserve and protect the environment and other natural resources and increase water coverage for sustainable development.*

Environment and Natural Resources Sector Goal

To increase tree cover percentage and ensure access to clean and adequate water for sustainable development.

Table 28: Development Priorities and Strategies for 2020/21 ADP Environment and Natural Resources

Development need	Priority	Strategy
Waste management and pollution control	Solid waste management	Establish dumpsites Provide litter bin Provision of garbage collection trucks
Climate change	Climate change mitigation	Training and capacity building Dissemination of information Carbon credit Early warning systems Domestication of international treaties in climate change
Access to clean and health environment	Protection and conservation of natural environment	Tree planting campaigns in farm lands, hills, river riparian's and institutions. Tree seedlings
Access to mineral resources	Mapping and quantification	Exploration and Exploitation
Access to Reliable clean safe water	Domestic water	-Harnessing groundwater- Borehole drilling, equipping and rehabilitation of existing ones. -Rainwater harvesting- Development of Earth dams, water pans, roof and rock catchments. -Encourage planting of vegetation cover on the riparian land to conserve and enhance the rivers -Development of domestic water supply systems/schemes -Metering water projects for efficiency use -Water bowsers- for water tracking
Irrigation and drainage infrastructure	Irrigation water	-Rainwater harvesting and development of storage reservoirs -Development of Irrigation water supply systems -Metering for efficiency use -development of storage facilities -Catchment protection -Scheme capacity building on irrigation extension

3.1.3 Health Sector

The devolved county health services include: county health facilities and pharmacies; ambulance services; promotion of primary health care; licensing and control of undertakings that sell food to the public; cemeteries, funeral parlours and crematoria; and sanitation services.

Health Sector Composition

Medical and public Health services.

Health Sector Vision and Mission

- ◆ *Vision: A county free from preventable diseases and ill health*
- ◆ *Mission: To provide effective leadership and participate in provision of equitable, responsive, accessible and accountable high quality health care services to Tharaka Nithi Citizens.*

Health Sector Goal

Attaining the Highest Possible Standard of Health in a Responsive Manner

Table 29: Development Priorities and Strategies for 2020/21 ADP Health sector

Development Needs	Priorities	Strategies
Infrastructural development	County Referral Hospital	Upgrading Chuka Level 4 Hospital to Level 5 Hospital
	Standard level 4 Hospitals	Renovate Magutuni and Marimanti, including constructing of specialized units
	Standard Level 2 and 3 facilities	Renovate and create space (construct) for missing services in all Level 2 and 3 Health facilities
	Medical equipment	Procure and equip all Health facilities with the requisite medical equipment
Strengthen the County referral system	Strengthen the patient transport network	Procure additional Ambulances
Essential medicines and medical supplies	All health facilities Stocked	Procuring of essential medicines and medical supplies
Communicable diseases	Reduction of TB prevalence	Prevention and Management of TB
	Reduction of HIV prevalence	Prevention and Management of HIV/AIDS
	Reduction of Malaria prevalence	Prevention and Management of Malaria
Environmental Health	Environmental Health services	Provision of Environmental Health services
None Communicable diseases	Reduction of NCD prevalence	Prevention and Management of NCD
Community Health units	Community Health services	Creation of Community Health units
Reproductive, Maternal, New born, Child and Adolescent Health	Family planning uptake	Provision of family planning services
	Deliveries by skilled birth attendants	Hospital deliveries
	ANC services	Provision of ANC services
	Healthy new born	Provision of new born care during and after delivery
	Youth friendly health services	Provision of youth friendly health services
	Immunization services	Provision of Provision of Immunization services
Health care services	Child health care	Integrated management of childhood illnesses
	Health care providers	Recruiting of Health care providers
	Health information services	Computerization of health systems in all health facilities
Leadership and Governance	Support supervision	Conduct Support supervision
Transport	Utility vehicles	Procuring of Utility vehicles

3.1.4 Education, Youth, Culture, Sports and Social Services Sector

The overall function of the sector as stipulated in the Fourth Schedule, Constitution of Kenya, 2010 relates to pre-primary Education, village polytechnics, home craft centres and childcare facilities. In addition, undertake cultural activities, public entertainment and public amenities; sports and cultural activities and facilities; and county parks, beaches and recreation facilities. The sector comprises of: ECDE and Vocational Training, Sports, Culture and Social Services

Vision and Mission

- ◆ *Vision: to be a leader in building a just, cohesive and enlightened society for sustainable County development'.*
- ◆ *Mission: To build a just, cohesive and enlighten society through provision of quality Education, social services, cultural diversity and nature talents in sports for sustainable County development.*

Goals

- a) To enhance access, equity, quality and retention of Early Childhood Development and Education
- b) Improving quality of Education and training in Youth polytechnics
- c) Development of sports at all levels in Tharaka Nithi County
- d) Promote, conserve, and develop culture and arts

Table 30: Development Priorities and Strategies for 2020/21 ADP Education

Development Needs	Priorities	Strategies
Access to Vocational Education	Training workshops, classrooms, administration block and dormitories Youth Polytechnic grants YP staff skills Quality assurance on facilities Workshop Equipment	Refurbishment and Rehabilitation of YPs Disbursements of grants Capacity Building of YP staff Inspection and quality Assurance of institutions Procurement of YPs Equipment and materials
YPs Instructors quality officer	Quality Assurance Standards officer	Recruitment of youth polytechnic instructors Recruitment of Quality Assurance officers
Skills development through home craft centres	home craft centres Feasibility studies Curriculum development	Establishment of Home craft centres Conduct study on Home craft centres Development of home craft centres curriculum with relevant agencies
Promotion of sports	Stadiums Qualified sportsmen and women in school and out of school talent search Sport equipment and tools fund raising committee	Construction/ rehabilitation of Stadiums Training of sportsmen and women Establishment of talent search programs during school holidays Procurement of sport equipment and tools Establishment of a bill on fundraising committee

Promotion of county heritage and culture	Cultural diversity Cultural Centre Accurate data empowerment Cultural diversity	Hold Culture and arts exhibition Construction of cultural centers Identification and registration of culture groups Training and empowerment of cultural groups Organize Music festivals
Social protection	Awareness creation Rescue Centres Social safety net	Empowerment of PWDs Construction of Rescue centres development Cash transfer for elderly Gender, youth and women empowerment Vulnerable groups and people with disability assisted
Access to quality ECDE	Staffing and Capacity building Infrastructure Instructional materials Completion Quality assurance Research and innovations Retention	Recruitment of teachers and care givers Construction / innovation of classrooms Provision of teaching and learning materials Enhancement of bursary funds Strengthening of supervision service Promotion and integration of research on basic Provision of feeding programme / establishment of child friendly schools/ integration of children with special needs in normal schools
Tourism Tourism products	Accommodation Accessibility Attractions	Development and diversification of tourism products Branding and advertising Encourage homestays Creative tour packaging Development of Niche products Holding annual cultural festivals Introduction of business conferences Establishment of ecotourism ventures

3.1.5 General Economics and Commercial Affairs Sector

The overall function of the sector as stipulated in the Fourth Schedule, Constitution of Kenya, 2010 relates to trade development and regulation, including markets; trade licenses (excluding regulation of professions); fair trading practices; local tourism; and cooperative societies.

Sector Composition

The sector comprises of: Trade & Industry, Tourism and Co-operatives.

Vision and Mission

- ◆ *Vision: A vibrant entrepreneurial and commercialized county economy in Kenya*
- ◆ *Mission: To promote, coordinate and implement integrated policies and programmes in trade, tourism, and cooperatives for rapid commercialization of the county economy.*

Goals

The Sector works towards achievement of the following strategic goals;

- a) Growth and development of commerce
- b) Tourism promotion and development
- c) Promotion of regional integration and cooperation
- d) Savings and investment mobilization
- e) Employment creation
- f) Industrial and entrepreneurship development.

Table 31: Development Priorities and Strategies for 2020/21 ADP General Economic

Development needs	Priorities	Strategies
Trade and industry Access to capital	Support to Women, youth and people with disability	<ul style="list-style-type: none"> • Subsidized loans • Formation of SACCOs • Sensitization • market surveys and creation of data bank
Consumer protection	Strengthen supervision	<ul style="list-style-type: none"> • Inspection and investigation • Calibration and verification of traders' equipment
Access to market	Promote Marketing	<ul style="list-style-type: none"> • Formation of producer business groups • Contract farming • Widening the market
Agro processing units / industrial units	<ul style="list-style-type: none"> • Farm produce, minerals 	<ul style="list-style-type: none"> • Value addition
Cooperatives Access to market Access to capital	<ul style="list-style-type: none"> • Farmer members of coffee and cereal societies • Small traders 	<ul style="list-style-type: none"> • Formation of cooperatives • Rehabilitation of cooperatives • Capacity building • Formation of SACCOs
Tourism Tourism products	<ul style="list-style-type: none"> • Attractions • Accommodation • Accessibility 	<ul style="list-style-type: none"> • Development and diversification of tourism products • Branding and advertising • Encourage homestays • Creative tour packaging • Development of Niche products • Holding annual cultural festivals • Introduction of business conferences • Establishment of ecotourism ventures

3.1.6 Roads, Transport and Infrastructure Sector

The overall function of the sector as stipulated in the Fourth Schedule, Constitution of Kenya, 2010 relates to county transport, including county roads; street lighting; traffic and parking; public road transport; housing; and county public works and services.

Sector Composition

The sector comprises of: Roads, Housing, Public Works and Transport.

Vision and Mission

- ◆ *Vision: To be the leading provider of efficient and cost effective infrastructure facilities and services in roads, housing, transport and public works in Kenya.*
- ◆ *Mission: To provide efficient, affordable and reliable infrastructure in roads, housing and public works through construction, modernization, rehabilitation and effective management for sustainable development.*

Sector Goal

To realize a sustainable and commonly agreed-upon sectoral strategy, with all relevant stakeholders in the development of the responsibilities and mandate of the department of roads and infrastructure.

Table 32: Development Priorities and Strategies for 2020/21 ADP Roads

Development Needs	Priorities	Strategies
Accessibility and connectivity	Rural access roads to trading centers and markets Durable infrastructure and roads All weather roads Bridges, flyovers and culverts Road mapping	Spot improvement of feeder roads Construction of tarmac roads Opening and grading of rural roads Maintenance of rural roads
Public transportation system	Bus parks and terminus	Regulated transport system
Office space and infrastructure	County headquarters Improved public institution facilities (e.g. dispensaries, schools and classes, staff homes and others) Quality assurance and inspection services	National government funding for completion Housing scheme and accommodation services Construction of government houses County government regulations

3.1.7 Land Physical Planning & Urban Development Sector

The overall function of the sector as stipulated in the Fourth Schedule, Constitution of Kenya, 2010 relates to fire-fighting services and disaster management.

Land Physical Planning & Urban Development Sector Composition

The sector comprises of:

- ◆ Land and physical planning
- ◆ Urban development.

Land Physical Planning & Urban Development Sector Vision and Mission

Vision: *To be a leading entity in the provision of efficient, equitable and sustainable use of land resource, spatial planning and development of urban areas.*

Mission: *To steer positive land reforms for improvement of livelihood of county citizens through efficient administration, equitable access, secure tenure and controlled physical planning and urban development.*

Land Physical Planning & Urban Development Sector Goal

The sector's goal under Lands, Physical Planning and Urban Development is to attain efficient, equitable and sustainable use of land resource, spatial planning and development of urban areas.

Table 33: Development Priorities and Strategies for 2020/21 ADP Lands

DEVELOPMENT NEED	PRIORITIES	STRATEGIES
Security of Land Tenure	Land Registration and Titling	<ul style="list-style-type: none"> - Land Adjudication - Part Development plans - Public involvement - Alternative Dispute resolution mechanisms
Land use/ Spatial plans	County Spatial Plan	<ul style="list-style-type: none"> - Resource Mapping - Mapping of Land uses - Establishment of G.I.S LAB - Land Information Management Systems - Public Involvement
Controlled Development	Establishment of an Enforcement Department	<ul style="list-style-type: none"> - Hiring of Technical Staff - Acquisition and Provision of Materials and equipment
Provision of Survey Controls and Mapping	<ul style="list-style-type: none"> - Establishment of county geodetic control network - Provision of geodetic reference frame - Creation, Analysis and Display of geo Spatial data 	<ul style="list-style-type: none"> - Identify Urban Centres - Construction of benchmarks - Approval of Survey plans - Digitizing of all data
Urban infrastructure	<ul style="list-style-type: none"> - Street lighting - Road and streets - Market sheds/shopping malls - Bus parks - Beautification/landscaping - Public toilets - Recreational parks - Stadiums 	<ul style="list-style-type: none"> - Road improvement - Installation of street lights - Construction of market sheds/shopping malls, bus parks, public toilets, stadiums and recreational parks - Planting flowers and trees along streets and buildings
Clean and conducive environment	<ul style="list-style-type: none"> - Solid and liquid waste managements 	<ul style="list-style-type: none"> - Development of sewerage system, drainage systems and receptacles - Construction of dumpsites - Purchase of garbage trucks and exhausters
Disaster preparedness	<ul style="list-style-type: none"> - Infrastructure 	<ul style="list-style-type: none"> - Setting up of fully equipped fire station - Setting up a qualified drought management system

3.1.8 Energy and ICT Sector

This sector seeks to provide Modern World class, cost-effective energy and ICT Infrastructure facilities and services. The sector focuses on provision of services to citizens in an efficient, affordable and reliable ways.

4.4.8.1 Energy and ICT Sector Composition

The sector comprises of Energy and ICT

Energy and ICT Sector Vision and Mission

Vision: To be the leading provider of efficient and cost-effective infrastructure facilities and services in ICT and Energy.

Mission: To provide efficient, affordable and reliable infrastructure in ICT and Energy through construction, modernization, rehabilitation and effective management for sustainable development.

Energy and ICT Sector Goal

To provide efficient, affordable and reliable infrastructure and services for sustainable economic growth and development.

Table 34: Development Priorities and Strategies for 2020/21 ADP Energy and ICT

DEVELOPMENT NEED	PRIORITIES	STRATEGIES
ICT infrastructure and equipment	HQ offices and sub counties offices	Data cabling, data centre, unified communication system, Data recovery Planning and internet connection, Bulky SMS&USSD services, Digital library and County Radio station, server applications/operating systems
	HQ offices and sub counties offices	ICT Equipment ;Power back up (inverter to connect ICT equipment), Servers ,Firewalls, Routers and switches
	All constituencies	Set up ICT Hub in every constituency
Integrated County Management systems	County Relevant sectors	Develop /Procure integrated management system; ERP which will support systems such as HRMS,IHMS with EMR, Citizen Relationship Management(CRM),Business Intelligence & Analytics (BIA),Document management and other required systems ,Integrated farmers services
Revenue Collection	All revenue collection points	Automate all revenue collection points and fix surveillance system
Citizen e-services	Access to essential services and information and service provision	E-extension services E-learning systems E-services
General Administration Planning and Support Services	County HQ and sub counties offices	Energy & ICT standards and Policy development Staff training
ENERGY SUB-SECTOR Development Needs, Priorities and Strategies		
Grid electricity	15 wards: -Households -Public facilities such as schools, health facilities and industries; markets and urban centres	-Install electricity transformers to mapped areas -Connect electricity to households and public facilities such as schools, health facilities and industries; markets and urban centres

Alternative and Renewable energy	-Construct wind power plants and village-scale wind-battery-diesel hybrid systems -Fix Photovoltaic technology in institutions, social amenities and industries construct mini-hydros within the permanent rivers -Solar thermal furnace with heat storage and solar lanterns and solar home systems -Biomass energy -Provide to institution and household energy efficient stoves Jikokoa, etc.	-Map all the areas prioritized and : -Install Photovoltaic technology in, Public facilities such as schools, health facilities and industries ;Markets and urban centres -Construct wind power plants -Construct mini-hydros within the permanent rivers to provide power -Solar thermal furnace with heat storage and solar lanterns and solar home systems to households for powering electronics and rechargeable batteries -Identification of schools and start the project -Install market solar lights
Reliable & Quality power supply	Power sub station	Map the best place the project can be situated Partner with KPLC and Construct a power substation in the county

3.1.9 Public Administration, Finance & Economic Planning Sector

Sector Composition

- Public Administration
- Finance and Economic planning

The Sector's Vision and Mission

Vision: A leading sector of excellence in public administration, financing and planning in Kenya.

Mission: To provide overall leadership and policy direction in resource mobilization, management and accountability for efficient and quality public service delivery.

The Sector Goal: Ensure provision of efficient and effective public service delivery for enhanced governance and accountability

Table 35: Development Priorities and Strategies for 2020/21 ADP Public Administration

Development needs	Priorities	Strategies
Office space	County, Sub county and ward offices	Construction and equipping of county, sub county and ward offices Allocate adequate resources to run these offices

Service delivery	Public participation Staffing Training & development of staff (capacity building)	Engaging the public and Civic Education Recruitment and placement Trainings, Staff re-designation Development and implementation of an Integrated HR development Strategy
Financial management	Public procurements Internal and external audits Compliance to financial regulations	e-procurement regular audits Strict enforcement of financial regulations
Integrated development	County Development plans Budgets Resource mobilization Monitoring and evaluation/ Mid and End Term review Data management	Develop county plans and budget in accordance to the PEM Cycle Engaging development partners Establishment of CIMES Regular data collection and management

3.2 Capital and Non-Capital Projects for FY 2020/21

This section provides a summary of the capital and non-capital projects to be implemented during FY 2020/21 plan period. This is summarized in the following tables.

3.2.1 Agriculture, Livestock, veterinary and fisheries Sector:

Crop Production

This section provides a summary of the capital and non-capital projects to be implemented during 2020/21 FY plan period. This is summarized in the following tables.

Table 36: Capital Projects Agriculture

Sector/Sub-sector: Programme Name:										
Sub Programme	Project name Location (Ward/Sub county/ county wide)	Description of activities	Green Economy consideration	Estimated cost (Ksh.)	Source of funds	Time frame	Performance indicators	Targets	status (Either new or Ongoing)	Implementing Agency
Provision of farm inputs	Whole county	Access to quality inputs: -Cereals -fruits tree -pulses -Vegetables Bulking of seeds.	Climate smart practices	15 million	TNCG	2020/21	Production per tree	50%	On going	TNCG/KCEP-CRAL
Access to fertilizer	Whole county	Procurement and distribution at cereals stores (Mukuuni, Mitheru & Mukothima)	Good agriculture practices	10 million	TNCG/GOK	2020/21	Increase adoption	30%	Ongoing	TNCG/GOK/KCEP-CRAL

Promotion of conservation agriculture	Whole county	Access farmers with CA implements. Mechanisation	Climate smart agriculture	145 million	TNCG/GOG	2020/21	Increased adoption	30%	Ongoing	TNCG/KCSAP
Expansion of ATI operation	Whole county	Farm development	Climate smart agriculture	25 million	TNCG	2020/21	Operational ATI	100%	Ongoing	TNCG
Enhance produce marketing	Whole county	Operationalization of grain stores. Stabilization of prices.	Sustainable agriculture development	5 million	TNCG	2020/21	Number of grain stores	3	Ongoing	TNCGG/KCEP-CRAL
Agriculture Sector development Support Programme	County wide	Promotion of cereal, banana and dairy value chains in the county		18 million	IFAD/GOK/TNCG	2020/21	Number of trainings held Number of households targeted		Ongoing	PROJECT UNIT

Table 37: Non Capital Projects Agriculture

Sub Programme	Project name Location (Ward/Sub county/ county wide)	Description of activities	Green Economy consideration	Estimated cost (Ksh.)	Source of funds	Time frame	Performance indicators	Targets	status (Either new or Ongoing)	Implementing Agency
Provision of extension services	Whole county	Field days Demonstrations Exhibitions Tours Automation of service provision	Adoption of sustainable production technologies	10,000,000	TNCG	2020/21	Farmers reached	150,000	On-going	TNCG
General Administration services	Whole county	Stationery Motor vehicle and office maintenance	Efficient use of resources	25,000,000	TNCG	2020/21	No. of offices, motor vehicles	7 stations 10 motor vehicles	Ongoing	TNCGG
Improved mobility for extension staff	Whole county	Procurement of vehicles and motorcycles	Good agricultural practices	5 million	TNCG	2020/21	Farmers reached	15 wards	Ongoing	TNCG
Programme 2: Cooperative Development										
Capital Projects										
Cooperative development	strengthening and support of cooperative societies.	Strengthening multipurpose societies Registration of new ones	Tree planting	20	TNCG/ Development partners	2020/21	% increase in commodity prices	10 societies	Ongoing	Cooperatives

Table 38: Capital Projects Livestock Production

Project Name/ Location	Objectives	Targets	Description of Activities (Key Outputs)	Green Economy considerations	Cost (Kshs)	Source of funding	Timeframe	Status	Implementing Agency
Infrastructural support for dairy cottage industries (value addition centres)	Improve on farm incomes; Create employment to the youth	5	Design; Construction; Installation of equipment	Provision of feed raw materials Water harvesting and conservation Water recycling	8 million	County Government, Development partners	2020/21	Ongoing	County Government, Development partners
Milk cooling plants (at Meru South, Maara and Tharaka)	Improve raw milk shelf life	5 cooling plants	Design; Construction; Installation of equipment	Proper waste disposal and management	30 million	County Government, Development partners, National Government	Ongoing	Ongoing	County Government, Development partners, National Government
Milk processing plant	Increase milk production	1milk plant	Feasibility study and construction of milk plant	Solar powered heating system and water recycling	10	County Government, Development partners, National Government	Feasibility study done	2020-2021	County Government, Development partners, National Government Community

Table 39: Livestock Production Non Capital Projects

Sub-Programme 1: Livestock output and productivity									
Project Name/ Location	Objectives	Targets	Description of Activities (Key Outputs)	Green Economy and cross-cutting considerations	Cost (Kshs.) Million	Source of funding	Status	Timeframe	Implementing Agency
Dairy goats upgrading and marketing County wide	To improve on milk production in goats	-40 Grade breeding goat -60 farmers trainings	Purchase breeding stock Build capacity on proper animal and plant husbandry	Involve youth groups Agroforestry with fodder trees Hay and fodder harvesting Suitable varieties of goats	3	County Government, Development partners, National Government Community	Ongoing	2020-2021	County Government, Development partners, National Government Community

Development and support of community group apiaries	Improve income	8 apiaries	Procure beekeeping equipment and set apiaries	Gender integration in beekeeping	3	County Government, Development partners, National Government	2020/21	Ongoing	County Government, Development partners, National Government
Purchase of bucks for breeding for farmer groups	Promote dairy goat	40 dairy bucks	Source, purchase and distribute bucks to dairy goat groups	Fodder production and conservation	2	County Government, Development partners	2020/21	Ongoing	County Government, Development partners
Upgrading of meat goat production and marketing county wide	Improve meat production	300 breeding goats 100 farmers trainings	Purchase breeding stock Build capacity on proper animal and plant husbandry	Reseeding and fodder tree establishment in grazing land soil and water conservation	3	County Government, Development partners, National Government	Ongoing	2020-2021	County Government, Development partners, National Government
Upgrading poultry production	Improve poultry production	20,000 chicks	Provide improved chicken Build capacity on proper poultry husbandry	development of organic manure from chicken dropping improved indigenous chicken	2	County Government, Development partners, National Government	Ongoing	2020-2021	County Government, Development partners, National Government
Introduction of Lang stroth Kenya Top Bar Hive (KTBH) beehives County-wide	To promote honey production & marketing	50 langstroth and 50 KTBH, and carry out 12 farmers trainings	Provision of hives and setting up apiaries; technical training on apiculture	planting of bee forage plants agroforestry conservation agriculture honey value chains honey marketing	2	County Government, Development partners, National Government	Ongoing	2020-2021	County Government, Development partners, National Government
Promotion of rabbits production and slaughter facilities	To improve on farm incomes and community nutritional value	200 rabbits 20 trainings	Avail high quality breeding stock; train farmers on rabbit husbandry; Promote marketing channels; establish slaughter house	Hygienic slaughter facilities Feed and fodder production Suitable varieties of rabbits	2	County Government, Development partners, National Government	Ongoing	2020-2021	County Government, Development partners, National Government
Sub-Programme 2: Animal feed and nutrition									

Pasture and fodder establishment and conservation County wide	To promote pasture production as an income generating activity.	100kg pasture/ fodder seeds 30 trainings	Provision of pasture seeds and fodder for planting; Train farmers on fodder conservation and treatment.	Control of invasive plants Reseeding of degraded areas Irrigated fodder production Fodder marketing	4	County Government, Development partners, National Government	Ongoing	2020-2021	Community County Government, Development partners, National Government
Fodder bulking, conservation and treatment countywide	To increase strategic livestock feed reserves	30 trainings, 2 fodder bulking sheds, 20 hay and silage making materials/inputs packages	Train on hay baling & silage making; promote hay baling & marketing groups	Consistent aflatoxin surveillance Soil and water conservation Insitu conservation Watershed management	2	County Government, Development partners, National Government	Ongoing	2020-2021	Community County Government, Development partners, National Government
Sub-Programme 3: Market development									
On -Farm Small Scale Processing Industries of Milk County wide	To promote value addition in dairy products	Hold 10 farmer group trainings	Training farmers on milk value-adding process at farm level	Waste disposal, Equity in employment	3	County Government, Development partners, National Government	Ongoing	2020-2021	County Government, Development partners, National Government
Promote honey processing and marketing	To promote modern bee keeping; improve household incomes	3 sets of honey equipment; 3 farmers trainings	Provision of honey refining equipment; Capacity building to bee keepers	Involve women, youth and PLWDs	2	County Government, Development partners, National Government	Ongoing	2020-2021	County Government, Development partners, National Government
Sub-Programme 4: Extension services									
Extension services	Build farmers capacity through provision of technical information	Hold 12 farmers field days Hold 50 trainings 50 farm demonstrations	Dissemination of technical information; demonstrations; field days; farm visits & exhibitions	Continuous updating of extension packages	5	County Government, Development partners, National Government	Ongoing	2020-2021	County Government, Development partners, National Government

Table 40: Veterinary services Capital projects for the 2020/21 FY

Objective (s): - Increase livestock productivity and outputs; improve market access and trade; and ensure national food security										
Outcome (s) Reduction and eradication of livestock diseases										
Programme Name:										
Sub Programme	Project name Location (Ward/Sub county/ county wide)	Description of activities	Green Economy consideration	Estimated cost (Ksh.)	Source of funds	Time frame	Performance indicators	Targets	status	Implementing Agency
Subsidized Artificial Insemination	Countywide	-Offer 20,000 artificial insemination	-Proper disposal of consumables	10M	TNCG	2020-2021	-% Increase in livestock productivity & Productivity	Increase milk production from 10litres/day/cow to 16litres/day/cow	Ongoing	DoVS (Department of Veterinary Services)
Diseases and Pest Control and Surveillance	Countywide	-Issue 1,625 movement permits and 565 no objection - Make 786 stock route and 768 Livestock market inspections -Make 309 Surveillance reports	-Proper disposal of consumables	15 M	TNCG	2020-2021	-% disease incidences -% tick-borne disease incidences -% Vector-borne disease incidences -% trans-boundary disease incidences	4.8%-4.5% 0.37%-0.35% 0.09%-0.08% 0.19%-0.15%	Ongoing	DoVS (Department of Veterinary Services)
Operationalization of the Veterinary Laboratory	Marimanti	Procure and install Veterinary Laboratory Equipment/Items	Proper disposal of condemned meat and proper drainage.	10M	TNCG	June,2020 -July2021	Improve livestock disease diagnosis	From 40% to 70%	Ongoing	DoVS(Department of Veterinary

Table 41: Veterinary services Non capital projects

Sub Programme	Project name Location (Ward/Sub county/ county wide)	Description of activities	Green Economy consideration	Estimated cost (Ksh.)	Source of funds	Time frame	Performance indicators	Targets	Status	Implementing Agency
Veterinary Public Health	Countywide	Inspect 5,600 cattle, 25,000 goats, 8200 sheep, 1,277 pigs Carcasses	-Proper disposal of condemned meat and proper drainage.	3M	TNCGG	2020-2021	% Reduction in zoonotic	From 0.42%-0.39%	Inspected a total of 5528 cattle, 24466 goats, 8155 sheep and 3302 Pigs carcasses	DoVS(Department of Veterinary Services)
Veterinary Extension services	Countywide	-Hold 180 barazas, 120 stakeholders' meetings, 75demonstrations,350 farmers' trainings	-Proper disposal of consumables	2M	TNCGG	2020-2021	% reduction in economic production losses due to diseases	From 12%-11%	Made 1254 farm visits, attended 10 stakeholders' meetings and 8 barazas	DoVS(Department of Veterinary Services)
Clinical services	Countywide	Offer clinical service especially referred cases	-Proper disposal of consumables	2M	TNCGG	2020-2021	% reduction in livestock deaths	Reduce disease cases from by 20%	15180 disease cases attended to	DoVS(Department of Veterinary Services)
Financial services and investment	Countywide	Collect and Bank Money from various Veterinary Services as Revenue	-Proper disposal of consumables	2M	TNCGG	2020-2021	% increase in revenue collection	Increase Revenue Collection from 3.194M to 3.8M	Collected and banked Ksh. 3.194M as Revenue	DoVS(Department of Veterinary Services)

Table 42: Fisheries Development Capital projects

The department shall focus at enhancing partnership in the effort to foster resource mobilization to fill in resource gaps. It is expected that IFAD will support aquaculture in the tune of KES 1Billion through its programme **Aquaculture Business Development Project (ABDP)**.

Programme Name- Fisheries Development										
Sub Programme	Project name Location (Ward/Sub county/ county wide)	Description of Activities (Key Outputs)	Green Economy consideration	Estimated cost (KES)	Source of funds	Time frame	Performance indicators	Targets	status	Implementing Agency
Fish farming production and productivity	Model fish farms and household ponds /County wide	Subsidy on fish farming inputs (pond liners, fish feeds)	Water harvesting	6,000,000	CG, National government, Development partners, CBOs. Community	2020-2021	No. of fish pond liners subsidized Kgs of fish pellets subsidized No of fingerlings subsidized	120 12,000 12,000	ongoing	CG, National government, Development partners, CBOs. Community
.	Rehabilitation and completion of the County trout farm at Kinondoni	Rehabilitation of pond tanks and water systems at the Trout farm	Water harvesting	6,000,000	CG, National government, Development partners, CBOs. Community	2020-2021	Pond tanks rehabilitated Kg of trout fish produced No. of trout fingerlings produced	12 12 tons 10,000	ongoing	CG, National government, Development partners, CBOs. Community
SUB TOTAL (KES)				12,000,000						

Table 43: Fisheries Development Non- Capital Projects

Sector/subsector – Fisheries Development										
Programme Name- Fisheries Development										
Sub Programme	Project name Location (Ward/Sub county/ county wide)	Description of Activities (Key Outputs)	Green Economy consideration	Estimated cost (KES)	Source of funds	Time frame	Performance indicators	Targets	status	Implementing Agency
Fish farming production and productivity	Integrated aquaculture/irrigation project in makanyanga, Rungu, Mbogoni and Kirumi kia mujari irrigation schemes	Subsidy on aquaculture inputs (pond liners)	Eco-mosquito control	2,000,000	CG, National government, development partners, CBOs. Community	2020/21	No. of fingerlings distributed	20,000	ongoing	CG, National government, development partners, CBOs. Community
	Integrated aquaculture/irrigation project in makanyanga, Rungu, Mbogoni and Kirumi kia mujari irrigation schemes	Subsidy on aquaculture inputs (feeds)		1,000,000		2020/21	No of operational Ponds.	40	ongoing	CG, National government, Development partners, CBOs. Community
	Integrated aquaculture/irrigation project in makanyanga, Rungu, Mbogoni and Kirumi kia mujari irrigation schemes	Subsidy on aquaculture inputs (fingerlings)		1,000,000		2020/21	Fish feed subsidy	4000Kgs	ongoing	CG, National government, Development partners, CBOs. Community
	Rehabilitation of the aquaculture demo farm at Chuka.	Provision of hatchery Equipment for Chuka hatchery	Water harvesting	1,000,000	CG, National government, Development partners,	2020/21	No of Tilapia/catfish fingerlings produced	100,000	ongoing	CG, National government, Development partners,

					CBOs. Community					CBOs. Community
		Rehabilitation of culture units and water harvesting systems and at Chuka demo farm		1,000,000		2020/21	No of Culture units rehabilitated No of Water harvesting structures in place	10 10	Ongoing	
		Establishing and Provision of hatchery Equipment for Tharaka South	Water harvesting	1,500,000	CG, National government, Development partners, CBOs, Community	2020/21	No of Tilapia/catfish fingerlings produced No. of fish farmers benefiting	100,000 1,500	proposed	CG, National government, Development partners, CBOs. Community
	Fish Feed Formulation and Production / County wide	Provision of Fish pellet extruders and mixers for fish farms	Promotion of high value traditional feeds	1,000,000	CG, National government, Development partners, CBOs, Community		No of Feed Mixers provided	7	New	CG, National government, Development partners, CBOs. Community
Fish quality assurance and bio-safety management	Fish post- harvest management /County wide	Capacity building on proper fish handling, processing and preservation methods.	Waste management	600,000	CG, National government, Development partners, CBOs. Community	2020/21	No. of fish forks advised No of fish handlers inspected and advised	300 300	Ongoing	CG, National government, Development partners, CBOs. Community
	Fish feed and fingerlings certification /Countywide	Fish feed and fingerlings certification	Water conservation	100,000	CG, National government, Development partners, CBOs. Community	2020/21	No. of fish farmers using certified feeds and rearing	1,500	Ongoing	CG, National government, Development partners, CBOs. Community

							certified fingerlings			
	Provision of Fishing gears / Countywide (attached to the Fish Farms and hatcheries)	Fishing gears (40fully mounted siene nets, gill nets, happa nets and scoop nets)	Proper waste management	1,000,000	CG, National government, Development partners, CBOs. Community	2020/21	No of fish farmers adapting best fish handling practices	1,500		CG, National government, Development partners, CBOs. Community
	Provision of compliance permits/Countywide	Issuance of Compliance permits/licences	Proper waste management	100,000	CG, National government, Development partners, CBOs. Community	2020/21	No. of compliance certificates issued	300	Ongoing	CG, National government, Development partners, CBOs. Community
Extension services	Purchase of 6 motorcycles/ Maara, Muthambi, Chuka, Igambang'ombe, Tharaka South and Tharaka North	Purchase of 6 motorcycles	Proper waste management and disposal	2,000,000	CG, National government, Development partners, CBOs. Community	2020/21	No. of Motorcycles purchased	6	Proposed	CG, National government, Development partners, CBOs. Community
	Capacity building and trainings / Countywide (attached to Fish Farm Field Schools, Common Interest Groups, farmers and fish dealers / mongers)	Provision of capacity building aid materials, equipment for demo cookerries and Fields days	Promotion of high value traditional feeds	1,500,000	CG, National government, Development partners, CBOs. Community	2020/21	No. of fish farmers reached and trained	1,500	Ongoing	CG, National government, Development partners, CBOs. Community
Fisheries resources management and development	Fisheries resources mapping and geo-referencing countywide	Fisheries resources mapping and creation of a data base	Capacity building on conservation	1,000,000	CG, National government, Development partners, CBOs. Community	2020/21	Information data base No of people accessing information	1 500	new	CG, National government, Development partners, CBOs. Community

Fish Value Addition and Marketing	Establishment of Aquakiosks /Chuka, Kibugua, Itugururu, Kinondoni, Marima, Ruungu, Gatunga and Marimanti	Establishment of Aquakiosks	Soil conservation, proper waste disposal management and Climate Change Adaptation	3,000,000	CG, National government, Development partners, CBOs. Community	2020/21	No. of Aquakiosks established No. of fish farmers /dealers / mongers operating Aquakiosks	8 8	Proposed/new projects	CG, National government, Development partners, CBOs. Community
	Establishment of Aquashops /Chuka, Kathwana, Chiakariga, Marimanti, Mukothima, Gatunga, Chogoria, Magutuni, Mitheru, Marima, Kibunga and Nkondi	Establishment of Aquashops		1,800,000	CG, National government, Development partners, CBOs. Community	2020/21	No. of Aquashops established No. of fish farmers /dealers / mongers operating Aquashops	12 12	Proposed/new projects	CG, National government, Development partners, CBOs. Community
Lifeline programming and Visibility	Communication and Visibility / Countywide	Audio/visual presentations	Conservation and Climate Change Adaptation programmes	300,000	CG, National government, Development partners, CBOs. Community	2020/21	% of fish farmers receiving information	100%	Proposed/new projects	CG, National government, Development partners, CBOs. Community
	Assembling and/or printing of visibility materials /Countywide	Assembling and/or printing of visibility materials		400,000	CG, National government, Development partners, CBOs. Community	2020/21	No. of fish farmers receiving information and sharing feedback	3,000	Proposed/new projects	CG, National government, development partners, CBOs. Community

	Lifeline programming and media communication /Countywide	Lifeline programming and media communication		480,000	CG, National government, Development partners, CBOs. Community	2020/21	No. of fish farmers receiving information and sharing feedback No. of fish dealers / mongers and communities receiving information and sharing feedback	3,000 1,500	Proposed/new projects	CG, National government, Development partners, CBOs. Community
SUB TOTAL (KES)				27,000,000						

3.2.2 Environment and Natural Resources

Table 44: Environment and Natural Resources Capital projects for the 2020/21 FY

Programme Name: Forestry Programme										
Sub Programme	Project name Location (Ward/Sub county/ county wide)	Description of activities	Green Economy consideration	Estimated cost (Kshs. Million)	Source of funds	Time frame	Performance indicators	Targets	Status	Implementing Agency
Mapping and documentation of forest and other natural resources	Mapping and documentation of natural resources	Data collection and recording	Map and quantify the amount of resources	3	County Government	FY 2020/21	Amount of natural resources	Area covered/size	ongoing project	County Government, Geologist
Development of county forest management plans	Management plans	Awareness campaigns, trainings, meetings and workshops	Promote resource protection and conservation ownership	3	County Government	FY 2020/21	No. of plans established	3	ongoing project	County Government,/KFS
Identify and register environment clubs	school greening	Schools/institutions	Clean environment Source of vitamins from fruit trees Serene learning environment	2	County Government	FY 2020/21	No. of schools involved % increase in schools involved	10 18%	ongoing project	County Government, Institution
Restoration and rehabilitation of county forest	Tree planting	Tree planting and awareness creation	Increase carbon sequestration Increase quality and quantity of water Climate change mitigation	5	County Government	FY 2020/21	Area covered	0	ongoing project	County Government/KFS

Formation and strengthening of environmental working committees	Form environment committee	Awareness creation, identification /appointment registration	Promote and enhance environmental conservation and protection	1.5	County Government	FY 2020/21	No. of committee formed	50	ongoing project	County Government/KFS,NEMA
--	----------------------------	--	---	-----	-------------------	------------	-------------------------	----	-----------------	----------------------------

Table 45: Environment And Natural Resources Non Capital Projects

Sub Programme	Project name Location (Ward/Sub county/ county wide)	Description of activities	Green Economy consideration	Estimated cost (Kshs. Million)	Source of funds	Time frame	Performance indicators	Targets	status	Implementing Agency
Air and Noise Control policy formulation	Formulation of Air and Noise Control	Stakeholder meetings	Guidance in control of noise and air pollution	2	County Government	FY 2020/21	Gazetted policy	1	New project	County Government/ NEMA
Promote nature based /Agri business enterprises	Promotion of Nature based projects	Sensitization meetings across the county	Build resilience in mitigation of climate change	3	TNCGG/NDMA	FY 2020/21	No. of nature based enterprises formed	0	New project	County Government,NDMA
Climate change policy /act implementation	Promote use of policy and act	Stakeholder meetings	Guidance in climate change mitigation processes	2	County Government	FY 2020/21	Gazetted policy	1	Ongoing	County Government
Exploration and exploitation	Prospecting county natural resources (across the county)	Exploitation of natural resources Exploration Documentation Public sensitization	Increase income for the county Job creation Increase revenue collection Investment from international communities	10	County Government	FY 2020/21	Amount of natural resources in the county	15	New project	County Government
Mining policy Formalization	Mining policy	Stakeholder meetings	Guiding framework	3	County government	FY 2020/21	Gazetted policy	1	0	County government

3.2.3 Water and Irrigation

Table 46: Water and Irrigation Capital projects

Sector/Sub-sector: WATER AND IRRIGATION Programme Name: DOMESTIC WATER SUPPLY										
Sub Programme	Project name Location (Ward/ Countywide)	Description of activities	Green Economy consideration	Estimated cost (Ksh.)	Source of funds	Time frame	Performance indicators	Targets	status	Implementing Agency
Conservation and Management of Water sources (Springs)	Chogoria ward	Spring protection (Kiangati Springs ,Nturiri springs, Ithima springs, Majira springs, River mutema, karuchanka spring)	-Tree planting along river bank and springs	6,000,000	CGTN	2020-2021	No. of Springs protected	6	The identified springs are susceptible to degradation	CGTN
Construction of Rwiria Water pan	Ganga Ward	Water pan design and construction	Plant grass along the banks of the dam. Manage the stream supplying the dam to curbe siltation	5,000,000	CGTN	2020-2021	Storage capacity	10,000m ³	There is communal land available for construction	CGTN
Solar powered communal boreholes	Mwimbi	Drilling and equipping solar powered boreholes	Provide tree seedling to community to plant trees and increase tree cover in order to increase groundwater recharge	6,000,000	CGTN	2020/2021	No. of boreholes done	3	The target is institutions in the area	CGTN

Solar powered communal boreholes	Muthambi	Drilling and equipping solar powered boreholes	Provide tree seedling to community to plant trees and increase tree cover in order to increase groundwater recharge	6,000,000	CGTN	2020/2021	No. of boreholes done	3	The target is institutions in the area	CGTN
Kamwene water project	Mitheru	Redesign/ Relocate Kamwene storage tank	Proper hydrological assessment	3,000,000	CGTN	2020/2021	Storage capacity constructed	225m ³	The project is operational	CGTN
Solar powered communal boreholes	Mitheru	Drilling and equipping solar powered boreholes	Provide tree seedling to community to plant trees and increase tree cover in order to increase groundwater recharge	6,000,000	CGTN	2020/2021	No. of boreholes done	3	The target is institutions in the area	CGTN
Expansion of Kamatumo W/P	Karingani	Pipeline extension	Strengthen WRUAs to enhance conservation of Riparians	5,000,000	CGTN	2020/2021	Total length covered	4	Existing project	CGTN/ Community (Labour)
Rukindu Water Project	Karingani	Pipeline extension	Strengthen WRUAs to enhance conservation of Riparians	5,000,000	CGTN	2020/2021	Total length covered	4	Existing project	CGTN/ Community (Labour)

Construction of water pans (Daithu, Karemeke, Bairugu, Nkuthika, Muthangara)	Mugwe	Water pan design and construction	Plant grass along the banks of the dam. Manage the stream supplying the dam to curve siltation	15,000,000	CGTN	2020-2021	Storage capacity	50,000m ³	There is communal land available for construction	CGTN
Solar powered communal boreholes	Mugwe	Drilling and equipping solar powered boreholes	Provide tree seedling to community to plant trees and increase tree cover in order to increase groundwater recharge	6,000,000	CGTN	2020/2021	No. of boreholes done	3	The target is institutions in the area	CGTN
Conservation and Management of Water sources (Springs)	Magumoni ward	Spring protection (Ciiri, Kathira, Kamurichu, Gachiambeu, Mukii, Gachiere, Kathata springs, Kanyange, kiringa & Kathanthwa)	-Tree planting along river bank and springs	6,000,000	CGTN	2020-2021	No. of Springs protected	6	The identified springs are susceptible to degradation	CGTN
Solar powered communal Market boreholes	Magumoni	Drilling and equipping solar powered boreholes (Mukuuni, Kinoru and Magenka markets)	Provide tree seedling to community to plant trees and increase tree cover in order to increase groundwater recharge	6,000,000	CGTN	2020/2021	No. of boreholes done	3	The target is Market places	CGTN

Mutino Community Water Project	Igambang'o mbe	Extension and rehabilitation of water system to serve more members	Strengthen WRUAs to enhance conservation of Maara river	5,000,000	CGTN	2020/2021	Total length covered	6	Existing project	CGTN/Community (Labour)
Kajuki Water Project	Igambang'o mbe	Mechanical Trench excavation from kithande to kaareni and provision of Chemicals for the T-works	Strengthen WRUAs to enhance conservation of Nithi river	5,000,000	CGTN	2020/2021	Total length covered	8	Existing project	CGTN
Rehabilitation of Ndigo earth dam	Mariani	design and construction	Plant grass along the banks of the dam. Manage the stream supplying the dam to curve siltation	5,000,000	CGTN	2020-2021	Storage capacity	10,000m ³	The dam is in place, Needs rehabilitation and proper management structures	CGTN
Construction of Check dam along R. Naka	Mariani	Dam design and construction	Manage R. Naka supplying the in partnership with Naka WRUA	15,000,000	CGTN/N aka WRUA	2020-2021	Storage capacity	50,000m ³	The construction will be done on the Riparian land.	CGTN/N aka WRUA
Conservation and Management of Water sources (Springs)	Mariani	Spring protection (Rehabilitation and renovation of ndubi spring, kwa thai ,gakurungu and kirindi)	-Tree planting along river bank and springs	6,000,000	CGTN	2020-2021	No. of Springs protected	6	The identified springs are susceptible to degradation	CGTN

Solar powered communal boreholes	Mariani	Drilling and equipping solar powered boreholes (Nkorogo/Ntuguti, Mare mbo, mwanjati, nkobore, rurea, kiegumo, kithangani)	Provide tree seedling to community to plant trees and increase tree cover in order to increase groundwater recharge	6,000,000	CGTN	2020/2021	No. of boreholes done	3	The target is Market places, schools and other public institutions	CGTN
Construction of water pan/ earth dam at Baikong'I, Nkethe, Kamarandi, Nkorongo, Kamukui and Kangiri	Chiakariga	Water pan design and construction, Harvest water and provide water points	Plant grass along the banks of the dam. Manage the stream supplying the dam to curbe siltation	6,000,000	CGTN	2020-2021	Storage capacity	10,000m ³	There is communal land available for construction	CGTN
Rehabilitation of Kireru & Ntugi water catchment	Chiakariga	De-siltation and major repairs	Plant trees upstream in order to manage silt	5,000,000	CGTN	2020-2021	Storage capacity	10,000m ³	The catchments are not operational	CGTN
Solar powered communal boreholes	Marimanti	Drilling and equipping solar powered boreholes to underserved areas eg Kimomo village	Provide tree seedling to community to plant trees and increase tree cover in order to increase groundwater recharge	6,000,000	CGTN	2020/2021	No. of boreholes done	3	The target is Market places, schools and other public institutions	CGTN
Solar powered communal boreholes	Nkondi	Drilling and equipping solar powered boreholes (kithuru,	Provide tree seedling to community to plant trees and	6,000,000	CGTN	2020/2021	No. of boreholes done	3	The target is Market places, schools and	CGTN

		Gacugini, kiorimba, ciakiungu, kereria, matakiri, nta buta)	increase tree cover in order to increase groundwater recharge						other public institutions	
Construction of Small dams and pans	Gatunga	Water pan design and construction, Harvest water and provide water points (Gaceuni, Makithi, Mpuku Gacuragua, Kaiga Ka Mbiti)	Plant grass along the banks of the dam. Manage the stream supplying the dam to curve siltation	6,000,000	CGTN	2020-2021	Storage capacity	10,000m ³	There is communal land available for construction	CGTN
Solar powered communal boreholes	Gatunga	Drilling and equipping solar powered boreholes at Gitugu, Mubuura, kaangai, Karugwaru, Chiakithine and Maatha	Provide tree seedling to community to plant trees and increase tree cover in order to increase groundwater recharge	6,000,000	CGTN	2020/2021	No. of boreholes done	3	The target is Market places, schools and other public institutions	CGTN
Construction of Riamikuu Gantuara & Rwaarii rock catchment	Gatunga	Rock cleaning, Guttering and construction of storage tanks	-	8,000,000	CGTN	2020-2021	Storage capacity	450m ³	The rocks are in communal land	CGTN
Revive Ura Kathangacini/Makutano Kamacabi Water project	Mukothima/Gatunga	Mainline rehabilitation and lay Makutano Kamacabi pipeline	Strengthen R. Ura WRUA & Provide tree seedling to community to plant	10,000,000	CGTN, TWSB	2020-2021	Total length covered	12km	The project requires a well-established management committee	CGTN

			trees Along Ura River riparians.							
Construction of Small dams and pans	Mukothima	Water pan design and construction, Harvest water and provide water points (Ura Gate & Rukani)	Plant grass along the banks of the dam. Manage the stream supplying the dam to curve siltation	6,000,000	CGTN	2020-2021	Storage capacity	10,000m ³	There is communal land available for construction	CGTN
Solar powered communal boreholes	Mukothima	Drilling and equipping solar powered boreholes in underserved areas e.g Thanantu, Gatithini and Mauthini areas	Provide tree seedling to community to plant trees and increase tree cover in order to increase groundwater recharge	6,000,000	CGTN	2020/2021	No. of boreholes done	3	The target is Market places, schools and other public institutions	CGTN
Support NIWASCO to reach underserved areas	Countywide	New connections and extensions to underserved areas	-Tree planting	5,000,000	CGTN	2020-2021	Number of connections	500 new connections	Operational	CGTN, Community
Sector/Sub-sector: WATER & IRRIGATION										
Programme Name: IRRIGATION AND DRAINAGE SERVICES										
Sub Programme	Project name Location (Ward/Sub county/ county wide)	Description of activities	Green Economy consideration	Estimated cost (Ksh.)	Source of funds	Time frame	Performance indicators	Targets	status	Implementing Agency
Munga Kiriani Multi purpose Irrigation project	Chogoria ward	Completion of the project	-Tree planting -Soil conservation	5,000,000	CGTN	2020/2021	Structures constructed	6Km	Existing project	CGTN/Community (Labour)

			structures							
Irrigation Water for Horticulture	Ganga Ward	Completion of the project	-Tree planting -Soil conservation structures	4,000,000	CGTN	2020/2021	Structures constructed	3Km	Designed	CGTN/Community (Labour)
Mwimbi Ward Irrigation	Mwimbi	Completion of the project	-Tree planting -Soil conservation structures	6,000,000	CGTN	2020/2021	Structures constructed	6Km	Designed	CGTN/Community (Labour)
Muthambi Gitije Irrigation project	Muthambi	Completion of project	Strengthen WRUAs to enhance conservation of Riparian s	5,000,000	CGTN	2020/2021	Structures constructed	3Km	Ongoing project	CGTN
Kamwangu Irrigation project	Muthambi	Completion of the project	Strengthen WRUAs to enhance conservation of Riparian s	5,000,000	CGTN	2020/2021	Total Km laid	5Km	Ongoing project	CGTN
Nithi Kari-Nkorongo Nkobole-Rurea Kanyeere Irr project	Covers Mitheru, Mariani and Igambang'ome wards	Extension of Main Pipeline	- Conserve water source in R. Nithi	15,000,000	CGTN, Community	2020-2021	Total KM coverage	6km	Ongoing project	CGTN, Community

		from the intake								
Maanyaga Irrigation Project	Karingani	Pipeline extension	Strengthen WRUAs to enhance conservation of Riparian s	5,000,000	CGTN	2020/2021	Total length covered	4km	Existing project	CGTN/Community (Labour)
Revive Gitareni Irrigation project	Mugwe	Intake Pipes Fittings	-Tree planting -Soil conservation structures	8,500,000	CGTN	2020/2021	Complete intake & Length of mainline laid	10Km	Designed	CGTN/Community (Labour)
Rubate Irrigation project	Magumoni	Extension of Main Pipeline from the intake	Strengthen WRUAs to enhance conservation of Riparian s	8,500,000	CGTN	2020/2021	Total length covered	4km	Existing project	CGTN/Community (Labour)
Thuita Irrigation project	Magumoni	-Fittings -Pipeline	-Tree planting -Soil conservation structures	6,000,000	CGTN, Community	2020/2021	Complete intake & Length of mainline laid	3Km	Existing project	CGTN/Community (Labour)
Mukui Uri Mbugi Irrigation Project	Magumoni	Construction of Intake and mainline	Increase tree cover in the	8,000,000	CGTN, Community	2020/2021	Complete intake & Length of mainline laid	3km	Designed	CGTN, Community

			catchment area							
Kavando Irrigation Project	Igambangombe	Extension of main pipeline	Conserve the water source and strengthen R. Thuci WRUA	10,000,000	CGTN, Community	2020-2021	Total KM coverage	6km	Ongoing project but has not reached farmers	CGTN, Community
Kamuthiga Irrigation project	Igambangombe	Construction of Intake and mainline	Increase tree cover in the catchment area	6,000,000	CGTN, Community	2020-2021	Complete intake structure	1	Address project leadership wrangles	CGTN, Community
Kamonka Irrigation project	Igambangombe	Extension of main pipeline	Conserve the water source and strengthen R. Maarai WRUA	10,000,000	CGTN, Community	2020-2021	Total KM coverage	6km	Ongoing project but has not reached farmers	CGTN, Community
RIWA (Riathiga irrigation water association)	Mariani	Construction of an intake and pipeline section	Increase tree cover in the catchment area	8,000,000	CGTN, Community	2020/2021	Complete intake & Length of mainline laid	3km	The project supports four locations. Design is ready	CGTN, Community
Construction of Intake (Manyirani Irrigation project)	Marimanti	Construction of Intake weir across R. Kathita	strengthen Lower Kathita WRUA to manage	5,000,000	CGTN, Community	2020-2021	Complete intake structure	1	The existing intake does not supply	CGTN, Community

			& Increase tree cover in the catchment area						water during dry spell, it is done along the banks	
Kinyingiri Irrigation project	Marimanti	Extension of Main Pipeline from the intake	Strengthen Kathita WRUA to enhance conservation of Riparian s	8,000,000	CGTN	2020/2021	Total length covered	4km	Existing project	CGTN/ Community (Labour)
Rukurini Irrigation project	Nkondi	Extension of Main Pipeline from the intake	Strengthen Kathita WRUA to enhance conservation of Riparian s	8,000,000	CGTN	2020/2021	Total length covered	4km	Existing project	CGTN/ Community (Labour)
Sisi Kwa Sisi Irrigation project	Mukothima	Extension of 4" distribution pipeline to Nthanjeni and Gancebere	Conserve the water source and strengthen R. Thanantu WRUA	8,000,000	CGTN, Community	2020-2021	Total KM coverage	10km	Ongoing project but has not reached all the targeted farmers	CGTN, Community (Labour)

Ngongoaka Ntoroni Irrigation project	Mukothima	Re-design the project and construct mainline from the intake	Conserve the water source and strengthen R. Ura WRUA	10,000,000	CGTN, Community	2020-2021	Total KM coverage	6km	Ongoing project but has not reached farmers	CGTN, Community (Labour)
--------------------------------------	-----------	--	--	------------	-----------------	-----------	-------------------	-----	---	--------------------------

3.2.4 Health Sector

Table 47: Health Sector Capital Projects

Programme Name: Curative and rehabilitative Services								
Project name Location (Ward/Sub county/ county wide)	Description of activities	Estimated cost (Kes. Million)	Source of funds	Time frame	Performance indicators	Targets	status (Either new or Ongoing)	Implementing Agency
Upgrading Chuka Level 4 Hospital to a fully pledged level 5 Hospital (County Referral Hospital)	Equipping of modern Kitchen at Chuka County referral hospital	12	County Govt.	2020/21	Completion rate (%)	100%	New	County Govt.
Upgrading Chuka Level 4 Hospital to a fully pledged level 5 Hospital (County Referral Hospital)	- Construction of pediatric ward, female surgical ward, male surgical ward and orthopedic ward in Chuka Hospital	40	County Govt.	2020/21	Completion rate (%)	100%	New	County Govt.
Upgrading Chuka Level 4 Hospital to a fully pledged level 5 Hospital (County Referral Hospital)	Establishment of an ICU unit in Chuka Hospital (Phase)	50	County Govt.	2020/21	Completion rate (%)	100%	New	County Govt.
Upgrading Chuka Level 4 Hospital to a fully pledged level 5 Hospital (County Referral Hospital)	Establish a blood satellite bank in Chuka Hospital	15	County Govt.	2020/21	Completion rate (%)	100%	New	County Govt.
Upgrading Chuka Level 4 Hospital to a fully pledged level 5 Hospital (County Referral Hospital)	Construction of Perimeter wall at Chuka Hospital (Phase I)	12	County Govt.	2020/21	Completion rate (%)	100%	New	County Govt.
Upgrading Chuka Level 4 Hospital to a fully pledged level 5 Hospital (County Referral Hospital)	Completion and equipping of Maternity ward in Chuka L4 Hospital	5	County Govt.	2020/21	Completion rate (%)	100%	Ongoing	County Govt.
Standardization of Magutuni Level 4 Hospitals	Establish an X-Ray unit in Magutuni Hospital	10	County Govt.	2020/21	Completion rate (%)	100%	New	County Govt.
Standardization of Magutuni Level 4 Hospitals	Construct a Laundry in Magutuni Hospital	5	County Govt.	2020/21	Completion rate (%)	100%	New	County Govt.

Standardization of Magutuni Level 4 Hospitals	Construction and equipping a modern Kitchen	12	County Govt.	2020/21	Completion rate (%)	100%	New	County Govt.
Standardization of Marimanti Level 4 Hospitals	Completion and equipping of OPD block at Marimanti L4 Hospital	20	County Govt.	2020/21	Completion rate (%)	100%	Ongoing	County Govt.
Standardization of Marimanti Level 4 Hospitals	Construction and equipping of a laundry block at Marimanti L4 Hospital	5	County Govt.	2020/21	Completion rate (%)	100%	New	County Govt.
Standardization of Marimanti Level 4 Hospitals	Construction of an incinerator at Marimanti L4 Hospital	5	County Govt.	2020/21	Completion rate (%)	100%	New	County Govt.
Standardization of Marimanti Level 4 Hospitals	completion of pathology ward unit and fencing of hospital	10	County Govt.	2020/21	Completion rate (%)	100%	Ongoing	County Govt.
Standardization of Kibung'a Level 4 Hospital	Completion and equipping of an operating theatre at Kibung'a L4 Hospital	6	County Govt.	2020/21	Completion rate (%)	100%	Ongoing	County Govt.
Upgrade Gatunga Model Health Center to a Level 4 Hospital	Construction of a female, paediatric and male wards at Gatunga Model Health Center (3)	5	County Govt.	2020/21	Completion rate (%)	100%	New	County Govt.
Upgrade Gatunga Model Health Center to a Level 4 Hospital	Construction of a laundry block at Gatunga Model Health Center	5	County Govt.	2020/21	Completion rate (%)	100%	New	County Govt.
Standardization of existing Health Centers and dispensaries	Construction of a modern Kitchen at Gatunga Model Health Center	5	County Govt.	2020/21	Completion rate (%)	100%	New	County Govt.
Standardization of existing Health Centers and dispensaries	One per ward	30	County Govt.	2020/21	Completion rate (%)	100%	Ongoing	County Govt.
Standardization of existing Health Centers and dispensaries	Procurement of assorted medical equipment	15	County Govt.	2020/21	Completion rate (%)	100%	New	County Govt.
Standardization of existing Health Centers and dispensaries	Completion and equipping of Igamutundu Dispensary Maternity unit	30	County Govt.	2020/21	Completion rate (%)	100%	Ongoing	County Govt.

Table 48: Health Sector Non-Capital Projects

Project name Location (Ward/Sub county/ county wide)	Description of activities	Estimated cost (Kes. Million)	Source of funds	Time frame	Performance indicators	Targets	status (Either new or Ongoing)	Implementing Agency
Standardization of Magutuni Level 4 Hospitals	Erection of perimeter fence at Magutuni Hospital	4	County Govt.	2020/21	Completion rate (%)	100%	New	County Govt.
Completion of Makutano dispensary – Shauri	Outpatient unit	3	County Govt.	2020/21	Completion rate (%)	100%	New	County Govt.
Standardization of existing Health Centers and dispensaries	Completion and equipping of a kitchen and a placenta pit at Mutindwa dispensary	3	County Govt.	2020/21	Completion rate (%)	100%	Ongoing	County Govt.
Standardization of existing Health Centers and dispensaries	Equipping of female and pediatric ward at Muthambi Health Center	3	County Govt.	2020/21	Completion rate (%)	100%	Ongoing	County Govt.

3.2.5 Education, Youth, Culture, Sports and Social Services

Table 49: Capital Projects Programme Name: Basic Education and Technical Training

Sub Programme	Project Name	Description Of Activities	Green Economy	Estimate (KSh millions)	Source Of Funding	Time Frame	Performance Indicators	Targets	Status	Implementing
Technical Training	Improvement Of YPS, Refurbishment And Rehabilitation	Improvement Of Infrastructure	Inclusion Of All	35	County Government	FY 2020/21	No. Of YPS Rehabilitated	22 youth polytechnics	On-Going	Department Of Education
	Provision Of Grants	Disbursement Of Grants	Inclusion Of All	40	County Government	FY 2020/21	No Of Beneficiaries	22 youth polytechnics		Department Of Education
Youth Empowerment	Youth Empowerment fund	Empowerment	Inclusion Of All	20	County Government	FY 2020/21	No Of Beneficiaries	Various	Ongoing	Youth Affairs

	Talent Academy	Construction And Equipping	Inclusion Of All	5	County Government	FY 2020/21	% Of Completion	One talent academy	New	Youths
	Youth Rehabilitation Centre	Construction And Equipping	Inclusion Of All	1.5	County Government	FY 2020/21	% Of Completion	Various	New	Youths
Basic Education	Construction Of ECDE Classes	Construction	Inclusion Of All	30	County Government	FY 2020/21	No Of ECDE Constructed	5 per ward	On-Going	Department Of Education
Basic Education	School Feeding Program	Milk Program	Inclusion Of All	5	County Government	FY 2020/21	No Of Children	Various	New	Department Of Education
Basic Education	Bursary Management	Management Of Bursaries	Inclusion Of All	30	County Government	FY 2020/21	No Of Bursaries Disbursed	Various	New	Department Of Education

Sports Development

Programme Name: Sports Development										
Sub Programme	Project Name Location (Ward/Sub County/ County Wide)	Description Of Activities	Green Economy Consideration	Estimated Cost (Ksh. millions)	Source Of Funds	Time Frame	Performance Indicators	Targets	Status (Either New Or Ongoing)	Implementing Agency
Sports Development	Upgrading And Rehabilitating of Stadiums	Greening , Irrigation, Levelling And Pavilion	Inclusion Of All	9	County Government	Fy 2020/21	No. Of Stadiums Rehabilitated	3	Ongoing	Department Of Sports
Non-Capital Projects										
Sports Talent Promotion	Inter Counties Games Kyisa	Selection Of Under 23 Years	Inclusion Of All	3	County Government	Fy 2020/21	No Of Athletes Scouted	200	Ongoing	Department Of Sports
Sports Talent Promotion	Athletics , Leagues And Tournament	Facilitating And Scouting Of Talents	Inclusion Of All	2	County Government	Fy 2020/21	No Of Athletes Scouted	500	Ongoing	Department Of Sports
Sports Talent Promotion	Sports Day/Kicocsa	Staff Games And Competitions	Inclusion Of All	2	County Government	Fy 2020/21	No Of Athletes Scouted Best Department	100	Ongoing	Department Of Sports
Sports Talent Promotion	Procurement Of Sports Equipment	Procurement	Inclusion Of All	2	County Government	Fy 2020/2021	No Of Equipment Procured	500 Assorted	Ongoing	Sports

Culture, Arts and Social services

Capital Projects										
Sector/Sub-Sector: Culture Promotion										
Programme Name:										
Sub Programme	Project Name Location (Ward/Sub County/ County Wide)	Description Of Activities	Green Economy Consideration	Estimated Cost (Ksh. Millions)	Source Of Funds	Time Frame	Performance Indicators	Targets	Status (Either New Or Ongoing)	Implementing Agency
Social services	Kathwana Social Hall	Construction	Inclusion Of All	7	County Government	Fy 2020/2021	% Of Completion	1	Ongoing	Dept Of Culture
Social services	Uragate Culture Festival	Exhibition	Inclusion Of All	15	County Government	Fy 2020/2021	No Of Exhibitions Held	1	Ongoing	Dept Of Culture
Non-Capital Projects										
Social services	Capacity Building For Youth Involving Career Guidance,	Training	Inclusion Of All	2	County Government	Fy 2020/2021	No Of Youths Trained	250	Ongoing	Dept Of Culture
Social services	Equipment's For Plwds	Procurement	Inclusion Of All	2	County Government	Fy 2020/2021	No Of Equipment	100	Ongoing	Dept Of Culture
Social services	Fgm / Early Pregnancy Campaigns	Trainings	Inclusion Of All	2	County Government	Fy 2020/2021	No Of Campaigns	1000	Ongoing	Dept Of Culture
Social services	Substance And Drug Abuse	Campaign	Inclusion Of All	1	County Government	Fy 2020/2021	No Of Campaigns	2000	Ongoing	Dept Of Culture
Social services	Music Festival And Exhibitions Competitions	Competitions	Inclusion Of All	3	County Government	Fy 2020/2021	No Of Competition	7	Ongoing	Dept Of Culture
Social services	Tharaka Nithi County Choir	Competitions	Inclusion Of All	1	County Government	Fy 2020/2021	No Of Competition	1	New	Dept Of Culture

Tourism development, diversification and Promotion

Programme Name: Tourism Development, Diversification And Promotion										
Sub Programme	Project Name Location (Ward/Sub County/ County Wide)	Description Of Activities	Green Economy Consideration	Estimated Cost (Ksh. Millions)	Source Of Funds	Time Frame	Performance Indicators	Targets	Status (Either New Or Ongoing)	Implementing Agency
Tourism Development & Promotion	Kinondoni Lodge Upgrade Maara	Rehabilitation And Upgrade Of Kinondoni Lodge	Integrated Solid Waste Management Environmental Conservation Availability Of Information Pertaining HIV/ Aids	2	TNCGG Development Partners	FY 2020/21	Increase In Number Of Tourists' Arrivals	1200 Tourists	On Going	TNCGG- Department Of Tourism
	County Branding Countywide	Branding And Installation Of Signages	Disability Friendly Structures	1	TNCGG Development Partners	FY 2020/21	No Of Signages Erected	10 Signages	New	TNCGG- Department Of Tourism
	County Marketing	Marketing Of Tourism Attractions And Facilities In All The Sub-Counties	Availability Of Information Pertaining HIV/ Aids	1	TNCGG	FY 2020/21	Increase In Number Of Tourists' Arrivals	1200 Visitors	New	TNCGG- Department Of Tourism
	Tourist Infrastructure	Establishment And Development Of Cultural Centres, Tourism Markets And Heritage Sites - Countywide	Disability Friendly Structures Integrated Solid Waste Management Environmental Conservation	3	TNCGG Development Partners	FY 2020/21	Increase In Number Of Tourists' Arrivals	1200 Visitors	On Going	TNCGG- Department Of Tourism

			Availability Of Information Pertaining HIV/ Aids							
	Tourists Sites Branding	Construction And Branding Of The Tourism Sites	Disability Friendly Structures	5	TNCGG Development Partners	FY 2020/21	No Of Sites Developed And Branded	10 Tourist Sites	New	TNCGG- Department Of Tourism
	Purchase Of 1 Tour Van	Procurement	Inclusion Of All	7M	TNCGG Development Partners	FY 2020/21	No Of Sites Developed And Branded	10 Tourist Sites	New	TNCGG- Department Of Tourism
	Purchase Of 1 Tourism Bus	Procurement	Inclusion Of All	12M	TNCGG Development Partners	FY 2020/21	No Of Sites Developed And Branded	10 Tourist Sites	New	TNCGG- Department Of Tourism
	Construction Of Art Gallery	Construction Stocking	Disability Friendly Structures	5M	TNCGG Development Partners	FY 2020/21	No Of Sites Developed And Branded	10 Tourist Sites	New	TNCGG- Department Of Tourism
Sub-Total				36M						

Non-Capital Projects

Programme 4: Tourism Development and Promotion										
Sub Programme	Project Name Location (Ward/Sub County/ County Wide)	Description Of Activities	Green Economy Consideration	Estimated Cost (Ksh. Millions)	Source Of Funds	Time Frame	Performance Indicators	Targets	Status (Either New Or Ongoing)	Implementing Agency
Tourism development & promotion	Tourism promotion-countywide	Design and production of documentaries	The documentaries will have messages on HIV/AIDS, climate change, gender issues, DRM and EDE	4	TNCGG Development partners	FY 2020/21	No of documentaries produced	1 Documentary	On going	TNCGG-department of tourism

County tourism ambassadors	Mr. & Miss county Tourism Ambassadors /Tharaka Nithi	The boot camp will have lessons on HIV/AIDS, climate change, gender issues, DRM and EDE	3	TNCGG	FY 2020/21	One Mr & Miss County Tourism Ambassador held	Two county representatives	On going	TNCGG-department of tourism
Tourism Stakeholders Conference – county wide	Organize a county tourism stakeholders conference	Encourage youths and PWDs to participate in the conference	2	TNCGG	FY 2020/21	No of conferences held annually	1	New	TNCGG-department of tourism
Feasibility studies on cable cars and zip line	Conducting a Feasibility study on their viability	Environmental conservation	1	TNCGG Development partners State department of tourism	FY 2020/21	Number of feasibility studies done	2 feasibility studies	New	TNCGG-department of tourism KWS
Chiakariga cultural Centre		Disability friendly structures Integrated solid waste management Environmental conservation Availability of information pertaining HIV/ AIDs	3	TNCGG Development partners	FY 2020/21	Increase in number of tourists' arrivals	1200 visitors	On going	TNCGG-department of tourism
Nkondi tourism market		Disability friendly structures Integrated solid waste management Environmental conservation Availability of information	3	TNCGG Development partners	FY 2020/21	Increase in number of tourists' arrivals	1200 visitors	New	TNCGG-department of tourism

3.2.5 Roads, Transport and Infrastructure

Capital Projects

Capital Projects										
Sector/Sub-sector: Transport, Infrastructure and Public Housing										
Programme Name: Road construction, Maintenance and Rehabilitation										
Sub Programme	Project name Location (Ward/Sub county/ county wide)	Description of activities	Green Economy consideration	Estimated cost (Ksh.) Millions	Source of funds	Time frame	Performance indicators	Targets	status (Either new or Ongoing)	Implementing Agency
Ward roads maintenance and improvement	15 wards (15 m per ward)	Grading, gravelling, drainage and continuous maintenance	Tree planting and solar lighting programs	150	RMFL, KERRA, County Government funding, KURA	2020- 21	Number of kilometres maintained	750km	New	CGTN
Construction of new tarmac roads	Kambandi-Chera – Ruguti roads/ Mugwe ward	Tarmac	Tree planting and solar energy lighting	50	RMFL, KERRA, County Government funding, KURA	2020- 21	Number of kilometres tarmacked	2	Ongoing	CGTN
Construction of new tarmac roads	Tunyai –Nthaara	Tarmac	Tree planting and solar energy lighting	50	RMFL, KERRA, County Government funding, KURA	2020- 21	Number of kilometres tarmacked	2	Ongoing	CGTN
Construction of new tarmac roads	Chogoria town roads	Tarmac	Tree planting and solar energy lighting	50	RMFL, KERRA, County Government funding, KURA	2020- 21	Number of kilometres tarmacked	2	Ongoing	CGTN
Programme 2: Construction of bridges, footbridges, drifts and culverts										
Capital projects										

Construction of bridges, footbridges, drifts and culverts	River Kithitu – Kiurani bridge	Bridge construction	Tree planting and solar energy lighting	5	CGTN	2020-21	Percentage of bridge constructed	1 bridge	New	CGTN
Construction of bridges, footbridges, drifts and culverts	Maringaniro Bridge	Bridge construction	Tree planting and solar energy lighting	5	CGTN	2020-21	Percentage of bridge constructed	1 bridge	New	CGTN
Construction of bridges, footbridges, drifts and culverts	Njue Feeder Road bridge	Bridge construction	Tree planting and solar energy lighting	5	CGTN	2020-21	Percentage of bridge constructed	1 bridge	New	CGTN
Construction of bridges, footbridges, drifts and culverts	Kaari bridge across River Nithi	Bridge construction	Tree planting and solar energy lighting	5	CGTN	2020-21	Percentage of bridge constructed	1 bridge	New	CGTN
Construction of bridges, footbridges, drifts and culverts	Karumandi Bridge	Bridge construction	Tree planting and solar energy lighting	5	CGTN	2020-21	Percentage of bridge constructed	1 bridge	New	CGTN
Construction of bridges, footbridges, drifts and culverts	Tungu Bridge	Bridge construction - Karingani	Tree planting and solar energy lighting	5	CGTN	2020-21	Percentage of bridge constructed	1 bridge	New	CGTN
Construction of bridges, footbridges,	Mutuguni-Ntau-Magumoni girls	Footbridge construction - Magumoni	Tree planting and solar energy lighting	5	CGTN	2020-21	Percentage of bridge constructed	1 bridge	New	CGTN

drifts and culverts										
Construction of bridges, footbridges, drifts and culverts	Nkobore- kagiri-kanthanga	Drift construction - Marinai	Tree planting and solar energy lighting	2	CGTN	2020-21	Percentage of bridge constructed	1 bridge	New	CGTN
Construction of bridges, footbridges, drifts and culverts	miramba ya nchunge,r.kirimu, near uturi dispensary, nkang'a, Ruguti	Drift construction – Chiakariga	Tree planting and solar energy lighting	6	CGTN	2020-21	Percentage of bridge constructed	1 bridge	New	CGTN
Construction of bridges, footbridges, drifts and culverts	across the following rivers,streams i.e muthithi wa ngondu, nkundi pry, kiji,kangutu, muuro wa ntaruku, nkunyini, gaukuro, kamakurungu	Drift construction – Marimanti	Tree planting and solar energy lighting	10	CGTN	2020-21	Percentage of bridge constructed	1 bridge	New	CGTN
Construction of bridges, footbridges, drifts and culverts	Rukurini, Kiorimba, Ntenderu, Mwanyani pry	Drift construction of drifts	Tree planting and solar energy lighting	8	CGTN	2020-21	Percentage of bridge constructed	1 bridge	New	CGTN
Non-Capital Projects										
	Road works and lighting	Feasibility study	Tree planting and solar lighting programs	6	CGTN	2020-21	No. of feasibility studies done		Ongoing	CGTN

	Mapping and classification of roads	Mapping and classification of roads	Tree planting and solar lighting programs	5	CGTN	2020-21	Percentage of classified roads		Ongoing	CGTN
GRAND TOTAL				582						

3.2.6 Lands, Physical Planning and Urban Development

Table 50: Capital Projects Lands, Physical Planning and Urban Development

Programme 1: Spatial Plans										
Capital projects										
Sub Programme	Project name Location	Description of activities	Green Economy and Cross-cutting consideration	Estimated cost (Kshs. Million)	Source of funds	Time frame	Performance indicators	Targets	status	Implementing Agency
County Spatial Plan	County Wide	Draft plan presentation -Issuance of notice of completion -Spatial Plan Approval -Publishing and stakeholder engagement	Renewable energy solutions, Inclusion of all	5	- County Government - Development Partners	FY 2020/21	- Notice of completion - Approved county Spatial Plan	1	Ongoing	- County Government - UoN
Market/town Planning and Survey	County Wide	-Stakeholder engagement -Mapping and geo-referencing -plan presentations	Create awareness of climate change	5	- County Government	FY 2020/21	- Market Plans developed - Leases issued - Improved land tenure	30	Ongoing	- County Government
Development Control and enforcement	County Wide	-Automation of development control -Planning clinics -Routine surveillance -Acquisition of motor vehicles	Create awareness of climate change	7	- County Government	FY 2020/21	- % of approved development	60	20	- County Government
Sub-Total				57						

Programme 2: Lands										
Capital projects										
Completion of ongoing Adjudication Sections	Support land adjudication	- Demarcation - Survey - Registration - Issuance of Titles	Create awareness of climate change	5	- National Government - County Government	FY 2020/21	- Title deed issued	3,000	Ongoing	-National Government -County Government
Sub-Total				5						
Programme 3: Urban Infrastructure Development										
Capital projects										
Opening, grading and murruming of market roads	Countywide	Opening, grading and murruming	Tree planting Awareness, Renewable energy, drainage system,	45	TNCGG	FY 2020/21	KMs of roads under marram	- 20 Km	Ongoing	County engineer
		Cabro paving of urban roads and parking spaces		30				-10,000		
Street lighting	Countywide	Installation of high masts	Tree planting, Renewable energy, drainage system, HIV awareness creation. system, HIV awareness creation.	30	TNCGG	FY 2020/21	number of solar high masts	30	Ongoing	County Government
Construction of Stage sheds	Countywide	Construct waiting bays for travelers		10	TNCGG	FY 2020/21	No. of stage sheds	10	Ongoing	County Government
Construction of lorry and bus parks	Karingani	Construction of lorry and bus parks	Climate Change awareness	30	TNCGG	FY 2020/21	No. of parks constructed	2	New	County Government

Development of Urban Recreation and Open spaces	Countywide	-Development of recreation park and other public open spaces	Climate Change awareness	30	TNCGG	FY 2020/21	No. of recreation parks and open spaces developed	2	Ongoing	County Government
Development of market infrastructure	Countywide	-Modern kiosks -Open air markets -Sanitation facilities	Climate Change awareness	14	TNCGG	FY 2020/21	No. of markets developed	5	Ongoing	County Government
Urban water and sanitation programme	Countywide	Construction of modern ablution blocks	Environmental conservation	15	TNCG		Number of toilets constructed	60	Ongoing	County government
Staff Housing scheme	Kathwana	Two no executive block	Environmental conservation	25	TNCG		Number of units completed	2	Ongoing	County government
Sub-Total				240						
Programme 4: Solid Waste Management										
Capital projects										
Development of solid waste management	Countywide	-Skip loader and other specialized equipment -Register private waste collectors -Monthly clean-up or urban areas countywide -Establish waste management centres in main urban areas - Operationalization of waste	Climate change awareness	50	TNCGG	FY 2020/21	No. of waste management centres developed	4	Ongoing	County Government

		management policy -Automation of waste handling and management								
Programme 5: Climate change and adaptation										
Non capital projects										
County Climate Change Fund Mechanism	County Climate Change Fund	Sensitization meetings across the county Implementation of the county climate change policy and legislation Implementation of public goods investments to build community resilience	Increase food security Reports on disaster risk reduction and preparedness	10	County Government	FY 2020/21	No. of trainings/barazas/workshops organized No. of households targeted No. operational committees No. public goods investments implemented Percentage allocation to CCF	30 5,000 households 17 12 1% of county budget	New	County Government, Adaptation Consortium
Climate Information System	Climate Information System	Stakeholder meetings	Guidance in climate change mitigation processes	2	MET	FY 2020/21	Information system developed	1	New	County Government, Adaptation Consortium
Sub-Total				62						

3.2.7 Energy and ICT Sector

Table 51: Energy And ICT Capital and Non Capital Projects

3.3a.8 Energy and ICT Sector										
Programme 1: Integrated ICT infrastructure and Equipment										
Modern ICT Equipment(Phase III)	Modern ICT Equipment (PHASE III)- County Head quarter offices –Kathwana and sub county ICT support offices	Procure and fix/install; a) Power backup system for ICT equipment connection b) Servers c) Firewalls ,routers and switches	Encourage use of solar energy and other sources of clean energy	9	County Government GoK	FY 2020-2021	Number of modern ICT equipment in place	70 Computers 2 Servers 1 Firewalls 4 Routers 15 Switches 2 UPS	New	TNCG
ICT Network and Internet Infrastructure(PHASE III)	ICT Network and Internet Infrastructure (PHASE III). ICT Hubs	Set up; Data cabling, LAN and WAN setup, Internet Construct and equip ICT hub in every constituency	Encourage use of solar energy and other sources of clean energy	11	County Government GoK	FY 2020-2021	Revenue offices sub county offices ICT Hubs	Revenue offices Remaining sub county offices 3 ICT Hubs	New	TNCG
Unified Communication	Unified Communication (PHASE II)	Procure and set up: a) Telephone PABX, b) Video conferencing c) Website hosting and maintenance and intranet	Encourage use of solar energy and other sources of clean energy	2	County Government	FY 2020-2021	No. of county offices with unified communication and systems upgraded	1 PBX 30 IP phones 50% New office block using the video conferencing method County website upgraded and maintained	New	TNCG

Programme 2: Integrated Revenue Management & Surveillance										
Revenue automation and Provision of CCTV surveillance services	Automate Bus park revenue collection – Other locations and fix CCTV surveillance services in 50% of all Parking streets And Bus parks	fix surveillance, maintain and upgrade the system	Plant trees and encourage use of solar energy and renewable sources of energy	10	County Government	FY 2020-2021	% increase in Amount of revenue collected and curb embezzlement	- Bus parks and parking streets	Ongoing	ICT department Trade Finance
Programme3 : Grid Electricity										
Grid electricity	Stima kwa Wote	Upgrade power at Health centres	Encourage use of solar energy and other sources of clean energy	8	County Government Partners	FY 2020-2021	No. of health facilities, polytechnics, markets connected to the grid. with upgraded power	3 hospitals Unconnected polytechnics	New	TNCG (Energy & ICT Health Education)
		Survey, purchase transformers and extend electricity of needy selected areas.	Encourage use of solar energy and other sources of clean energy	8	County Government Partners GoK	FY 2020-2021	No. of Transformers purchased	15	New	TNCG (Energy & ICT Trade Lands, and Physical Planning)
Programme 4: General ICT administration, planning and support services										
County ICT Policy Regulation	County ICT Policy Regulation ,Maintenance of systems and	Equip staff, pay salaries on time to all ICT and Energy staff Develop County ICT Policies and standards,	Encourage use of solar energy and other sources of clean energy	15	County Government Partners	FY 2020-2021	No. of county ICT and Energy staff equipped, system maintained, ICT policies done and salaries paid on time	100% ICT and Energy staff equipped 100% salary paid 1Energy policy 1 ICT policy	Ongoing	TNCG
Programme 5: Integrated County Information Management Systems										

Integrated Health Management System(IHMS-PHASE III)	Integrated Health Management System - PHASE III (IHMS) -Kibunga hospital 5 health centres	- Procure IHM System with EMR	Encourage use of solar energy and other sources of clean energy	5	County Government Partners	FY 2020-2021	No of health facilities using IHMS	1 hospitals 5 health centres	New	TNCG
Programme 6: Alternative and renewable energy										
Alternative and renewable energy	Alternative Energy	Procure and fix automatic generator in facilities	Encourage use of solar energy and other sources of clean energy	2.5	County Government	FY 2020-2021	No of Automatic generator procured and fixed	5	New	TNCG (Energy & ICT) All other departments

COUNTY ASSEMBLY										
County Assembly Offices and Chamber	Construction of Offices and Chamber/County Hqrs/	Construction (Fast tracking completion of the offices and chamber)	Solar powered system and construction of septic tank -Installation of rainwater harvesting structures - ensure that the building has proper ventilation to minimize daytime power lighting -compliance with PWD needs	100M	County Government treasury	2020/21 FY	%Completion	30%	Ongoing	County Assembly
Staff Housing scheme	Kathwana	Construction of Speakers residence	Environmental conservation	10	TNCG	2020/21 FY	Number of units completed	1	New	County government

3.3 Cross-Sectoral Implementation Considerations

This section provides measures on how to harness cross sector synergies and mitigate adverse cross-sectoral impacts of projects where necessary.

Table 52: Cross-Sectoral impacts

Agriculture

Programme Name	Sector	Cross-sector Impact		MITIGATION MEASURES
		Synergies	Adverse impact	
Agro weather information	Agriculture	Weather forecasting	Crop failure	Sharing of weather data between relevant stakeholders
Youth in Agriculture	Agriculture	Compliment aging farming community	Few youth involved in agriculture	Youth based agricultural programmes
Natural resources management	Agriculture	Agroforestry	Environmental degradation	Promotion of farm forestry
Nutrition	Agriculture	Holistic approach to nutrition	Poor health in particular stunting in children	Multi-sectorial effort

Livestock

Programme Name	Sector	Cross-sector Impact		MITIGATION MEASURES
		Synergies	Adverse impact	
Environment, climate change and disasters	Environment	Smart Agriculture	Reduced greenhouse gas emission	
Animal resources and gender, youth and persons with disabilities	Social, Gender and Youth	Mainstream gender, HIV/AIDS & disability issues	Farmers aware of implications	
Land	Land	Land use planning	Public become aware	
Integrity and ethics	Governance	Corruption free sensitization	Public become aware	
HIV/AIDS	Public Health	Mainstream HIV/AIDS issues	Farmers aware of implications	
Drug and Substance Abuse	Public Health	Public Sensitization on Drug and substance abuse	Public become of drugs and substance abuse and its effects	

Fisheries

Programme Name	Sector	Cross-sector Impact		MITIGATION MEASURES
		Synergies	Adverse impact	
Fish farming production and productivity	Agriculture Sector	Agriculture, Livestock, Veterinary, Health, County Department of Tourism	Environmental degradation	Capacity building
Development of County Trout Farm	Agriculture Sector	KFS, KWS, County Department of Tourism, Water and environment	Ecological disturbance	Capacity building and sensitization

Environment

Programme Name	Sector	Cross-sector Impact		MITIGATION MEASURES
		Synergies	Adverse impact	
Forestry programme	Environment and Natural Resources	-Consultative meetings -Environmental clubs in schools	Increased conflict between the stakeholder	Awareness creation Enforce forestry policy
Solid waste disposal and management programme		-Consultative meetings -Chief Barazas -International and national events	-Conflict between the stakeholders -Increased in disease outbreak -Increased incidences of pollution	Awareness creation/sensitization campaign Launch county cleaning events Enforce polluter pays principle
Climate Change and adaptation Programme		-Consultative meetings - Workshops/trainings -Chief Barazas -International and national events	-Increase in disaster risk emergencies -Increase poverty levels in the community -low productivity -Increase in negative coping strategy	-creating awareness on climate change and adaptation mechanism -
Natural resource exploration and exploitation		Consultative meetings Chief Barazas	Increased conflict between the stakeholder -Untapped natural resource	Exploration and exploitation Awareness creation Proper compensation of the affected community
Policy formulation, implementation and formalization		Consultative meeting/ stakeholder meetings	Lack of commitment Skilled manpower	Commitment by the stakeholders Inclusion of Technical assistance

Energy and ICT

Programme Name	Cross-sector Impact		MITIGATION MEASURES
	Synergies	Adverse impact	
Health Management Information System	<ul style="list-style-type: none"> • Curative, Preventive and informative health Services • Disease Control • Public Health • Ambulance services; Nursing; Nutrition; • Funeral/ Mortuary services • Medical store/Pharmacies 	Improved health services	<ul style="list-style-type: none"> • Efficient and effective management of county health facilities • Establish linkage of programs and activities to promote overall efficiency and effectiveness and achieve gains in population health • Assess the capacity and skill demands and develop or recruit the workforce needed to support the integration and provision of public healthcare services • Promote the use of electronic health records to improve the quality of public healthcare and generate public health data. This can also be a source of revenue for the County • Engage with local communities to promote health Education, access to care and use of clinical preventive services • Avail adequate resources to facilitate efficient delivery of services by use of modern equipment • Provide more resources, tools and equipment to aid in supervision of health care services to the public especially at the ward level • Develop and implement a system to track usage of medicine to avoid wastage

3.4 Payments of Grants, Benefits and Subsidies

This section gives information on proposed payment of Grants, Benefits and Subsidies that the county government will do in the FY 2020/21 plan period.

Table 53: Payments of Grants, Benefits and Subsidies

Type of payment	Amount (Ksh.)	Beneficiary	Purpose
DANIDA	10,875,000	Level 2 & 3 Health Facilities	Operations and maintenance

THS-UHC	40,049,752	RMNCAH Activities	To improve RMNCAH indicators
Crop subsidy strategy	40,000,000	20,000	Enhance production and productivity
Subsidized fertilizer	100,000,000	25,000	Enhance production, productivity and farm incomes
Transfers to conditional programmes	190,000,000	ASDSP/KCSAP	Special programs
Subsidized Youth polytechnic grants	80,000,000	21 Vocational training centres	Operational and development costs
School Bursaries	30,000,000	Students in secondary , tertiary and colleges	Support to needy students

CHAPTER FOUR: RESOURCE ALLOCATION

This chapter presents a summary of the proposed budget by programme and sector/ sub sector. It should also provide a description of how the county government is responding to changes in the financial and economic environment.

4.0 Resource allocation criteria

This indicates the criterion that was used in the allocation of resources per sector/sub sector and per programme.

4.1 Proposed Budget by Programme

This section presents the proposed budget for the programmes identified in chapter three.

Table 54: Summary of Proposed Budget by Programme/ Sub-sector

Sector/ Department	Sub-sector /Programme Name	Amount in Millions (Kshs.)
Agriculture, Livestock, Fisheries, Water & Irrigation and Cooperative Development	Crop production	258.0
	cooperatives development	20
	Livestock production	81
	Veterinary services	64
	Fisheries Development	32
	Domestic water supply	186
	Irrigation and drainage services	152
Environment and Natural Resources	Forestry	14.5
	Climate change and adaption	3.0
	Policy Formulation	9.0
	Natural resource exploration and exploitation	10.0
Health	Curative and rehabilitative services	275.0
	Preventive and promotive services	15.0
	General Administration planning and support	0.0
Education, Youth, Sports, Tourism and Culture	Basic Education and Technical Training	210.0
	Sports Development	42.0
	Culture, Arts and Social Services	46.0
	Tourism Development, diversification and Promotion	52.0
Roads, Transport and Infrastructure	Roads maintenance and construction	510.00
	Construction of bridges	72.00
Lands, Physical planning and Urban Development	Spatial planning services	57.0
	Land adjudication	10.0
	Urban Infrastructure and Development	270.0
	Waste management	62.0
Energy and ICT	Integrated ICT infrastructure and equipment	22

	County integrated information management systems	5
	Integrated revenue management surveillance	10
	Grid electricity	16
	Alternative and renewable energy	2.5
	General ICT administration planning and support services	15
Public Administration	Finance and planning	40.0
County Assembly	County Assembly	110.0
Total		2671

4.2 Proposed Budget by Sector

Table 55: Summary of Proposed Budget by Sector/Sub-Sector

Sector	Amount in Millions (Kshs.)	As a (%) of the total budget
Agriculture, Livestock, Fisheries, and Cooperative Development	455.00	17%
Environment and Natural Resources	36.50	1.4%
Health	290.00	10.9%
Education, Youth, Sports, Tourism and Culture	350.00	13.1%
Roads, Transport and Infrastructure	582.00	21.8%
Lands, Physical Planning and Urban Development	399.00	14.9%
Water and Irrigation	338.00	12.7%
Energy and ICT	70.50	2.6%
Public Administration, Finance and Economic Planning	40.00	1.5%
County Assembly	110.00	4.1%
TOTAL	2671	100.00

4.3 Financial and Economic Environment

The County Government endeavors to promote economic development aligned to the National Government's Medium-Term Plan (MTP III) and the Big 4 agenda. Thus the County Government strategic priorities are anchored on fostering sustainable development that promotes inclusive economic growth and opens economic opportunities for a better future for residents. The priority

programmes being implemented are: (1) transforming agriculture for improved production and productivity; (2) ensuring access to quality and affordable health services; (3) providing efficient, affordable and reliable infrastructure and services for sustainable economic growth; (4) promoting quality, inclusive, diverse, accessible education and promote cohesion; (5) providing conducive environment and sustainable exploration and exploitation of natural resources; (6) creating conducive business and tourism environment; (7) attaining efficient, equitable and sustainable use of land resource, spatial planning and development of urban areas; (8) ensuring provision of efficient and effective public service delivery; and (9) strengthening the democratic arena and fostering good governance.

4.4 Risks, Assumptions and Mitigation measures

This section indicates the risks, assumptions and mitigation measures during the implementation period.

Table 56: Risks, Assumptions and Mitigation measures

Risk	Assumption	Mitigation Measures
National Government failure to disperse funds timely/ Late disbursement of project funds	National Government will disperse funds timely	<ul style="list-style-type: none"> - County to make constant follow up with National treasury - Review of projects Gantt Charts to accommodate the eventuality
Inadequate funding	The central government will release funds timely	<ul style="list-style-type: none"> - Prudent management of funds - Resource mobilization from other sources especially partners through grants - Value engineering to reduce estimated costs to get same quality projects at lower costs
Health workers strike	There will be no industrial action	<ul style="list-style-type: none"> - Grievances will be addressed timely
Drought	There will be normal distribution of rains	<ul style="list-style-type: none"> - Destocking of livestock - Sustainable water harvesting techniques, irrigation and conservation agriculture
Pest and disease outbreak	There will be no emergence of new pest and diseases	<ul style="list-style-type: none"> - Disease surveillance and disease control measures like controlled livestock movement and quarantine - Mass vaccination prior to rainy seasons
Political interference	Cordial relationship between the county and national governments	<ul style="list-style-type: none"> - Enhance participation and partnerships

Lack of adequate policy on environment	The necessary policies will be enacted	- Work closely with county assembly to enact policies at County level
Lack of construction space	Adequate public land set aside for offices	- Buy or source for land from existing nation government public offices
Expensive supplement feeds	There is market for supplement feeds	- Market for supplement feeds
Seasonality of pasture availability (open grazing areas)	There are irrigation systems for Irrigated pasture and fodder production for sale Pasture and fodder storage	- Irrigated pasture and fodder production for sale - Pasture and fodder storage
Inadequate arable land/ Fewer people going into farming	There are new farmers/ urban farming	- New farmers/ urban farming
Capital-intensive (dairy) Poor breeding programmes	There are New technologies of Livestock production	- New technologies of Livestock production
Perishability of livestock products	Value addition/ milk other produce processing	- Value addition/ milk other produce processing
Poor markets for products (surplus time)	Exploration of new markets	- Exploration of new markets
Lack of reliable and updated data	Data is available	- Build data banks
Shortage of extension staff	There are qualified personnel to hire	- Put in place staff exit and recruitment strategies
Degradation of land due to overgrazing	Cooperation from land users	- Proper land use planning
Low adoption of modern technologies	New technologies of Livestock production	- Provide incentives
Floods	Rains will be normal	- Early warning signs - Demarcation - Construction of dams/dykes/gabions

CHAPTER FIVE: MONITORING AND EVALUATION

5.1 Introduction

This chapter discusses the county monitoring and evaluation framework as outlined in the County Integrated Monitoring and Evaluation System (CIMES). It also discusses on the data collection, Analysis and the Reporting mechanisms.

5.2 County Monitoring and Evaluation Framework.

The County Annual Monitoring and Evaluation report (CAMER) presents a review of the progress made on the Medium Term Expenditure Framework (MTEF) when the county budgets are implemented. The CAMER is prepared by the Department of Economic Planning in the unit of Monitoring, Reporting and Evaluation based on the methodology outlined in the County Integrated Monitoring and Evaluation system (CIMES).

The CAMER is geared towards achieving basic fundamental elements including evaluation of performance and analysis of outturns, an overview of possible policy intentions and feedback on how specific shortcomings can be addressed. It's also a means to provide information on the implementation progress on projects, programmes and the set objectives through results tracking on inputs, outcomes, outputs and impacts. The report will ultimately suggest modifications on strategies, policies, targets and indicators on the programmes and projects undertaken by the different sectors within the county.

The CAMER is prepared within the Methodological and Operational Guidelines (MOGs) of the CIMES framework which underpins the feedback on the budget allocation to ensure that future expenditures are tailored to maximize impact on key targets within the strict timelines. The various section of the report presents project implementation status with a focus on the different wards and county departments. The report mainly focuses on the projects funded through the county departments within the budget implementation cycle. The report will also carry status reports submitted by the various county departments based on the Program based Budgeting (PBB) framework and the Annual Development Plan (ADP).

The Department of Economic planning hopes to carry out this exercise more frequently in the future to enable improved monitoring of ongoing projects. The other objective of this exercise is to collect information on the performance of the contractors contracted to construct, purchase, install and or maintain projects listed in this document, whether county/MCA sponsored or privately organized initiatives.

The report is especially important for the promoters, implementers and initiators of county projects since the projects are listed in the county ADP and consequently in the CIDP after numerous internal and public meetings to affirm their level of priority. The ward reporting format is based from the field reports presented by the Monitoring and Evaluation teams who carry out a data collection exercise in the month of July after the end of the financial year.

5.3 Data Collection, Analysis, and Reporting

The county will reinforce the M&E institutional structure to monitor the inputs and activities in order to ensure that they are undertaken at the right time and in the most efficient and cost effective way. This will be done by involving all stakeholders in monitoring and set up a quality feedback mechanism. At the community level community project management committees will be set up. Here the committees will be involved in the daily monitoring for all projects in their jurisdiction. The committee will be elected by the community with the aim of mobilization of resources at the grassroots level. They will be responsible for preparing project reports covering management, finance, implementation, constraints and recommendations which will be used to improve on community action plans (CAPs) and propose further guidelines.

At the sub-county level, Monitoring and Evaluation will be done by the Constituency Monitoring and Evaluation Committee (CMEC). The CMEC will be composed of heads of all sectors represented in the plan and other key stakeholders and will be coordinated at the Constituency Economic Planning Unit (CPU). The committee will monitor, evaluate and make quarterly returns to the Constituency Development Committee (CDCs) for authentication. The report will then be fed into the CIMES.

At the County level, Monitoring and Evaluation will be done by the County Monitoring and Evaluation Committee (CMEC) hosted under the office of the Governor and the Deputy Governor. The CMEC will be composed of heads of all sectors represented in the County, major NGOs and will be coordinated at the County planning unit (CPU). The committee will monitor, evaluate and make quarterly returns to the County Development Committee (CDC) for authentication. The report will then be fed into the County Integrated Monitoring and Evaluation System (CIMES). The County Monitoring and Evaluation Committee (CMEC) will improve and manage County Information Documentation Centre (CIDC) by periodically updating its information database. It will make an inventory of programmes and projects which will include quantifiable targets to be achieved during the planning period. The County Government will reinforce the Independent Monitoring, Evaluation, Reporting and Audit Department that will closely monitor the progress and compliance for all sector programmes and projects. The monitoring and reporting mechanism is tabulated below.

Table 57: Monitoring and Reporting Mechanism

Type of Report	Purpose	Frequency	Responsibility	Report to Who
Annual Reports	Detail annual achievements of the Sector programmes vis-à-vis the outcome indicators; outlining the targets met, challenges and recommendations for the subsequent year	Annual	CECs	H.E. Governor
Semi-Annual Reports	Provides mid-year evaluation of the Sector programmes report	Bi-Annual	Chief Officers	CECs
Quarterly Reports	Details sector projects' status with regard to achievement of the targets providing opportunity for amendments	Quarterly	Directors	Chief Officers
Monthly Activities Reports	These will provide information with regard to various Sector programmes and activities undertaken in the month as per the work plan e.g. status reports. It should highlight the timelines met, challenges and possible recommendations	Monthly	County Technical Officers	Directors
Institutional Framework Information	Information on the Sector staff- the competence to deliver the CIDP	Quarterly	CECs	H.E. Governor
Performance Contract Annual Evaluation Report	The annual performance contract report provides the status of achievements attained by the individuals in the Sector annually. This details actual performance against targets contained in the performance contract	Quarterly and Annually	Directors	Chief Officers & CECs

While reporting, the following template should be used:

Table 58: Monitoring and Evaluation Performance Indicators (a)

Sector/Sub-sector	Key performance indicator	Beginning of the ADP year situation	End of the ADP year situation
Crop production			
Quality farm inputs	Access to certified farm inputs by farmers	20%	40%
Management of post-harvest losses	Reduction of post-harvest losses	30%	40%
Market access for farm produce	Formal marketed produce	10%	30%
Production and Productivity	Increased in farm produce and incomes	30%	50%
Technology access and innovations	Adoption of recommended modern technologies	30%	40%
Sustainable natural resources management	On farm conservation	10%	30%
Veterinary Services			
Subsidized Artificial Insemination	Increased Livestock Productivity & Production		
Diseases and Pest Control and Surveillance	Reduction or eradication of disease incidences		

Veterinary Public Health	Reduced Zoonotic disease cases		
Veterinary Extension services	Increased Livestock Productivity & Production		
Clinical services	Improved Livestock Health		
Financial services and investment	Increased Revenue Collection		
Fisheries			
Fisheries development	No of fingerlings distributed		
	No of ponds stocked		
	% Increase in production from fish farming		
	No. of Kgs of fish feeds distributed		
	No. of farmers benefiting		
	No of Tilapia/catfish fingerlings produced		
	No of Trout fingerlings produced		
	No. of Pellet Extruders provided		
	No of Feed Mixers provided		
	No. of farmers trained on household feeds formulation and production		
Fish quality assurance and bio-safety management	No. of outlets inspected and advised		
	No of fish handlers inspected and advised		
	% reduction in post-harvest losses		
	No. of fish farmers using certified feeds and rearing certified fingerlings		
	No. of fishing gears provided		
	No of fish farmers adapting best fish handling practices	1,020	
	No. of compliance certificates issued	0	
Extension services	No. of Motorcycles purchased	0	
	No. of fish farmers reached and trained	1,020	
	No of fish dealers trained and reached in extension services	0	
	No of fish mongers trained and reached in extension services	0	

Development of cold water fisheries	No. of tanks stocked with trout fingerlings	6	
	No of farmers trained in cold water fisheries	200	
	No of fingerlings propagated	21,000	
	No. of fully equipped office premises	0	
Fish Value Addition and Marketing	No. of Aquakiosks established	0	
	No. of fish farmers /dealers / mongers operating Aquakiosks	0	
	% increase in sales of fish and fish products	96.3 tonnes	
	No. of Aquashops established	0	
	No. of fish farmers /dealers / mongers operating Aquashops	0	
Media, Lifeline programming and Visibility	% of fisheries baseline data updated	20%	
	No. of fish farmers receiving information and sharing feedback	1,020	
	No. of fish dealers / mongers and communities receiving information and sharing feedback	1,020	
Health			
Access	Population living within 5km radius of a standard health facility	No Available Data Estimate	Est.75%
Child Health	Child Health Proportion of <1yr child vaccinated against Measles and Rubella	62.4%	75%
	Proportion of children under one year who are fully immunized	57.9	73%
Maternal Health	Proportion of pregnant women attending 4 ANC visits	43.1	65.6%
Family Planning	WRA receiving FP commodities Coverage	36.6%	55.5%
	Total fertility rate	3.4	3.4
Nutrition Status	Prevalence of stunting	22%	22%
	Vitamin A: 6-11 months once	72.2%	85.5%
HIV and AIDS	Prevalence HIV and AIDS	3.9%	3.2%

Education, Youth, Sports, Culture and Social services			
Vocational Training	Trainee enrolment in YPS	Carry out Baseline Survey	Carry out enrolment status report at the end of the year
	No. of trainees graduating from YPS	Identify the number of Trainee registered at the start of the course	Identify the number certified at end of course
Basic education			
Sports development	% completion	50% complete	projects completed 300 athletes identified
	No. of athletes identified	Zero (0) number of athletes identified	
Culture and arts promotion	% completion	50% complete	projects completed
	No. of beneficiaries	0 beneficiaries	100 beneficiaries
	No. o of successful events	0 events	4 events
Tourism development and promotion	% completion of projects.	15% complete	Project completed
	No of branded sites	10 branded	Sites branded
Roads Transport and Infrastructure			
Maintenance and improvement of earth and gravel roads	Kilometres of roads maintained – grading and gravelling	118km of road requiring grading, gravelling and maintenance	118km of road graded, gravelled and maintained
Construction and upgrading of county roads to bitumen standards (Tarmac)	Kilometres of tarmac roads constructed and purchased equipment	Tunyai-Nthara road is not tarmacked No equipment has been purchased	10km road tarmacked Fully purchased grader.
Construction of bridges, footbridges, drifts and culverts	Number of bridges, footbridges, drifts and culverts constructed	0 completed bridges/footbridges/drifts and culverts	4 completed bridges/footbridges/drifts and culverts
Construction of the county headquarters	Percentage of construction completed	50 % construction completed	75% construction completed

5.4 Monitoring and Evaluation Performance Indicators by Sector

Table 59: Performance Indicators Agriculture

Programme Name: Crop production						
Objective: Increase productivity						
Outcome: Increased family income						
Sub Programme	Key Outcomes/ outputs	Key performance indicators	Baseline	Planned Targets	Achieved Targets	Remarks *
Provision of farm inputs Cereals, Pulses, Vegetables, Fruit trees	Increase in production per Ha.	Adoption of certified farm inputs	20%	40%		
Access to fertilizer	Increased production	Adoption of fertilizers use	20%	40%		
Promotion of conservation agriculture	Food security	Adoption of CA technologies	10%	30%		
Expansion of ATI operation	Farmers reached	Farmers reached	5%	70%		
Enhance produce marketing	Increased farm income	Contract farming and warehousing receipt system	10%	40%		
		No of apex organisations supported	Apex organisations supported: 3	Apex organisations supported: 3		
Resilience and risk management	6 Wards supported to develop Participatory Integrated Community Development (PICD) Community investments funded	No. of wards	Wards: 0	Wards: 6		
		No. of investments proposals funded	Investments proposals funded: 0	Investments proposals funded: 60		
General administration & sector development (under Non-Capital)	Offices equipped	No. of offices	24	24		
	Farmers reached with extension messages	No. of farmers reached	20,000	20,000		

Table 60: Performance Indicators livestock, Veterinary and Fisheries

Performance Indicators Veterinary

Programme Name: Veterinary Services						
Objective: Increase livestock productivity and outputs; improve market access and trade; and ensure national food security						
Outcome: Reduction and eradication of livestock diseases						
Sub Programme	Key Outcomes/ outputs	Key performance indicators	Baseline	Planned Targets	Achieved Targets	Remarks*
Diseases And Pest Control And Surveillance	Reduction Disease Incidences	% Reduction Disease Incidences	5%	4.5%		
	Reduction In Tick-Borne Disease Incidences	% Reduction In Tick-Borne Disease Incidences	0.4%	0.35%		
	Reduction In Vector-Borne Disease Incidences	% Reduction In Vector-Borne Disease Incidences	0.1%	0.08%		
	Reduction In Trans-Boundary Disease Incidences	% Trans-Boundary Disease Incidences	0.2%	0.15%		
Livestock Upgrading/ Breeding	Increase In Productivity	% Increase In Productivity	10litres/Day/Cow 100 Kgs Carcass Weights	12%		
Veterinary Public Health	Reduction In Zoonotic Diseases Incidences	% Reduction In Zoonotic Diseases Incidences	0.5%	0.39%		
Leather Development	Reduction Of Hides And Skins Rejects	% Reduction Of Hides And Skins Rejects	15%	12%		
Veterinary Extension Services	Reduction In Economic Production Losses Due To Diseases	% Reduction In Economic Production Losses Due To Diseases	15million	14%		
Clinical Services	Reduction In Livestock Deaths	% Reduction In Livestock Deaths	15180 Disease Cases	2.5%		
Financial Services And Investment	Increase In Annual Revenue Collection	% Increase In Annual Revenue Collection	Annual Collection of Kshs. 2.6m	24%		

Performance Indicators Fisheries

Programme Name :Fisheries Development						
Objective: increase surface area on fish farming						
Outcome: Increased Income and wealth						
Sub Programme	Key outcome/outputs	Key performance indicators	Baseline	Planned Targets	Achieved Targets	Remarks*
Fish farming production and productivity	increased production from fish farming	% increase in production from fish farming	144 tons	50%		
	Increased no of fish ponds	% Increase in no of fish ponds	1600	10%		
	Increase of fish farmers	% Increase of fish farmers	1200farmers	10%		
	No. of fish farmers benefiting	No. of fish farmers benefiting	1,020	1,500		
Fisheries Resources Conservation And Utilization	Increased Aquaculture Resources Mapped	% Increase Of Aquaculture Resources Mapped	0	100%		
	Fisheries Baseline Data Updated	Baseline Report	1	100%		
Fish Quality Assurance And Bio-Safety Management	Reduction In The Post Harvesting Loss	% Reduction In The Post Harvesting Loss	25	30%		
	Increased Amount Certified Fish Feeds	% Increase In Amount Certified Fish Feeds	10.7T	100%		
	Increased Number Of Fingerlings	% Increase In Number Of Fingerlings	86,600	90%		
	Increased Number Of Fishing Gear	% Increase In Number Of Fishing Gear	45	100%		
	Increased No Of Permits Issued	% Increase In No Of Permits Issued	0	100%		
	Increased In No Of Fish Handlers Complying	% Increase In No Of Fish Handlers Complying	0	100%		
	Extension services	Increase In No Of Farmers Reached	% Increase Of Farmers Reached	1200	100%	
Increase In Transport Facilities		% Increase In Transport Facilities	3	100%		
Increase In No Of Farmers Trained		% Increase In No Of Farmers Trained	1200	1,500		
Development of county trout farm	Increase In Capacity Of The Farm	% Increase In Capacity Of The Farm	12	100%		
	Increase In Number Of Trout	% Increase In Number Of Trout Fingerlings Produced	10,000	100%		

	Fingerlings Produced					
	Increase Of Table Sized Trout Produced	% Increase Of Table Sized Trout Produced	2t	100%		
	% increase of ornamental fish produced	% increase of ornamental fish produced	0	50%		
	% increase in capacity building of fish dealers	% increase in capacity building of fish dealers	1200	90%		
	% increase in number of aqua shops	% increase in number of aqua shops	2	10%		
	% increase in number of aqua kiosks	16	0	10%		
Media, Lifeline programming and Visibility	% increase in awareness	7 brochures and 1000 fliers printed	0	50%		
		Number of TV shows	0	4		
		Number of radio presentations	0	4		

Performance Indicators Livestock Production

Programme Name: Livestock Development						
Objective: Increase productivity						
Outcome: Increase productivity						
Sub-programme	Key outcomes/output	Key Performance Indicators	Baseline 2018/19	Planned Targets 2019/2020	Achieved Targets 2019/20	Remarks
2.1 Livestock output and productivity	Increased output and productivity	No of litres/ doe/day in milk production	1.7	1.8		
		Meat goat carcass weight (kg)	9	9		
		No of eggs/ bird/ year	66	70		
		Carcass weight kg/ bird	1.2	1.3		
		Kgs of honey/ hive/ quarterly	7	7		
		Kgs of goat milk/ year	160,000	170,000		
		No rabbits produced	31500	32,500 Rabbits		
2.2 Animal feed and nutrition	Improved productivity	Area under fodder	1250	1300 acres		
		Quantity of fodder conserved	46	55tons		Assume rainfall will be adequate

		% increase in employment in livestock development	6	U7%		
2.3 Market development	Increased income	Volume of marketed milk	85000	90,000 litres daily		
		Milk sales due to product diversification	170M	180M		
		Kg of honey processed/year	190,000	210,000kg/yr		
2.4 Extension services	Improved capacity for farmers	Number of livestock farmers	57,700	58000		
		No of staff housed in the office	33	38		
		Time taken to respond to farmers' requests	1-5 days	1-5days		
	Reduced risk	-% increase in number of insured enterprises	0.12%	0.15%		
		% increase in enterprise financing capacity/ yr	1.25%	1.5%		

Table 61: Performance Indicators, Health Services

Programme Name : Curative and Rehabilitative Services						
Objective: To improve access to quality and affordable Health care						
Outcome: Reduced morbidity and mortality from curable and manageable diseases						
Sub Programme	Key Outcomes/ outputs	Key performance indicators	Baseline	Planned Targets	Achieved Targets	Remarks*
Curative and rehabilitative services	Health Access	Population living within 5km radius of a standard health facility	No Available Data Estimate	Est.75%		
Child Health	Reduced Child mortality	Child Health Proportion of <1yr child vaccinated against Measles and Rubella	62.4%	85%		
		Proportion of children under one year who are fully immunized	57.9	75%		
Maternal Health	Reduced maternal mortality	Proportion of pregnant women attending 4 ANC visits	43.1	45%		
Family Planning	Improved reproductive health services	WRA receiving FP commodities Coverage	36.6%	75%		
		Total fertility rate	3.4	3.4		
Nutrition Status	Reduced incidences of stunted growth	Prevalence of stunting	22%	18%		
		Vitamin A: 6-11 months once	72.2%	75%		
HIV and AIDS	Prevent new infections	Prevalence HIV and AIDS	3.9	3.2		

Table 62: Performance Indicators Education, Youth , Culture and sports

Programme Name :						
Objective:						
Outcome:						
Sub Programme	Key Outcomes/ Outputs	Key Performance Indicators	Baseline	Planned Targets	Achieved Targets	Remarks*
Vocational Training	Improved Access To Vocation Education	% Increase In Enrolment In YPS	1200	1500		
	Improved Access To Vocation Education	Increase No. Trainees Graduating From YPS	600	1000		
	Improved Access To Vocation Education	No. Of Youth Equipped With Requisite Skills	600	1000		
Promotion Of Basic Education	Improved Access To Basic Education	Teacher: Pupil Ratio	1:30	1:25		

(Ecde)	Improved Access To Basic Education	Class: Pupil Ratio	1:45	1:30		
	Improved Access To Basic Education	Book: Child Ratio	1: 5	1:3		
	Improved Access To Basic Education	Net enrolment rate	75%	80%		
	Improved Access To Basic Education	Transition Rate	85%	90%		
Sports Development	Improved Sports Infrastructure	No Of Stadiums	4	4		
Culture And Arts Promotion	Improved Social Amenities	% Of Completion	0	1		
Tourism Development And Promotion	Improved Tourism Infrastructure	Increase In No. Of Tourists	500	1200		

Table 63: Performance Indicators Energy and ICT

Programme 1: Integrated Revenue Management & Surveillance						
Objective (s): To enhance and streamline revenue collection						
Outcome (s): Increase in revenue collected						
Sub Programme	Key Outcomes/ outputs	Key performance indicators	Baseline	Planned Targets	Achieved Targets	Remarks*
Revenue automation and Provision of CCTV surveillance services	Increased revenue	% increase in Amount of revenue collected and curb embezzlement	Revenue collection points automated	fix surveillance, maintain and upgrade the system in collection points ,bus parks and street parking		
Programme 2: Integrated ICT infrastructure and Equipment						
Objective (s): To enhance connectivity in the county; enable fast information access, resource sharing and fast service delivery						
Outcome (s): Modern and reliable Network Infrastructure and equipment						
Modern ICT Equipment	Modern ICT equipment; Power backup system(Inverters to connect ICT equipment), servers, firewalls ,routers, switches etc.	Number of modern ICT equipment in place	-	70 Computers 2 Servers 1 Firewalls 4 Routers 15 Switches 2 UPS		

ICT Network and Internet Infrastructure	ICT modern network infrastructure ;LAN setup, Network cabling, internet, WAN etc.	Revenue offices sub county offices ICT Hubs	-	Revenue offices Remaining sub county offices 3 ICT Hubs		
Unified Communication	Internet connection and Reliable solution for collaboration covering telephone PABX, fax and video/audio conferencing , domain registration/hosting, website design ,maintenance and upgrade	No. of county offices with unified communication and systems upgraded No. of county offices connected with internet and collaboration covering telephone PABX, fax and video/audio conferencing, intranet, level domain registration/hosting, website design, upgrade and maintenance.	-	1 PBX 30 IP phones 50% New office block using the video conferencing method County website upgraded and maintained (Storage increased and access speed upgraded		
Programme 3: Integrated County Information Management Systems						
Objective (s): To enhance and streamline information management and fast service delivery						
Outcome (s):Effective and efficient information management and service delivery						
Integrated Health Management System(IHMS)	Improved service delivery	% or NO. of health facilities using IHMS	Chuka hospital and Marimanti hospital using the system (frequent maintenance needed)	1 hospitals 5 health centres		
Programme 4: General Administration Planning and Support Services						
Objective (s): Provide planning and support services and County Government Capacity Development						
Outcome (s):Better services, skilled labour and excellent working capacity						
County ICT Policy Regulation	County ICT Standards and Policies developed and implemented Salaries paid on time Maintenance of system done	No. of County Energy &ICT Standards and Policies developed and Implemented Systems maintained and upgraded.	-	2 ICT Standards All systems maintained and updated as required		
Programme 5: Grid Electricity						
Objective (s): To enhance electricity connectivity and access in the county						
Outcome (s): Increase electricity connectivity and use						
Grid electricity	80%	Number of to the households and Public facilities such	-	Purchase 15 transformers, extend		

		as polytechnics and health facilities connected to grid		power to health facilities, households, polytechnics and other public facilities.		
Programme : Alternative and renewable sources of energy						
Objective (s): To enhance and promote use of low cost, clean, efficient and effective energy						
Outcome (s): Increase in use of Alternative and renewable by 50%						
Alternative and renewable energy	Alternative sources of energy purchased	Number of public facilities and/or households using the alternative or renewable sources of energy	-	Procure and distribute alternative and renewable sources of energy.		

APPENDICES

Public Participation Projects Agriculture

SNO	LOCATION	DEPARTMENT	PROJECT	REMARKS
1	Mutindwa sublocation	Agriculture and Cooperatives	Improve training access for local farmers	Chogoria based ATI
2	Mutindwa sublocation	Agriculture and Cooperatives	Development of Mutindwa market	Improve access and avoid destruction of property
3	Mutindwa sublocation	Agriculture and Cooperatives	Milk cooler	Mutindwa plant proposed
4	Mutindwa sublocation	Agriculture and Cooperatives	AI services	Mutindwa based office
5	Mutindwa sublocation	Agriculture and Cooperatives	Provision of cattle treatment facility	Treatment of livestock
6	Mutindwa sublocation	Agriculture and Cooperatives	Seedling provision for banana, avocado and macadamia	Subsidized farm input
7	Mutindwa sublocation	Agriculture and Cooperatives	Crop value addition	Treatment of tea and coffee
8	Murugi East Location	Agriculture and Cooperatives	Marketing cheese, yogurt and other dairy products	Chogoria area
9	Murugi East Location	Agriculture and Cooperatives	Promotion of poultry farming	Kienyeji chicken incubator
10	Murugi East Location	Agriculture and Cooperatives	Farmer training services	Munga inclusion to KCEP program
11	Igwanjau	Agriculture and Cooperatives	Soil sampling and testing	Proposed for all farmers
12	Igwanjau	Agriculture and Cooperatives	AI services	For all farms
13	Igwanjau	Agriculture and Cooperatives	Milk processing plant	Proposed in Igwanjau area
14	Igwanjau	Agriculture and Cooperatives	Supporting farmer marketing initiatives	For coffee production boosting
15	Igwanjau	Agriculture and Cooperatives	Marketing of farm produce	Igwanjau area

16	Igwanjau	Agriculture and Cooperatives	Insecticides provision	For mangoes, tomatoes, maize and other cereals
17	Igwanjau	Agriculture and Cooperatives	Cereals board for local farmers	Pricing protection for farmers
18	Igwanjau	Agriculture and Cooperatives	Provision of farm inputs	Provide certified
19	Igwanjau	Agriculture and Cooperatives	Milk processing plant required	Kirumi factory
20	Igwanjau	Agriculture and Cooperatives	Milk processing plant required	Kagira near Kibura
21	Igwanjau	Agriculture and Cooperatives	AI at Igwanjau camp	Igwanjau and more centers available at ward level
22	Igwanjau	Agriculture and Cooperatives	Goat milk cooler	Required at Kirumi factory
23	Igwanjau	Agriculture and Cooperatives	Provision of extension services	Irrigation, dairy, chicken farming, flower
24	Igwanjau	Agriculture and Cooperatives	Cereal storage facility	Specifically, for Ganga area
25	Igwanjau	Agriculture and Cooperatives	Subsidized seedlings provision	Macadamia, avocado and banana
26	Kaare sublocation	Agriculture and Cooperatives	Extension services	Employment of officers to visit farms and provide subsidized services (semen and vaccines)
27	Kaare sublocation	Agriculture and Cooperatives	Extension services	AI service provision
28	Nkondi	Agriculture and Cooperatives	empower cooperatives/CBOs	New Project proposed
29	Nkondi	Agriculture and Cooperatives	Provision of certified planting seeds.	timely disbursement
30	Nkondi	Agriculture and Cooperatives	Recruit extension officers	vet/agri officers
31	Nkondi	Agriculture and Cooperatives	provision of vaccination drugs	livestock,poultry
32	Nkondi	Agriculture and Cooperatives	soil testing & sampling	New Project proposed
33	Miomponi	Agriculture and Cooperatives	recruit extension officers	New Project proposed
34	Miomponi	Agriculture and Cooperatives	Potatoe value addition	miomponi due to bumper harvest

35	Miomponi	Agriculture and Cooperatives	provide tree seedlings to protect water catchment areas	New Project proposed
36	Miomponi	Agriculture and Cooperatives	provide planting seeds	timely distribution
37	Miomponi	Agriculture and Cooperatives	provide soil sampling/testing services	New Project proposed
38	kibunga	Agriculture and Cooperatives	recruit extension officers	New Project proposed
39	kibunga	Agriculture and Cooperatives	establish cooperatives to market farm produce	New Project proposed

63	Weru market	Agriculture and Cooperatives	Cattle dips	Rehabilitation and renovation
64	Mutino	Agriculture and Cooperatives	Extension Officers	Provision of extension services that are currently not available
65	Mutino	Agriculture and Cooperatives	Drought resistance seeds	Timely provision of these seeds to enable farmers to do early planting
66	Mutino	Agriculture and Cooperatives	Mutino cereals store	Construction
67	Mutino	Agriculture and Cooperatives	A.I services	Provision of these services for upgrading
68	Mutino	Agriculture and Cooperatives	Value addition	Tamarind fruits that are currently being exported at high prices
69	Kajuki	Agriculture and Cooperatives	Provision of subsidized fertilizer	Timely provision
70	Kajuki	Agriculture and Cooperatives	Construction of Cereals store	At Nairobi ndogo or Kajuki
71	Kajuki	Agriculture and Cooperatives	Lighting of the following markets: Kajuki, nkware, makanyanga, Kamugaa and Nairobi ndogo	New Project proposed
72	Itugururu	Agriculture and Cooperatives	Subsidized pest and disease control	New Project proposed

73	Itugururu	Agriculture and Cooperatives	Banana processing plant	To be constructed at Itugururu in igamatundu
74	Itugururu	Agriculture and Cooperatives	Provision of seeds	Timely provision
75	Itugururu	Agriculture and Cooperatives	Kamwimbi mango processing plant	To be constructed at Kamwimbi market due to high mango production
76	Itugururu	Agriculture and Cooperatives	Soil testing services	New Project proposed
77	Itugururu	Agriculture and Cooperatives	Ploughing tractors	County to procure tractors to help farmers to plough lands at lesser services
78	Itugururu	Agriculture and Cooperatives	Kamwimbi dispensary	Maternity wing to be constructed
79	Thuita, Magumoni	Agriculture and Cooperatives	Subsidized, timely and good quality farm inputs	Fertilizer, Macadamia seeds, avocado seedlings, tissue bananas, coffee seedlings
80	Thuita, Magumoni	Agriculture and Cooperatives	Establish value addition plants	New Project proposed
81	Thuita, Magumoni	Agriculture and Cooperatives	Marketing	New Project proposed
82	Thuita, Magumoni	Agriculture and Cooperatives	Soil sampling and testing	New Project proposed
83	Kabuboni	Agriculture and Cooperatives	Subsidized farm inputs	Fertilizer
84	Kabuboni	Agriculture and Cooperatives	Extension officers	New Project proposed
85	Kabuboni	Agriculture and Cooperatives	Drying tables; Water for irrigation and Milk coolant	Kabuboni Farmers' Cooperative Society
86	Kabuboni	Agriculture and Cooperatives	Provision of relieve food (Set aside an emergency fund kit)	New Project proposed
87	RUBATE LOCATION	Agriculture and Cooperatives	Subsidized of A.I services	To improve breed
88	Mukuuni	Agriculture and Cooperatives	Seeds provision	Timely provision of planting seeds to avoid delay
89	Mukuuni	Agriculture and Cooperatives	Stocking of mukuuni cereals store	Maize drier at the store is not being used since its installation 7 years ago
90	Mukuuni	Agriculture and Cooperatives	Extension officers	Extension services such as A.I, veterinary and crop management required.

91	Mukuuni	Agriculture and Cooperatives	Fertilizer subsidy	The services of filling forms and their verification should be centralized at mukuuni store rather than sending farmers to Chuka
92	Kambadi, Gitareni	Agriculture and Cooperatives	Subsidized timely and good quality farm inputs	Fertilizer, Maize seeds, Beans seeds, Macadamia seeds, Avocado seedlings (Hass, Fuete), Muguka/miraa seedlings, Mangoes, Bananas
93		Agriculture and Cooperatives	Green house farming	New Project proposed
94	Gitareni	Agriculture and Cooperatives	Marketing of farm produce	New Project proposed
95	Mitheru DOs ground	Agriculture and Cooperatives	Value addition	For the farm produce like,bananas,milk,mangoes,pawpaws etc
96	Mitheru DOs ground	Agriculture and Cooperatives	Farm inputs	Timely distribution of subsidized fertilizers and seedlings
97	Mitheru DOs ground	Agriculture and Cooperatives	Extension officers	New Project proposed
98	Ndumbini	Agriculture and Cooperatives	Pest and disease control	Purchase and supply of pesticides for mealy bags
99	Ndumbini	Agriculture and Cooperatives	Extension officers	New Project proposed
100	Ndumbini	Agriculture and Cooperatives	Cattle dips	Construction and rehabilitation of the already existing
101	Ndumbini	Agriculture and Cooperatives	Farm inputs	Subsidized farm inputs to be delivered timely
102	Ndumbini	Agriculture and Cooperatives	Farm inputs	Provision of subsidized animal feeds
103	Ndumbini	Agriculture and Cooperatives	Value addition	New Project proposed
104	Ndumbini	Agriculture and Cooperatives	livestock	Stray dogs control
105	Ndumbini	Agriculture and Cooperatives	Fish farming	Farmers education and training
106	Ndumbini	Agriculture and Cooperatives	Fish farming	Startup of fish ponds
107	Mumbuni district office	Agriculture and Cooperatives	Provision of farm inputs	Should be timely
108	Mumbuni district office	Agriculture and Cooperatives	Markets for farm produce	New Project proposed
109	Mumbuni district office	Agriculture and Cooperatives	Agricultural training institute	Construction

110	Mumbuni district office	Agriculture and Cooperatives	Storage facilities	Construction of cereal boards and provision of milk coolers
111	Mumbuni district office	Agriculture and Cooperatives	Extension officers	New Project proposed
112	Mumbuni district office	Agriculture and Cooperatives	Farmers compensation	New Project proposed
113	Muthambi DO's ground	Agriculture and Cooperatives	Farm inputs	Provision of farm inputs timely like the seedlings and the fertilizers
114	Muthambi DO's ground	Agriculture and Cooperatives	Extension officers	Farmers need continuous training and vaccination of the livestock
115	Muthambi DO's ground	Agriculture and Cooperatives	Value addition	Construction of a milk processing plant
116	Muthambi DO's ground	Agriculture and Cooperatives	A.I services	To be provided to various cooling plants within Muthambi
117	Muthambi DO's ground	Agriculture and Cooperatives	marketing	Establishment of market advisory committee and operationalize the cereal board.
118	Mwimbi DO's Grounds	Agriculture and Cooperatives	Agricultural extension officers	Should be available weekly for all farmers
119	Mwimbi DO's Grounds	Agriculture and Cooperatives	Flood water management	Creation of gabions along
120	Mwimbi DO's Grounds	Agriculture and Cooperatives	Planting machinery	Required for expansive areas in Mwimbi
121	Mwimbi DO's Grounds	Agriculture and Cooperatives	Makengi Textile Industry	Textile industry will support the establishment of cotton growing
122	Mwimbi DO's Grounds	Agriculture and Cooperatives	Seeds distribution for farmers at Magutuni	Subsidized farm inputs
123	Mwimbi DO's Grounds	Agriculture and Cooperatives	Fertilizers and chemical storage area	Subsidized farm inputs
124	Mwimbi DO's Grounds	Agriculture and Cooperatives	Magutuni AI center	AI center
125	Mwimbi DO's Grounds	Agriculture and Cooperatives	Magutuni Milk Cooler	Milk coolant
126	Mwimbi DO's Grounds	Agriculture and Cooperatives	Silos and cereal storage	Magutuni storage facility

127	Mwimbi DO's Grounds	Agriculture and Cooperatives	Marketing of farm produce	Magutuni marketing and trade support
128	Mwimbi DO's Grounds	Agriculture and Cooperatives	Coffee processing	Gituiku coffee factory
129	Mwimbi DO's Grounds	Agriculture and Cooperatives	Horticulture processing society	Magumoni processing society
130	Mwimbi DO's Grounds	Agriculture and Cooperatives	Pesticides and fungicides distribution	For control of diseases and pests
131	Mwonge	Agriculture and Cooperatives	ATC at Mwanga	New Project proposed
132	Kiang'onde, Karingani, Muiru	Agriculture and Cooperatives	Provision of subsidized farm inputs	Macadamia seeds, A.I.
133	Kiang'onde, Karingani, Muiru	Agriculture and Cooperatives		Fertilizer
134	Kiang'onde, Karingani, Muiru	Agriculture and Cooperatives	Value addition	Coffee
135	Kiang'onde, Karingani, Muiru	Agriculture and Cooperatives	Marketing	Coffee, Tea
136	Kiang'onde, Karingani, Muiru	Agriculture and Cooperatives	Green houses	For horticulture
137	Kiang'onde, Karingani, Muiru	Agriculture and Cooperatives	Breeding sites	For crops and animals
138	Muthambi DO's ground	Agriculture and Cooperatives	Coffee society	Rehabilitation of coffee cooperatives

Public participation projects Environment

SNO	LOCATION	DEPARTMENT	PROJECT	REMARKS
1	Mwimbi DO's Grounds	Environment and natural resources	Tree seedling distribution project	Magutuni nursery project proposed
2	Thuita, Magumoni	Environment and natural resources	Tree planting in all public utility fields	New Project proposed

3	Thuita, Magumoni	Environment and natural resources	Protection of water catchment area and riparian land	New Project proposed
4	Thuita, Magumoni	Environment and natural resources	Provide litter bins in markets	New Project proposed
5	Gitareni	Environment and natural resources	reclaiming riparian lands	New Project proposed
6	Gitareni	Environment and natural resources	tree planting (Afforestation)	New Project proposed
7	Muthambi DO's ground	Environment and natural resources	Catchment areas	Rehabilitation and protection of water catchment areas
8	Muthambi DO's ground	Environment and natural resources	Catchment areas	Protection of riparian land
9	Muthambi DO's ground	Environment and natural resources	Catchment areas	Tree planting along the rivers
10	Muthambi DO's ground	Environment and natural resources	Catchment areas	Establishment of tree nurseries.

Public participation projects Livestock, Veterinary and Fisheries

SNO	LOCATION	DEPARTMENT	PROJECT	REMARKS
1	Kambadi, Gitareni	Livestock production, Veterinary services and fisheries	Support fish farming	Liners, Fingerlings
2	Thuita, Magumoni	Livestock production, Veterinary services and fisheries	Support fish farming through rehabilitating fish ponds	New Project proposed
3	Kiang'onde, Karingani, Muiru	Livestock production, Veterinary services and fisheries	Green house fish farming	to support fish production technologies adoption
4	Kiang'onde, Karingani, Muiru	Livestock production, Veterinary services and fisheries	Marketing	Support establishment of markets
5	Thuita, Magumoni	Livestock production, Veterinary services and fisheries	Support to AI services	New Project proposed

6	Thuita, Magumoni	Livestock production, Veterinary services and fisheries	provision of milk coolants at Mukuuni and Kiracha dairy projects	New Project proposed
7	Thuita, Magumoni	Livestock production, Veterinary services and fisheries	Milk processing plants at Thuita dairy project	New Project proposed
8	Thuita, Magumoni	Livestock production, Veterinary services and fisheries	Support dairy goats milk Facility and pricing	New Project proposed
9	Kambadi, Gitareni	Livestock production, Veterinary services and fisheries	Subsidized AI services and veterinary services	New Project proposed
10	Kambadi, Gitareni	Livestock production, Veterinary services and fisheries	support to groups to acquire livestock breeds	New Project proposed
11	Kambadi, Gitareni	Livestock production, Veterinary services and fisheries	Support in marketing of livestock and livestock products	New Project proposed
12	Gitareni	Livestock production, Veterinary services and fisheries	Goat milk coolant	New Project proposed
13	Gitareni	Livestock production, Veterinary services and fisheries	Milk Value addition	New Project proposed
14	Gitareni	Livestock production, Veterinary services and fisheries	Improved livestock production (Dairy goats and chicken)	New Project proposed
15	Gitareni	Livestock production, Veterinary services and fisheries	Streamline marketing to counter check on cartels	New Project proposed
16	Kiang'onde, Karingani, Muiro	Livestock production, Veterinary services and fisheries	Farmers capacity building	New Project proposed

17	Kiang'onde, Karingani, Muiru	Livestock production, Veterinary services and fisheries	Dairy processing plant	New Project proposed
18	Kiang'onde, Karingani, Muiru	Livestock production, Veterinary services and fisheries	Dairy goat upgrading	New Project proposed
19	Kiang'onde, Karingani, Muiru	Livestock production, Veterinary services and fisheries	Intensive Fodder production, conservation and preservation	Capacity building
20	Kiang'onde, Karingani, Muiru	Livestock production, Veterinary services and fisheries	Subsidized Extension services (Veterinary)	New Project proposed
21	Kiang'onde, Karingani, Muiru	Livestock production, Veterinary services and fisheries	Small stock projects for special groups	PLWD, Youths and Women
22	Kiang'onde, Karingani, Muiru	Livestock production, Veterinary services and fisheries	Bee keeping	New Project proposed
23	Kabuboni	Livestock production, Veterinary services and fisheries	Subsidized AI Services	New Project proposed
24	Mwonge	Livestock production, Veterinary services and fisheries	Subsidized AI services	New Project proposed
25	Maragwa	Livestock production, Veterinary services and fisheries	Livestock extension services	Veterinary services to farmers
26	Maragwa	Livestock production, Veterinary services and fisheries	Livestock vaccination services	Key diseases to be investigated
27	Maragwa	Livestock production, Veterinary services and fisheries	Livestock market at Maragwa	Movement of livestock to other markets affects prices
28	Maragwa	Livestock production, Veterinary services and fisheries	Pest and disease control	Ensure supply and sale of certified pesticides –the good brands have disappeared from the market
29	Maragwa	Livestock production, Veterinary services and fisheries	Provision of farm inputs	Promote productivity

30	Maragwa	Livestock production, Veterinary services and fisheries	Marketing of farm produce	Increase farm incomes
31	Maragwa	Livestock production, Veterinary services and fisheries	Mechanisation programme	Procure farm tractors to support farming activities
32	Khangachini	Livestock production, Veterinary services and fisheries	Planting seeds	Millet, green gram, sorghum,
33	Khangachini	Livestock production, Veterinary services and fisheries	Meat processing	New Project proposed
34	Khangachini	Livestock production, Veterinary services and fisheries	Postharvest management support	Provision of gunny bags
35	Khangachini	Livestock production, Veterinary services and fisheries	Marketing of farm produce	New Project proposed
36	Khangachini	Livestock production, Veterinary services and fisheries	Revival of cotton farming	Provision of seeds and farmer training
37	Mukothima	Livestock production, Veterinary services and fisheries	Farm inputs	Seeds and ensure timely delivery
38	Mukothima	Livestock production, Veterinary services and fisheries	Mukothima cereals	Operationalisation
39	Mukothima	Livestock production, Veterinary services and fisheries	Marketing of cereals	Cooperative marketing and contract farming
40	Mukothima	Livestock production, Veterinary services and fisheries	Livestock restocking	Cushion farmers against losses
41	Mukothima	Livestock production, Veterinary services and fisheries	Extension services	Capacity farmers
42	Mukothima	Livestock production, Veterinary services and fisheries	Livestock market	Mukothima and Gatithini

43	Mukothima	Livestock production, Veterinary services and fisheries	Office block	Ward agriculture offices
----	-----------	---	--------------	--------------------------

Public participation projects Health Services

SNO	LOCATION	DEPARTMENT	PROJECT	REMARKS
1	Murugi East Location	Medical Services and Public health	Munga community dispensary renovation	Complete construction
2	Murugi East Location	Medical Services and Public health	Munga community dispensary renovation	Connection of water supply line
3	Murugi East Location	Medical Services and Public health	Munga community dispensary renovation	Fencing and gate
4	Murugi East Location	Medical Services and Public health	Munga community dispensary renovation	Reinstallation of vandalized electric wiring
5	Murugi East Location	Medical Services and Public health	Munga community dispensary renovation	Construction of modern toilets
6	Murugi East Location	Medical Services and Public health	Munga community dispensary renovation	Construction of staff toilets
7	Murugi East Location	Medical Services and Public health	Majira dispensary laboratory construction	Upgrading of dispensary

Public participation projects Energy and ICT

SNO	LOCATION	DEPARTMENT	PROJECT	REMARKS
1	Thuita, Magumoni	Energy and ICT	Connectivity	Mugaani, Ndigia/Kambadi, Gichia, Katheru,Kithunguni
2	RUBATE LOCATION	Energy and ICT	installation of electricity	Konyo village, Kauthiiri factory, Kauani village
3	Kambadi	Energy and ICT	Security lights	Kambadi, Kirege and Cheera markets
4	Kambadi	Energy and ICT	Electricity connectivity to unreached areas	Kibingo Rwanjuki area; Ntima Gakunga area; Karemeke area; some parts of Kanjau and Kauthani; Kabathani area; Nkumbo area; Kwego area; Kathithini area; Kathenge area

5	Chogoria Kieganguru	Energy and ICT	Transformer installation	Mugaani area, gitiria area
6	Murugi East Location	Energy and ICT	Transformers and household installation	Kiraro – Kathirua
7	Mwimbi DO's Grounds	Energy and ICT	Lighting along forests to boost safety	Insecurity management
8	Kaare sublocation	Energy and ICT	Installation of transformers	Tuneni Muragara area
9	Kaare sublocation	Energy and ICT	Installation of transformers	Kathingithu area
10	Kaare sublocation	Energy and ICT	Installation of transformers	Kagiti area
11	Kaare sublocation	Energy and ICT	Installation of transformers	Kianjuki
12	Kaare sublocation	Energy and ICT	Installation of transformers	NtatuKathitu area
13	Kaare sublocation	Energy and ICT	Installation of transformers	Maneno Mengi
14	Kaare sublocation	Energy and ICT	Installation of transformers	Mwinjau
15	Kaare sublocation	Energy and ICT	Installation of transformers	Nduuni
16	Kaare sublocation	Energy and ICT	Installation of transformers	Makueni
17	Kaare sublocation	Energy and ICT	Installation of transformers	Kwa Mirungu Muketha (Njugu)
18	Kaare sublocation	Energy and ICT	Installation of transformers	Erect posts at Kirogo area
19	Kanjoro	Energy and ICT	Rural electrification	Makutano market
20	Gatue	Energy and ICT	Gatunga market street lighting	To improve security
21	Gatue	Energy and ICT	Transformer at Karugwaru	To supply electricity in the area
22	Mukuuni	Energy and ICT	Purchase of transformers for the following units:	New Project proposed

23	Mukuuni	Energy and ICT	Masachia, weruni, kariguni, karungu, mutaruni, kimore	New Project proposed
24	Rukindu	Energy and ICT	RukinduKamatumoUnit	Connect the existing transformer to the users
25	Ndumbini	Energy and ICT	electrification	To be done at least in muragara location
26	Mwimbi DO's Grounds	Energy and ICT	Installation of transformers at all primary schools to facilitate construction of digital resource centers	Installation of transformers at all primary schools to facilitate construction of digital resource centers
27	Mwimbi DO's Grounds	Energy and ICT	Transformers installation	Kabariange power plant
28	Mwimbi DO's Grounds	Energy and ICT	Transformers installation	Makeuni transformer requires at least 3 transformers
29	Mwimbi DO's Grounds	Energy and ICT	Transformers installation	Mugero (Gatithini & Nkobo) requires at least 3 transformers
30	Mwimbi DO's Grounds	Energy and ICT	Transformers installation	Njugu – Nduui requires at least 3 transformers
31	Mwimbi DO's Grounds	Energy and ICT	Street lighting project	Magutuni ward
32	Igwanjau	Energy and ICT	Transformer installation	Kauri Primary School
33	Igwanjau	Energy and ICT	Transformer installation	KathumukiUtheinIriani
34	Igwanjau	Energy and ICT	Transformer installation	Kirumi Primary
35	Igwanjau	Energy and ICT	Transformer installation	Ngaini transformer
36	Igwanjau	Energy and ICT	Transformer installation	Required at Kiriguni sublocation
37	Igwanjau	Energy and ICT	Transformer installation	Lighting for all households
38	Kariakomo	Energy and ICT	Installation of streetlights and floodlights	For lighting and security
39		Energy and ICT	Transformer installation	Promote last mile project

40	Maragwa	Energy and ICT	Network booster	No network in the area
41	Maragwa	Energy and ICT	Rural electrification	Connection of all areas to electricity
42	Murugi East Location	Energy and ICT	ICT recreational center and community library construction	Proposed location near Kieganguru social hall
43	Kaare sublocation	Energy and ICT	Installation of WiFi services	Installation of WiFi

Public participation projects lands and physical Planning

SNO	LOCATION	DEPARTMENT	PROJECT	REMARKS
1	Mumbuni district office	Lands and Urban Development and Physical Planning	markets	Construction of Mumbuni market and identification of others
2	Muthambi DO's ground	Lands and Urban Development and Physical Planning	markets	Establishment of an open air market
3	Muthambi DO's ground	Lands and Urban Development and Physical Planning	markets	Dog control
4	Weru market	Lands and Urban Development and Physical Planning	Weru Market	Construction and fencing
5	Weru market	Lands and Urban Development and Physical Planning	Weru Market	Opening of market roads and murraming
6	Weru market	Lands and Urban Development and Physical Planning	Weru Market	Addition of street light and solar installation
7	Weru market	Lands and Urban Development and Physical Planning	Weru Market	Provision of skips and litter bins
8	Weru market	Lands and Urban Development and Physical Planning	Weru Market	Increase market security
9	Weru market	Lands and Urban Development and Physical Planning	Boda boda sheds	Construction at riathiga and kithukio

10	Weru market	Lands and Urban Development and Physical Planning	Public toilets	Kithukio , karuroko and Mukunga
11	Weru market	Lands and Urban Development and Physical Planning	bars	Need regulation
12	Mutindwa sublocation	Lands and Urban Development and Physical Planning	Kaare market	Floodlight installation
13	Mutindwa sublocation	Lands and Urban Development and Physical Planning	Kalewa market	Floodlight installation
14	Murugi East Location	Lands and Urban Development and Physical Planning	Transformers and household installation	Gakui Kaururu
15	Kaare sublocation	Lands and Urban Development and Physical Planning	Public toilet construction at Kaare market	The toilets are too few at the market
16		Lands and Urban Development and Physical Planning	surveillance and planning of market centres	New Project proposed
17	Murugi East Location	Lands and Urban Development and Physical Planning	Fencing and improvement	DC's compound at Maara
18	Murugi East Location	Lands and Urban Development and Physical Planning	Huduma center and land board	Construction to improve access
19	Kaare sublocation	Lands and Urban Development and Physical Planning	Floodlights at Kaare market and along feeder roads to the market	The main feeder road to the market and adjacent roads all require lighting
20	Kaare sublocation	Lands and Urban Development and Physical Planning	Garbage collection	Bin near market center will improve cleanliness
21	Kaare sublocation	Lands and Urban Development and Physical Planning	Public toilet construction at Kaare market	Kaare Magutuni
22	Kaare sublocation	Lands and Urban Development and Physical Planning	Garbage collection	Murugara Kithunguni
23	Kaare sublocation	Lands and Urban Development and Physical Planning	Construction of public toilet	Modern toilet construction at Kaare
24	Mwimbi DO's Grounds	Lands and Urban Development and Physical Planning	Kiera hills fencing to prevent deforestation	Protection of Kiera hills
25	Chogoria Kieganguru	Lands and Urban Development and Physical Planning	Tree planting	Beautification of sublocations

26	Chogoria Kieganguru	Lands and Urban Development and Physical Planning	Garbage collection services	For sub locations and all their markets
27	Chogoria Kieganguru	Lands and Urban Development and Physical Planning	Open air market in Chogoria location	Promote trade
28	Chogoria Kieganguru	Lands and Urban Development and Physical Planning	Public toilet construction	Insufficient in Chogoria town
29	Chogoria Kieganguru	Lands and Urban Development and Physical Planning	County slaughterhouses at subcounty level	Promote trade in the markets and income generation
30	Chogoria Kieganguru	Lands and Urban Development and Physical Planning	Land board office for sublocation	Ease access to public
31	Chogoria Kieganguru	Lands and Urban Development and Physical Planning	; postal service land acquisition	Chogoria town expansion
32	Mutindwa sublocation	Lands and Urban Development and physical planning	Floodlight at Mutindwa market	Improve security at night
33	Murugi East Location	Lands and Urban Development and Physical planning	Open air market construction	Promotion of trade
34	Murugi East Location	Lands and Urban Development and Physical planning	Construction of business center and farmers supermarket	Promotion of trade
35	Thuita, Magumoni	Lands and Urban Development and Physical planning	Tarmacking of Kibugua town roads (Phase II) and ensure proper water drainage	New Project proposed
36	Thuita, Magumoni	Lands and Urban Development and Physical planning	Construct a Modern market at Kibugua	New Project proposed
37	Thuita, Magumoni	Lands and Urban Development and Physical planning	put up bumps at Kibugua market	New Project proposed
38	Thuita, Magumoni	Lands and Urban Development and Physical planning	provision of shades at Kibugua market	New Project proposed
39	Thuita, Magumoni	Lands and Urban Development and Physical planning	Provision of water tanks in markets	New Project proposed

40	Thuita, Magumoni	Lands and Urban Development and Physical planning	Grade and murrum roads in the markets	New Project proposed
41	Thuita, Magumoni	Lands and Urban Development and Physical planning	street lights in all markets	New Project proposed
42	Thuita, Magumoni	Lands and Urban Development and Physical planning	beautification programmes in all markets	New Project proposed
43	Thuita, Magumoni	Lands and Urban Development and Physical planning	improvement of other markets with Lights, water and toilets	Kericho, Kigogo, Karandini, Ikuu
44	RUBATE LOCATION	Lands and Urban Development and Physical planning	market shed construction	Rubate
45	Mwonge	Lands and Urban Development and Physical planning	Street lights	Karandini market; Ndiruni market; Youth
46	Kambadi	Lands and Urban Development and Physical planning	Opening Kambadi market roads	New Project proposed
47		Lands and Urban Development and Physical planning	Open other Market roads	New Project proposed
48	Gitareni	Lands and Urban Development and Physical planning	Kathathani shade and drainage	New Project proposed
49	Gitareni	Lands and Urban Development and Physical planning	Cheera market Drainage system, additional worker, security lights	New Project proposed
50	Gitareni	Lands and Urban Development and Physical planning	Street light and additional worket at Kwa Mati stage	New Project proposed
51	Gitareni	Lands and Urban Development and Physical planning	Kamugwongo market Planning	New Project proposed
52	Kabuboni	Lands and Urban Development and Physical planning	Installing of Ikuumarket water tank	New Project proposed
53	Kabuboni	Lands and Urban Development and Physical planning	Building of market shades	New Project proposed

54	Kabuboni	Lands and Urban Development and Physical planning	Opening external roads within the markets	New Project proposed
55	Mukothima	Lands and Urban Development and Physical planning	Modern markets	Mukothima and Gatithini
56	Mukothima	Lands and Urban Development and Physical planning	Garbage collection	Litter bins and skips on the markets
57	Mukothima	Lands and Urban Development and Physical planning	Sanitary facilities	Mukothima market
58	Gatue	Lands and Urban Development and Physical planning	Town planning	Development of pat development plans for all towns
59	Gatue	Lands and Urban Development and Physical planning	Boda boda and Market sheds	In all key markets and motorcycle stages
60	Gatue	Lands and Urban Development and Physical planning	Gatunga market	Fencing and landscaping of
61	Nkondi	Lands and Urban Development and Physical planning	Construction of Miomponi mkt	New Project proposed
62	Nkondi	Lands and Urban Development and Physical planning	construction of bodaboda sheds	New Project proposed
63	Nkondi	Lands and Urban Development and Physical planning	Maintenance of flood lights at miomponi cess point	New Project proposed
64	marimanti	Lands and Urban Development and Physical planning	upgrade marimanti mkt	New Project proposed
65	marimanti	Lands and Urban Development and Physical planning	construction of drainage/sewerage sytems at marimanti mkt	New Project proposed
66	marimanti	Lands and Urban Development and Physical planning	construct marimanti bus park/terminus	New Project proposed
67	marimanti	Lands and Urban Development and Physical planning	construct livestock mkt at marimanti	New Project proposed

68	marimanti	Lands and Urban Development and Physical planning	fastrack approval plans for buildings	New Project proposed
69	kibunga	Lands and Urban Development and Physical planning	provide fire engine for kibunga mkt	New Project proposed
70		Lands and Urban Development and Physical planning	construct bodaboda shed	kibunga mkt
71		Lands and Urban Development and Physical planning	install mkt flood lights	security purposes
72	Chiakariga	Lands and Urban Development and Physical planning	Expansion and opening of Chiakariga market roads	New Project proposed
73	Chiakariga	Lands and Urban Development and Physical planning	Installation of security lights from KEWI campus to Chiakariga market	New Project proposed
74	Chiakariga	Lands and Urban Development and Physical planning	Tree planting around Chiakariga market	New Project proposed
75	Chiakariga	Lands and Urban Development and Physical planning	Provision of bins and skips at Chiakariga and nkarini market	New Project proposed
76	Chiakariga	Lands and Urban Development and Physical planning	Identification and fencing Livestock yard in Chiakariga yard	New Project proposed
77	Chiakariga	Lands and Urban Development and Physical planning	Construction of boda boda sheds in Chiakariga market around D.Os area	New Project proposed
78	Tunyai mkt	Lands and Urban Development and Physical planning	public awareness and planning forums	New Project proposed
79	kamanyaki	Lands and Urban Development and Physical planning	fencing of the kamanyaki market grounds	New Project proposed
80	Mariani	Lands and Urban Development and Physical planning	Flood lights in kaanwa market	New Project proposed
81	Mariani	Lands and Urban Development and Physical planning	Construction of modern ablution block in kaanwa market	New Project proposed

82	Mariani	Lands and Urban Development and Physical planning	Kaanwa spatial plan	New Project proposed
83	Mariani	Lands and Urban Development and Physical planning	Provision of bins and an extra skip in kaanwa market	Only one skip is at the market
84	Mariani	Lands and Urban Development and Physical planning	Opening, expanding and grading of kaanwa market	New Project proposed
85	Mariani	Lands and Urban Development and Physical planning	Construction of boda boda shed in kaanwa, miraa miraya, Makutano, kabangua and mwanjati	New Project proposed
86	Mariani	Lands and Urban Development and Physical planning	Construction of social sheds shoe shiners sheds in kaanwa market	New Project proposed
87	Mutino	Lands and Urban Development and Physical planning	Kathwana market	Construction of ultramodern market
88	Mutino	Lands and Urban Development and Physical planning	Livestock yard in Kathwana	Temporal yard to be established along mate road past Summerton hotel a public plot is available.
